NORTH PENN
School District

Best wishes to the North Penn Knights during the 2004 football season. North Penn football has deservedly earned a reputation for hard-nosed, winning football. Each year, Coach Dick Beck's well-coached teams treat fans to exciting high school football.

With a state championship in hand, the 2004 Knights have worked hard to prepare for the season and have set their goals as a team. This dedication is a trademark of North Penn football. Congratulations and thanks to Coach Beck and his staff who have worked hard to prepare their team to reach the goals they have set for this season. But above all, we are proud of the team for the sportsmanship they exhibit both on and off the field.

Thank you to the parents and guardians who provide the necessary support to these young adults.
The 12th Knight provides the added support that means so much to the success of the program. We are proud of our student-athletes who have made the necessary dedication to both academic and athletic success.

Have a great season. Go Knights!!!!

NORTH PENN
High School

The students, staff and administration of North Penn High School are most appreciative of the enormous support for our 2004 football team, cheerleaders, and Marching Knights.

Through long hours of hard work, these players, cheerleaders and band members have diligently prepared themselves for the challenges the season will bring. Inspired by the legacy of the 2003 State Football Championship Title, the young men on this 2004 football squad embrace the opportunity to defend the title, and look forward to representing North Penn High School to the best of their ability. We are proud of the commitment they have made to our school and the teamwork that has enabled them to refine their combined talents to the levels you will see.

Special thanks go out to all coaches, trainers, managers and parents for the time, inspiration and overwhelming support they have provided to these goal-oriented young men and women who represent North Penn High School so well. We wish the 2004 Knights the best of everything throughout this football season, and we thank Coach Beck and Band Director Heller and their staffs for their inspiring leadership and guidance.

Let's Go Knights!

Welcome to Crawford Stadium and another exciting season of NORTH PENN KNIGHTS FOOTBALL. Throughout the years, there have been many great football games played in this stadium and this year will not be an exception.

Traditionally our fans have come here to witness the best in high school football and have never been disappointed. This year promises the same high level of performance, excitement and sportsmanship.

As always, the Marching Knights and our cheerleaders will entertain you with their skills and enthusiasm. They have worked very hard in the preseason and are ready to perform for all their loyal fans.

Let us join together and show our gratitude and appreciation for the efforts of all the young people who have dedicated their efforts toward broadening their education by participating in co-curricular activities even though it means a great deal of personal sacrifice. All these young people make us NORTH PENN PROUD.

DICK BECK - HEAD FOOTBALL COACH

Dear Fan:

On behalf of the North Penn High School Football Team and Staff, we wish to welcome you to Crawford Stadium - Home of the **2003 Defending State Champion KNIGHTS**.

This time of year is always an exciting one for us. We have a group of hard working young men who have been preparing to defend their state title this season since early in January. Thank you for coming out to cheer them on.

We would also like to thank our support group, the ***12th Knight***, and its officers: Bob Neubert (President), Mike Tillger (Vice President), Patty Adams (Secretary), Tina Stoll (Treasurer).

Sit back, enjoy the game, and please read through the advertisements in this book and support our sponsors.

Let's Go Knights!

Wishing The North Penn Knights and Maidens A Great Season

from
The North Penn High School Booster Club

The Booster Club is the parent organization that supports ALL of the sports teams at North Penn High School.
We raise the funds to purchase Trophies, Championship T-shirts, Senior Academic Awards and special requests from the Athletic Director.
We organize the Awards Dessert Banquets at the end of the Fall, Winter, and Spring sports seasons.
We need your help to continue each of these activities.

We encourage parents from all of our sports teams to come out to the meetings on the first Monday of each month in Room H-4 at 7:30.
Whether your child plays in the fall, winter, or spring, please plan to attend the Booster Club meetings.

We need parents from all our teams

North Penn Community Forum

first in a series

Willard Daggett, Ed.D.
"Community & Education: Embracing the Future"

Monday, November 15
North Penn High School
1340 Valley Forge Road, Lansdale

Come hear what it takes to move very good schools to be **Nationally Renowned Schools**! Based on Dr. Willard Daggett's research identifying 30 model high schools throughout the nation, "Community Education: Embracing the Future" is the first in a series of community forums being planned by a 24-member committee that includes representatives from North Penn School District, Christopher Dock and Lansdale Catholic high schools, members of the faith and human service communities, business people, parents, students and North Penn residents who care about our students' futures.

The goal of North Penn Community Forums is to establish and strengthen relationships within the community to promote and enhance life-long learning and to provide the highest quality education for ALL students. Beginning with the November presentation, the community at large will be invited to a series of forums, seminars and discussions designed to address educational, local and national challenges.

Willard Daggett, Ed.D. is the first speaker in the planned series of community forums. Dr. Daggett is president of the International Center for Leadership in Education. He is known for his enlightening, entertaining and motivating messages that have helped listeners to look at education differently by challenging their assumptions about the purposes, benefits and effectiveness of American schools. Dr. Daggett inspires his audiences both to embrace what is best about our education system and to make the changes necessary to meet the needs of all students in the 21st century.

For more information, please contact Christine Liberaski, coordinator of school/community services at 215-368-0400, ext. 208.
