**WELCOME TO NESHAMINY.** Neshaminy Senior High School is situated on a 212-acre campus, believed to be the largest high school campus in the United States.

**As The Whistle Blows**

our REDSKINS of Neshaminy Senior High School and of the Lower Bucks County League stack up against the Red Rovers of Easton High School, unbeaten and unscored upon so far in 1959.

In fact, our new friends from up Lehigh Valley way have not lost a game since their 1957 loss to Allentown. In the 1958 season, the Red Rovers scored 335 points in winning its nine games without a loss.

So far this year the Easton boys have scored 86 points while blanking Reading 26-0, Pottsville 39-0, and the new Allentown school, Dieruff 21-0.

Easton, ranked one of the top football machines in the state last year, will be running from the "T" formation and will, no doubt, give us a look at a lonesome end.

Easton fans know at least one item about our REDSKINS--we beat Allentown, A Red Rover rival, 18-0 last year. So to fully enlighten our upstate friends about our team, here is some information they would be interested in tonight.

Neshaminy has won or tied for the Lower Bucks County League championship from 1952 to 1958. During that time, our teams have won 63 games, lost 9, and played 2 tie games.

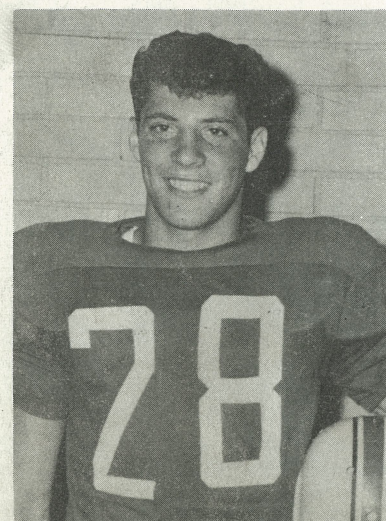

The REDSKINS, too, have produced fine scoring machines and this year is no exception. Scoring 137 points in its first four wins, the powerful single wing offense of Neshaminy has very seldom been blanked in the past 8 years.

The REDSKINS can also boast a good defensive record over the years and will be eager to give its hungry SAVAGES their first real test of 1959.

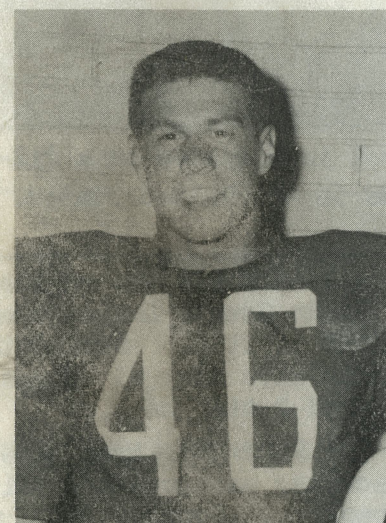

So here is the story. The Easton RED ROVERS are a scoring machine. The offensive eleven of Neshaminy can grind its way through most anything. Can our SAVAGES curtail the Red Rovers or will the Neshaminy Lightning appear in Langhorne again--but this time in the uniforms of the Easton Red Rovers.

We'll all find out.....

### A Message from our Principal

Neshaminy Senior High School is grateful to the patrons of our athletic contests. Over the past several years the income from admissions at football and basketball games have helped provide many wholesome activities for the students of Neshaminy High School. Supplemented by an appropriation from the Neshaminy Joint Board, these funds provide for the operation of fourteen varsity sports for boys and girls. More significantly, because more students are included, an extensive intra-mural program has been added to the life of our school.

Both the intra-mural and varsity athletic programs are important functions of a complete educational program. The desirable physical and social growth of young people is promoted through well supervised athletic activities. For having helped in making these athletic activities possible, Neshaminy is grateful to the parents and friends who have given their loyal support over the years.

Mr. John A. Stoops, Principal  
Neshaminy Senior High School
