THE SUPERINTENDENT WELCOMES YOU

To all of our parents, loyal fans, students, and visitors I would like to extend a sincere welcome to the Neshaminy School District and the 1997 Redskins Fall Sports Program. Another exciting football season is upon us as we continue to celebrate Neshaminy's rich tradition of outstanding, interscholastic programs.

We at Neshaminy are committed to the ideal that interscholastic activities are an integral part of the total education of each student. They provide academic achievement, equal access to opportunity, cultural understanding, opportunities to promote self esteem, and a place where individuals can learn life skills from their victories as well as their defeats.

It takes time and effort for many individuals to arrive at this point and I would like to extend my personal thanks to Coach Schmidt and his staff, advisors, administrators, teachers, and, of course, the parents who all worked so hard to prepare our athletes, our band members, and our cheerleaders for this exciting fall sports season. As Superintendent of Schools, it is my privilege to recognize and applaud all students who have made the commitment to do their personal best on and off the field, especially in the classroom.

The combined efforts of our teams, our outstanding marching band, our enthusiastic cheerleaders, and Neshaminy's loyal fans complete the mosaic of Neshaminy athletics, a sports program of which we can truly be proud.

Special thanks to our hard working Booster Clubs, the "N" Club, Band Boosters, and parents of cheerleaders for your tireless efforts and tremendous support that will leave an indelible mark on the athletic and academic achievements of our students. Best of luck to all teams for a great year.

Time will never dim the glory of the Neshaminy Redskins!

Gary L. Bowman, Ed. D
Superintendent of Schools

Dear Neshaminy Football Fans,

Welcome to Neshaminy High School and the very beautiful Harry E. Franks Stadium. One glance at our Football Hall of Fame just inside the home side entrance gives everyone an idea of the tradition and pride that helps to form the basis of our Co-Curricular Athletic Program at NHS. Many exciting events such as Football, Soccer, Track and Field, Powder Puff, Kaleidoscope of Bands, and Graduation are held in the stadium. "Heartbreak Ridge" has been used many times to describe the exciting football games our teams have provided over the years. This year will be no exception as we are committed to excellence in all we do.

Coach Schmidt, his staff, and team had a very successful season last year. Coach Schmidt's philosophy of commitment to academic excellence, pride in program, teamwork, leadership, strong work ethic, and sportsmanship has taken root.

Everyone is excited with high expectations for this season. Our young men, who have lived the philosophy outlined above everyday of their lives since last year's banquet will put it to the test and give it their very best every week. Thank you for your efforts in school and on the field.

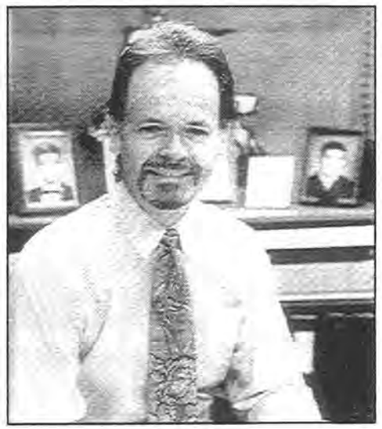
Best wishes to Mr. Lipton, his staff, and the outstanding Neshaminy High School Marching Band and Color Guard. We look forward to your outstanding precision marching and beautiful music. Your hard work is displayed each week. Thank you for your efforts in school and on the field.

Our cheerleaders keep everyone excited and involved during the games. Throw those souvenir footballs high into the stands when our team scores. We always appreciate your efforts and we congratulate and thank you for your efforts in school and on the field.

N-Club Boosters, moms and dads, and community supporters - what can be said except **THANK YOU!** So much of what takes place behind the scenes does so because of your efforts and support. Continue to support Neshaminy High School, your children, and public education. It is the very best investment we can make.

Sincerely yours,

Bruce M. Wyatt, Principal
Neshaminy High School



Welcome from
Sheila Murphy
Athletic Director

Welcome to Harry E. Franks Stadium, home of the Neshaminy Redskins Football Team. If you were one of our fans last year, you know the excitement which was generated by our team. In five games they came from behind to win. Coach Schmidt an his staff have been preparing this year's team since August 1. They will be trying to create the same enthusiasm and success as last season.

This season we will be offering five home games. The season opens with Allentown-Dieruff High School The following week, the team faces C.B. East as the S.O.L. season begins. Bensalem will be the opponent for Hall of Fame Night. Homecoming is scheduled for Saturday, September 27 against perennial power, C.B. West In the last home game the Redskins will have the "Ghosts" of Abington as their opponent.

Our football team is supported by the excellent Neshaminy Marching Band under the direction of Michael Lipton and the cheerleading squad coached by Donna Ferro. Each of these groups will provide you with the thrills and excitement of another Suburban One League football season.

We hope you enjoy tonight's game. Thank you for your interest and continued support of Neshaminy High School and the Co-Curricular program.

Dear Redskin Football Fans,

Welcome to the 1997 Neshaminy Redskin football season. Last year, our goal was to step up and be recognized as a force to be reckoned with in this league. If you were on "Heartbreak Ridge" for any of our seven victories, you can surely attest to the achievement of that goal. However, with a winning season comes greater expectations for the future. And with greater expectations comes the need for harder work.

Our work for this season began in November, just one week after completion of the 1996 season. Since then, we've continued to build on our game plan for a bigger and better future. Now that we've gotten the attention of our competitors, we can't let up. We'll continue on our path to restoring the great Neshaminy football tradition in a conference that is viewed by many as one of the strongest in the state.

There is no doubt that lining up against our fellow Suburban One "Power Ten" opponents each week will provide great challenges and exciting battles for our players and fans.

Over the past two years, my staff and I have come to appreciate the tradition and the resources Neshaminy has to offer. We've been shown tremendous support by the members of the Neshaminy School Board, Superintendent Dr. Gary Bowman, Principal Bruce Wyatt and Athletic Director Sheila Murphy, just to name a few. Additionally, the "N" Club has been unwavering in its dedication and generosity.

Look for each member of our team to strive for excellence on the field, in the classroom, and in the community.

It is our goal for the future that the stature of this football program will encourage young boys in the community to realize their dream, and to one day run down the hill--as our team did today--to a packed house at "Heartbreak Ridge."

Thank you all for your continued support. Enjoy the season.

Welcome from

The REDSKIN 11 TRADITION is a series of tests and criteria conducted in August prior to football camp. These tests include the power clean, bench press, and parallel back squat. THe Schwartz formula, a system of equally measuring big and small athletes used in international olympic completition, is used to determine the best lifter. A coefficient is given to each athlete according to their body weight. The heavier the athlete, the lower the coefficient. The lighter the athlete, the higher the coefficient. This coefficient is multiplied by the total amount of weight lifted in the 3 exercises.

NESHAMINY HIGH SCHOOL MARCHING BAND

We are proud to present the 1997 - 98 Neshaminy High School Redskin Marching Band. This year the ensemble totals 170 members with 137 musicians and 33 color guard. The band is under the directions of Mr. Michael Lipton. Our very talented and hardworking group of instructors and student leaders are:

Sr. Drum Major:	*Michael DiCocco*
Jr. Drum Major:	*Stacey Sottung*
Color Guard Captains:	*Barbarann Dry, Dawn MacAdams*
Marching and Maneuvering:	*Dave Heaney, Jason Throne*
Music:	*Roy Nelson, George Leigh*
Color Guard:	*Monica Hajdak*
Percussion:	*Dave Nelson*
Drill Design:	*Bob Everitt*

This fall the band will be attending marching band festivals at Boyertown, Marple Newtown, and William Tennent High Schools. The students and parents are also excited about hosting our own 5th Annual Kaleidoscope of Bands Marching Band Festival on Saturday, October 25 at 7:00 PM.

Our 1997 program in a variety of jazz styles. The show opens with the familiar sounds of George Gerschwins Summertime. This is followed by the classic contemporary jazz classic Spain by Chick Corea. Next we jump back to the big band era to feature our talented percussion section in the Benny Goodman classic Sing, Sing, Sing. The show concludes with the swinging sounds of Georgia On My Mind. Please sit back and enjoy the show.
