2011 REDSKINS
NESHAMINY FOOTBALL

WELCOME FROM COACH SCHMIDT
HEAD FOOTBALL COACH

Welcome to the 2011 season of Redskin football on Heartbreak Ridge. Playing on this field is a big pay off for our young men who have spent the last nine months working extremely hard to exemplify the high standards of Neshaminy Football.

As always, the most important issue we stress is teamwork and self-sacrifice. Putting the team before you requires a special type of young man, and we feel we have that quality on this year's team. Once again, as a football staff we have to give recognition to our administration for making football at Neshaminy a truly great experience.

This season, once again, looks to be very exciting with four home games on the schedule. The realignment of the Suburban One League has brought back some old rivalries and has also allowed us to maintain longstanding and traditional clashes. The leadership on our team is of the utmost importance for the success of our season.

Principal McGee's collaboration with Athletic Director Thomas Magdelinskas and Superintendent Louis Muenker will make our coaching jobs both productive and enjoyable. Both Mr. Magdelinskas and Dr. McGee work very hard to maintain the high standards and tradition that is present at Neshaminy.

Continuing in the spirit of teamwork, I'd also like to recognize our "N" Club. This booster club has set a standard as an organization second to none. Our President, Paul DiDonato, has spearheaded a group whose hard work and diligence continue to make our players and coaches feel very special and proud.

Once again, our team has set the bar very high in terms of its own expectations. Our standards not only cover the field, but also the classroom, the hallways, and the community. We consider it a privilege and an honor to put on our Red and Blue and walk down that ramp on Friday night. It is our ultimate goal to earn the support and respect of our fans and classmates, and I know this year will be no exception.

On behalf of the Redskin Football Family, please enjoy the season, and thank you for your support.

Yours in Football,

Coach Mark E. Schmidt

WELCOME MESSAGE
FROM THE SUPERINTENDENT OF SCHOOLS

Welcome to the 2011 Football Season at Neshaminy High School —Home of the Redskins. We have an outstanding and rich history here at Neshaminy and we are proud of our accomplishments.

We are indeed fortunate to have an excellent program led by Head Coach Mark Schmidt along with a dedicated staff. In addition, our District is very fortunate to have the support of parents, administrators, faculty and staff who contribute to the success of the program.

It is important to note “special” thanks go out to our award winning band, dedicated cheerleaders and all of our booster organizations.

Our “N” Club continues to provide year round support for our football program. In turn, please support their efforts by visiting the concession standards in the stadium.

None of this would be possible without the outstanding support of our Board of School Directors and the entire community.

Again, thanks to everyone and best wishes to our team for a successful season.

See you on the sidelines! **GO REDSKINS!**

Louis T. Muenker, D.Ed.
Superintendent of Schools

“And here come the Redskins!!”

A call heard for decades as the Neshaminy Redskins take the field. This simple phrase is just one of many icons that mark the pride and longstanding tradition surrounding Neshaminy High School, our football program, and the community.

I am honored to be able to welcome you to Harry Franks Stadium and the 2011 Neshaminy High School Football Season. While the NHS campus has changed significantly in past years, the Friday Night Lights of Harry Franks Stadium remain as a reminder of the tradition and legacy of the Neshaminy Redskins. What has not changed is the collaborative efforts of hundreds in sustaining those traditions. The clanking of weights; the practicing of cheers; the sound of drums has been heard for months as students, coaches, directors, and parents demonstrate their collective commitment to excellence in preparation for the fall sports season.

To the Students on the Football Team, on the Cheerleading Squad, and in the Redskin Band:
You are part of a select group of students who get to wear the “Skins” logo. You earned this honor by demonstrating not only excellence on the field; but you also carry the pride, character and commitment embodied in the “Skins” logo beyond the playing field into the classroom and hallways of NHS. These qualities will take you far. Cherish these moments and thank you for leading our high school by example.

To Mr. Magdelinskas, Coach Schmidt, Director Lipton, Coach Hart and their staffs:
Year after year, you provide our students, their families, and community with a program second to none. Sustainability is your legacy. While you may get a few hours in the lights, most of your work is done in the shadows. Please know, your individual, daily efforts – though largely unnoticed – are greatly appreciated as they contribute significantly to something much larger than each of us.

To the “N” Club, Cheer Boosters, and the Redskin Band Boosters:
It is clear that a School cannot do it alone. Your extraordinary efforts, in support of our students and our high school, provide immeasurable value to the Neshaminy High School student experience. A simple “Thank you” doesn’t seem to suffice; but that is all you ask from us.

To the Redskin Fans:
For some, tonight is your first game. Some of you have been coming to Heartbreak Ridge for years; some for decades. You come whether we win or lose; you come rain or shine. Maybe because you’re a parent of a student; or maybe you wore the “Skins” logo somewhere in your past; or maybe you simply bleed Blue and Red. Thank you for supporting our students and co-curricular programs at NHS. And please, “Everybody do the Redskin Rumble!”

With Neshaminy Pride... “Go Skins!”

Rob McGee, Ph.D.
Principal
Neshaminy High School

NHS Athletic Director Tom Magdelinkas

Welcome back to a new school year and what is sure to be an exciting football season. Each week in the fall, the Neshaminy community reunites to cheer our football team. Former Redskins recall past glory while future Redskins look on as their heroes take on rival teams. In the stands friendships are rekindled under the Friday night lights. Coach Mary Hart's cheerleading squad performs acrobatic routines while they have established their own standard of excellence. The band, under the direction of Mike Lipton, provides a fantastic visual and musical experience. Our games truly bring out the best in our students and community.

I would like to extend my sincere gratitude to Head Coach Mark Schmidt and his staff. They have worked countless hours to ensure our team is prepared for the rigors of the newly realigned Suburban One league. Our players have committed countless hours of sacrifice and hard work to continue the Neshaminy football legacy. In addition to being great athletes, our students are held to high academic standards. The combination of academics and athletics help to prepare our students for the challenges that lie ahead.

Finally, my thanks to the Neshaminy "N" club for their tireless efforts in helping to establish our program as one of the best in the state. Whether it is the golf outing or concession stand, all of their work is first class.

I would also like to invite you to the many games and events that take place on our campus throughout the year. I look forward to seeing you.

Yours in Redskin Pride,

Thomas J. Magdelinkas, Athletic Director

The N Club is the football player parents' booster club. We are a volunteer organization providing year round support to the football team through fundraisers, football program/ads, Pride gear, and Snack Stand sales. Your patronage and participation helps us to continue providing the many extras that help our Redskin football program. Thank you for your support and enjoy the game!

 Advice to Underclassmen: To the sophomores, juniors and newest freshman on NHS cheer, Have fun and don't be afraid to be yourself – trust me – there's probably weirder people on the team! NHS cheer is one of the most fun and hardest working teams I have ever been on. You may not win all your competitions but who does? But what you do win is a great team and great coaches. Trudy Volinsky and Mary Hart are two of the best coaches of all time and no matter what you will always have them and your team to fall back on. Have fun and I wish you guys the best of luck. Love you guys forever! Go Skins!

 Advice to Underclassmen: Don't base any of your decisions off of friends or boy/girlfriends. Base it off of what you want because in the end you will regret your decision to not follow what you originally wanted but to fall to what everyone else wants.

Congrats Seniors!
