WELCOME FROM COACH SCHMIDT

HEAD FOOTBALL COACH

Welcome to the 2005 season of Redskin football on Heartbreak Ridge. Playing on this field is a big pay off for our young men who have spent the last nine months working extremely hard to exemplify the high standards of Neshaminy Football.

As always, the most important issue we stress is teamwork and self-sacrifice. Putting the team before you requires a special type of young man, and we feel we have that quality on this year's team. Once again, as a football staff we have to give recognition to our administration for making football at Neshaminy a truly great experience.

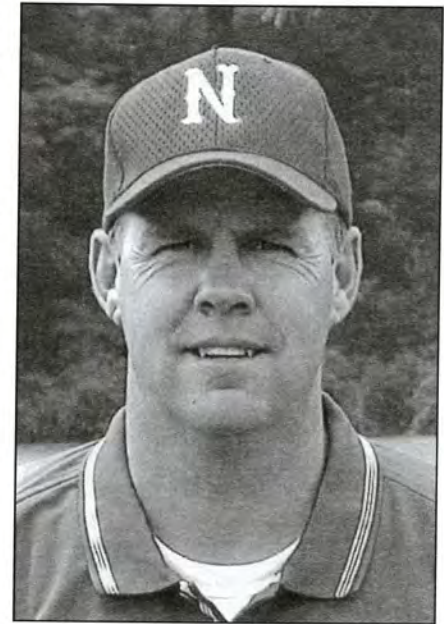

This season, once again, looks to be very exciting with five home games on the schedule. The realignment of the Suburban One League has brought back some old rivalries and has also allowed us to maintain longstanding and traditional clashes. The leadership on our team is of the utmost importance for the success of our season.

With Principal Menio's collaboration with Athletic Director Sheila Murphy and Superintendent Howard Wilson will make our coaching jobs both productive and enjoyable. Both Ms. Murphy and Mr. Menio work very hard to maintain the high standards and tradition that is present at Neshaminy.

Continuing in the spirit of teamwork, I'd also like to recognize our "N" Club. This booster club has set a standard as an organization second to none. Our President, Kim Smith, has spearheaded a group whose hard work and diligence continue to make our players and coaches feel very special and proud.

Once again, our team has set the bar very high in terms of its own expectations. Our standards not only cover the field, but also the classroom, the hallways, and the community. We consider it a privilege and an honor to put on our Red and Blue and walk down that ramp on Friday night. It is our ultimate goal to earn the support and respect of our fans and classmates, and I know this year will be no exception.

On behalf of the Redskin Football Family, please enjoy the season, and thank you for your support.

Yours in Football,

Coach Mark E. Schmidt

WELCOME MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS

I would like to give all of our students, parents, visitors, players and guests a warm welcome to Neshaminy High School—home of the Redskins. We have an outstanding football tradition at Neshaminy and that trend is expected to continue under the excellent leadership provided by Mark Schmidt and the best staff of assistants in District One.

This tradition could not continue without the support from our entire community, and especially, our parents. Our district demands academic success and without the complete support of parents, administrators, faculty and staff—none of our goals would be achieved.

A “special” thank you goes out to our award winning band, dedicated cheerleaders and all of our booster organizations. Without these people, we would never experience the success we have

achieved.

Our “N” Club is to be commended for their year round efforts to support our football program and I encourage all to enjoy some of the wonderful “goodies” at our snack bar.

None of this would be possible without the outstanding support of our Board of School Directors. Their support of co-curricular programs is second to no other district.

Again, thanks to everyone!

GO REDSKINS!

P. Howard Wilson
Superintendent of Schools

ALEX MENIO
Principal

A Warm Welcome to All Fans Today,

Welcome to the 2005-06 season of Neshaminy Football. Building on last year's successes, this season will be action packed with excitement at every snap of the ball.

Neshaminy Pride is high, and as fans, we'll see the benefits of hard work and determination on the playing field today. Coach Mark Schmidt's preparation of the team, with the support of his assistant coaches, has been unparalleled. Through his leadership and enthusiasm, the team has been able to develop a single focus of purpose that will provide for an outstanding season and carry them the full distance.

A night at Harry E. Franks Stadium wouldn't be complete without the entertainment of the Neshaminy High School Marching Band, under the leadership of Mr. Mike Lipton, and the enthusiasm of the Cheerleaders, under the direction of Ms. Amy Keating. Their efforts add much to the pleasure of the atmosphere of the event and help create those special memories of the game.

It takes the efforts of many—boosters, parents, community members, coaches, students, and fans to make a successful season. The contributions you make to this evening are the ingredients to success. Thank you for your efforts.

Enjoy the evening.

Sincerely yours,
Alex Menio
Principal
Neshaminy High School

SHEILA MURPHY
Athletic Director

Welcome to Harry E. Franks Stadium, home of the Neshaminy Redskins Football Team. Throughout the years, "Heartbreak Ridge," has seen many exciting football games and this season should add to our tradition of outstanding football.

Since mid-August, our team has been preparing for this year's competition. Coach Schmidt and his staff have been teaching the skills necessary to win in the most competitive league in the state of Pennsylvania. We are very proud to have Coach Schmidt and his assistants represent Neshaminy High School. Not only do they prepare our young men mentally and physically for each competition, but they also stress the values of sportsmanship and the skills necessary to succeed in life after high school.

If you followed the success of last year's team you remember the thrills and the excitement that were generated. The Redskins won the Suburban One League National Conference Championship, the District One Championship and the Eastern Regional Championship to advance to the P.I.A.A. Championship in Hershey. On several occasions the team displayed a never die attitude as they came from behind to win.

This year the team faces another year of many challenges. The first home game pits Neshaminy against perennial state power, Saint Joseph's Prep, on September 2. The following week, Neshaminy hosts Archbishop Ryan. Circle your calendars for Saturday, October 22. It is Homecoming at Neshaminy and we host North Penn High School.

Our football team is supported by the excellent Neshaminy Marching Band under the direction of Michael Lipton. Our superb cheerleading squad is coached by Amy Keating and Mary Hart. Each of these groups will provide you with the excitement of another S.O.L. football season.

We also wish to thank the parents who are involved with the Neshaminy "N" Club Football Boosters. One of their fund raising activities is the operation of our concession stand. We hope you patronize this area at half time and at other times during the game. Mrs. Kim Smith is this year's president and we would like to thank her for the leadership of this group.

We hope you enjoy tonight's game. Thank you for your support and continued interest in Neshaminy High School's Co-Curricular Program.

Sheila Murphy, Athletic Director

 And GO SKINS!!!**

From Richard and Cyndi Winters

Calvary Baptist Church

Jesus established the church to be a community of believers, a family, to encourage each other in unity and to project His love to the world. As a family, our goal is to love each other without conditions or expectations. We confess that we are unable, on our own, to practice the unconditional love demonstrated by our Father, but we pray and desire that He empowers us to demonstrate His love to you and those around us.

The Middletown Police Benevolent Association represents the Police Officers, Detectives and Sergeants of the Middletown Township Police Department. Through our member's contributions, community support and fund raising activities we support our members in time of need, community members in the time of distress, support and actively participate in community activities.

The Middletown PBA is proud to support the team, players & parents involved in youth sports and the 2005 Neshaminy High School Football Program. Parents actively involved and supporting their children's activities are critical to the ultimate life long success of their children.

Parents involved with their children's sports are more likely to know their children's friends, friend's families, what is going on in their child's life and social activities. Involvement is the key to minimizing the challenges of your child's critical development years and assuring a successful path to adulthood.

Organized sports is a great way to be involved in a mutually enjoyable activity for your children and family. The 2005 Neshaminy High School Football Program is a great example of parents involved with their children and we, the members of the Middletown PBA applaud and support it!

We look forward to a great 2005 season, best of luck Anthony Leonhauser and the rest of the Redskins.

**NESHAMINY HIGH SCHOOL MARCHING BAND
2005-06**

We are proud to present the 2005-2006 Neshaminy High School Redskin Marching Band. This year the band is comprised of 114 members, which includes 98 musicians and 16 color guard. The band is directed on the field by Drum Majors Christie Gill and Amanda Boccuti and Color Guard Captain Kirstin Schrier. The band director is Michael Lipton. Band staff includes Dave Heaney, Kristin Cloak, Jeremiah Paton, Shannon Stubbs, Amber Woolley, Gregg Mervine and Jason Leigh. Drill design is by Joe Shonis.

The Marching Band will be kept busy this fall with performances at all Redskin football games as well as participating in Marching Band Shows at Boyertown, Marple Newtown, William Tennent and Pennsbury High Schools. We will host our own 13th Annual Kaleidoscope of Bands Show on Saturday, October 29, 2005.

Our 2005 production is entitled "Made In America". The show repertoire will feature music by American composers in a variety of styles and genres. The show will open with the exciting sounds of "Caravan" by Duke Ellington. Next the band will present a swinging arrangement of "Georgia On My Mind" composed by Hoagy Carmichael and made famous by Ray Charles. The third segment features the drum line and pit in an arrangement of Aaron Copland's "Hoe Down". The show concludes with the familiar sounds of John Philip Sousa's "Stars and Stripes Forever".

You don't have to play football to sublunate your spine.

Your spine constantly encounters physical, chemical, and emotional stresses that might result in a misalignment that interferes with your nerve system and makes you less than you should be (i.e., vertebral sublunate). It just makes sense to have your spine checked regularly.
