High School

Football Banquet

June 5, 1997

SOUTH

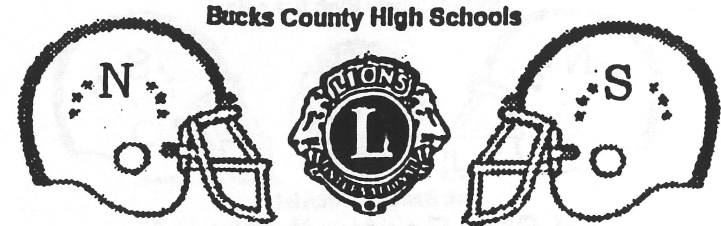

There are 1,417,000 Lions throughout the world dedicated toward helping those less fortunate and maintain a better quality of life by giving aid to those with vision and hearing problems, supporting programs to prevent diabetes, drugs and alcohol abuse, and local community projects.

In Bucks County over 1,000 Lions have in the past twenty one years joined together to sponsor the annual HIGH SCHOOL ALL STAR FOOTBALL GAME. The game between the best (senior class) football players from the North and South parts of Bucks County. This event which allows exposure of football players as young adults, while allowing the Lions to raise funds for their charity work.

All the Lions Clubs in Bucks County salute the players, their parents, the schools and their administrators, coaches and staff volunteers, cheerleaders, and the business community for their most generous financial support.

Thank you,  
Lion Frank Kolanko  
Game Chairman
