PENNSBURY SCHOOL DISTRICT

WELCOME TO PENNSBURY!

November 18, 1972

A most sincere welcome from the Pennsbury community is extended to all our friends, and especially to our guests from Neshaminy.

This final game of the 1972 season is an integral part of the 25th Anniversary celebration of the Pennsbury School District. How dramatic an event this rivalry between two neighbors - Pennsbury and Neshaminy - as they collide, head to head, to determine the gridiron championship of the Big Eight and the Lower Bucks conferences.

We pay special tribute to all those who have made this game possible. Without the complete cooperation, willingness, and expertise of groups like the Board of Education, the administrative staff, the teachers, students, custodians and maintenance men, this activity could not have been scheduled for your enjoyment.

Congratulations on a job well done!

The excellence that again marks the athletic and musical prowess and the resulting sportsmanship of students from both Pennsbury and Neshaminy is a fitting commemorative event for our anniversary celebration.

Best wishes for an exciting and enjoyable afternoon.

William W. Ingraham
District Superintendent

Neshaminy 18, 1972

As has been the tradition, this game between Neshaminy and Pennsbury will decide several coveted titles. The winner of this "Superbowl of high schools" game will pick up two titles—the Big 8 Conference and the Lower Bucks Conference. It has also been speculated that the winner will be named the number one football team in the Delaware Valley.

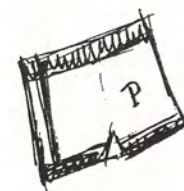

This has always been a game of healthy rivalry and goes back many years. The contest has always presented to the public the fact that school spirit, sportsmanship, and admirable behavior do exist among the young people of Lower Bucks County.

We would like to take this opportunity to thank publicly head coach Jack Swartz, his assistants, players, parents, and loyal supporters for another exemplary year in behalf of Neshaminy. We also congratulate the Pennsbury coaches, players, and supporters on their fine efforts.

We are certain that all in attendance will enjoy a spirited and hard fought contest.

J. E. Ferderbar
Acting Superintendent

SPORTS SHORTS

The Rose Bowl, Super Bowl and World Series are all events which offer the best in sports competition. Today's Homecoming celebration, which will be witnessed by the largest crowd in Pennsbury's history, will present Eastern Pennsylvania's counterpart to these events. The undefeated Falcons will play host to the once beaten Redskins of Neshaminy in one of the most dramatic meetings of this long and honored series.

The stakes for this contest will include the championships of the Lower Bucks County League and the prestigious Big Seven, a rating as one of the top teams in Pennsylvania, and the pride that comes with victory over a traditional rival.

The Falcons' ten game winning streak has produced astonishing statistics, including a 37 point and 287 yard per game mark for the season. Passing has come on strong late in the season, and the running game, as always, is at its best. The tough defensive squad, while shutting out four opponents and allowing no more than two TD's in any game, has demonstrated its unflinching determination to keep the Falcons on top.

The Redskins, in their last skirmish under the able leadership of Head Coach Jack Swartz, are sure to give an inspired performance. Bouncing back from an early season defeat at the hands of Bishop Egan, the Redskins have piled up victory after impressive victory to be ranked, in some circles, as the equal of the Falcons.

Today's battle should leave no doubt as to who deserves the title of Number One.

REFRESHMENT STANDS

In order to accommodate the large crowd in attendance today, a third refreshment stand facility has been erected. Fans can now purchase food and beverages under the bleachers on both home and visitor's sides of the stadium and outside the stadium near the field house. Refreshment tickets are necessary for making purchases, and it is suggested that patrons buy their tickets early to avoid the half-time rush. See centerfold for menu and prices.

REST ROOMS & TELEPHONES

For your information, telephone and rest room facilities are located in the field house on the Hood Boulevard side of the stadium.

The theme of today's annual Homecoming is Western Frontiers. The festivities will feature a gala parade of floats and will be highlighted by the crowning of the 1972 Homecoming Queen.

The floats, constructed by individuals and groups, will be judged for originality and artistic excellence and prizes will be awarded.

The five Homecoming Queen finalists, who were chosen from a field of 22 nominees are: Sue Ciotti, Shelly Durben, Lorelee Mero, Lynn Petrangeli, and Lainie Schaeffer.

ABOUT THE FALCON MARCHING BAND

The Marching Falcons of Pennsbury High School have performed to the enthusiastic delight of fans at home and away games throughout the football season. Under the directorship of Mr. Gene Polaski, assisted by Mr. Harry S. Jones, Jr. and Mr. Robert T. Smallwood, the 245 member contingent executes precision skills while attaining a high level of excellence in musical sound.

It is not only local fans who have enjoyed this fine entertainment. The Band was featured as a part of the half-time activities in the Philadelphia Eagles-Pittsburgh Steelers NFL game last season. The previous year, the Marching Falcons were viewed on nationwide television as they performed during the Baltimore Colts-Oakland Raiders American Football conference Playoff game. Off the gridiron turf, the Falcons have performed at the inauguration of Governor Milton Shapp and at the dedication ceremony of Interstate Route 95.

The next two pages feature photographs which illustrate the intricacy and precision with which the Band executes its formations. On the field, you will hear the quality of sound that has made the Marching Falcons of Pennsbury a tradition.
