# William Tennent High School

333 CENTENNIAL ROAD WARMINSTER, PA 18974

September 1989

Dear Fans of Panther Football:

I am very proud to present to you the 1989 William Tennent Panther Football team, the pride of our school, and to welcome you, our fans, to another season.

It is a distinct pleasure to introduce to you our head coach, Bill Saybolt, and his staff for their inaugural season at William Tennent. Bill brings to our program a wealth of experience working with high school athletes, and I know that he will provide you with what you have come to expect from William Tennent football - - good, clean, exciting competition.

I want to thank each of you who has supported our team over the years. By your faithful attendance at our games, you are showing your support for the young men who work so hard to be "the best they can be" and for our school. For that, we are deeply grateful.

And, I want to thank the parents of the boosters organization who spend hundreds of hours behind the scenes supporting our team. Their work is extremely important for the success of our program, and we are very thankful for all they do.

Enjoy the game!

Sincerely,

*Kenneth D. Kastle*

## \$25,200. MONEY FOR COLLEGE.

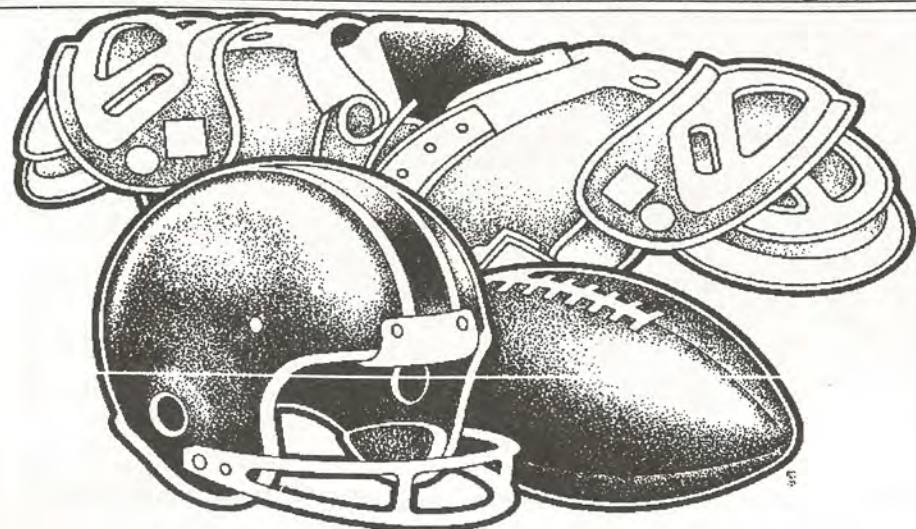

The Army can help you earn up to \$25,200 for college with the Montgomery GI Bill Plus the Army College Fund.

And there's another way we can help you succeed in college—by offering you learning experiences that will help you develop the self-confidence and discipline so important to achieving college goals.

Here's how we help you earn money for college. You, as a soldier, contribute \$100 a month from your first full twelve months' paychecks (for a total of \$1,200). Then the government and the Army contribute the rest (up to \$9,600 from the government and up to \$14,400 from the Army).

We can help you get the money and develop the characteristics that will help you achieve success once you enroll. For more information, call your local Army Recruiter.
