THE SUPERINTENDENT WELCOMES YOU

To all of our parents, loyal fans, students, and visitors I would like to extend a sincere welcome on behalf of the Neshaminy School District to the 1998 Redskins Fall Sports Program. Another exciting football season is upon us as we continue to celebrate Neshaminy's proud tradition of outstanding, interscholastic programs.

We at Neshaminy are committed to the ideal that school activities are an integral part of the total education of each student. They promote academic achievement, equal access to opportunity, cultural understanding, opportunities to build self esteem, and a place where individuals can learn and grow from their victories as well as their defeats.

I would like to extend my personal thanks to Head Coach Schmidt and his staff, advisors, administrators, teachers, and, of course, the parents who help to prepare our athletes, all of whom have dedicated countless hours and energy to help build our successful and highly respected football program. Our fans are entertained each game by Neshaminy's award winning marching band under the direction of Mr. Mike Lipton. Congratulations and a big thank you to all members of our marching band for sharing their talents and time with all of us. Lastly, I would like to recognize our talented and energetic cheerleaders and cheerleading coach Mrs. Donna Ferro for adding enthusiasm and spirit to our games.

Special thanks and recognition to our hard working parent groups: the "N" Club under the leadership of Booster Club President Mr. Charles Tichenor; the cheerleaders under the leadership of Booster Club President Mrs. Carolyn Crawford; the instrumental music members under the leadership of Booster Club President Mrs. Pat Mervine and; parents of our cheerleaders. Their tireless efforts and tremendous support will leave indelible marks on the athletic and academic achievements of our students.

As Superintendent of Schools, it is my privilege to recognize and applaud our students and athletes who have made the commitment to do their personal best on and off the field, especially in the classroom. The combined efforts of our players, our outstanding marching band, our enthusiastic cheerleaders, and Neshaminy's loyal parents and fans complete the icon of Neshaminy athletics, a sports program of which we can truly be proud.

Time will never dim the glory of the Neshaminy Redskins!

Gary L. Bowman, Ed. D
Superintendent of Schools

DEAR NESHAMINY FOOTBALL FANS,

It is hard to believe that one successful football season has passed and the beginning of a new unknown football season is now upon us. Neshaminy fans have always made Friday night and Saturday afternoon plans around Neshaminy football. Fans enjoy the intensity and athleticism of the players; the coaching strategies being tested; the large attendance our home games draw; the wonderful music and precision our marching band and color guard produces and the enthusiasm and spirit displayed by our cheerleaders. There just isn't much that compares to Neshaminy football.

Our football coaching staff, headed by Mr. Mark Schmidt, is devoted to developing outstanding student athletes and winning football seasons. Mr. Schmidt's coaching philosophy never wavers through good or difficult times. He believes in and insists upon academic excellence, pride in program, teamwork, leadership, strong work ethic and sportsmanship as the building blocks of dedicated athletes and committed staff.

Neshaminy players have learned that the football season does not end with the awards banquet. There is a short break to enjoy the banquet, with the weight-lifting season beginning the following Monday. Our players continually demonstrate on the field that the weight-lifting program makes or breaks the players and the team during the playing season.

Best wishes to Mr. Michael Lipton, Director of the Neshaminy High School Marching Band and Color Guard, and his outstanding student performers. The entire marching band organization has put in many hours of preparation and practice for your performance season. Neshaminy fans are always impressed with your precision marching and outstanding music.

Neshaminy cheerleaders will be as enthusiastic and energized as ever. Everyone appreciates your dedication to the sports programs at Neshaminy. Plan on having lots of souvenir footballs to throw high up into the stands all season long.

Thank you to all the N-Club and Marching Band officer/parents and all parents who support their children at home and at school. Your efforts are certainly recognized and appreciated by the entire Neshaminy community.

Thank you to the Neshaminy community for being with us at the sporting event. Your time investment with us is appreciated.

Sincerely yours,

Bruce M. Wyatt, Principal
Neshaminy High School

Welcome from
Sheila Murphy
Athletic Director

Welcome to Harry E. Franks Stadium, home of the Neshaminy Redskins Football Team. Throughout the years, "Heartbreak Ridge" has seen many exciting autumns and this season should add to our tradition of outstanding football.

Since mid-August, Coach Schmidt and his staff have been preparing this year's squad. They will endeavor to continue the winning record of the past two seasons.

This season we have an ambitious home schedule which begins with the Council Rock "Indians". This will also be the night we induct seven new members into the Football Hall of Fame. In the following weeks the team will face Norristown, Truman, Abington, North Penn and the Pennsbury "Falcons". The game with Truman will also be Homecoming Day.

Our football team is supported by the excellent Neshaminy Marching Band directed by Michael Lipton. Our superb cheerleading squad is directed by Donna Ferro. Each of these groups will provide you with the thrills and excitement of another Suburban One League football season.

We hope you enjoy tonight's game. Thank you for your interest and continued support of Neshaminy High School's Co-Curricular program.

Dear Redskin Football Fans,

Welcome to the 1998 Neshaminy Redskin football season. Last year, our goal was to step up and be recognized as a force to be reckoned with in this league. If you were on "Heartbreak Ridge" for any of our seven victories, you can surely attest to the achievement of that goal. However, with a winning season comes greater expectations for the future. And with greater expectations comes the need for harder work.

Our work for this season began in November, just one week after completion of the 1997 season. Since then, we've continued to build on our game plan for a bigger and better future. Now that we've gotten the attention of our competitors, we can't let up. We'll continue on our path to restoring the great Neshaminy football tradition in a conference that is viewed by many as one of the strongest in the state.

There is not doubt that lining up against our fellow Suburban One "Power Ten" opponents each week will provide great challenges and exciting battles for our players and fans.

Over the past three years, my staff and I have come to appreciate the tradition and the resources Neshaminy has to offer. We've been shown tremendous support by the members of the Neshaminy School Board, Superintendent Dr. Gary Bowman, Principal Bruce Wyatt and Athletic Director Sheila Murphy, just to name a few. Additionally, the "N" Club has been unwavering in its dedication and generosity.

Look for each member of our team to strive for excellence on the field, in the classroom, and in the community.

It is our goal for the future that the stature of this football program will encourage young boys in the community to realize their dream, and to one day run down the hill--as our team did today--to a packed house at "Heartbreak Ridge."

Thank you all for your continued support. Enjoy the season.

Welcome from
Coach Schmidt
Head Football Coach

The REDSKIN 11 TRADITION is a series of tests and criteria conducted in August prior to football camp. These tests include the power clean, bench press, and parallel back squat. The Schwartz formula, a system of equally measuring big and small athletes used in international olympic competition, is used to determine the best lifter. A coefficient is given to each athlete according to their body weight. The heavier the athlete, the lower the coefficient. The lighter the athlete, the higher the coefficient. This coefficient is multiplied by the total amount of weight lifted in the 3 exercises.
