MARINES

Courage.

It runs deep in a few good men.

Courage is a rare quality. You won't find it in every man. It takes a certain type of individual...one who will stand up to impossible odds, because to him nothing is impossible. It takes a Marine.

So before you read any further, take a close look at the Marine in this ad and think about what we've just said. If this sounds like you and you'd like to find out more about what it takes to become one of us, call toll-free 1-800-MARINES...

that is, if you can face the odds.

Marines

The Few. The Proud. The Marines.
