WELCOME MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS

Welcome to the 2013 Football Season at Neshaminy High School. As I write this message I have just come back from watching a practice conducted by Coach Schmidt and his able assistants. The anticipation that builds at the start of a season and the electric excitement of watching great kids make great efforts has to bring a smile to any superintendent's face.

I can remember opening day last year when I came to visit before my official start. The community support and pageantry that included the great award winning band, the champion cheerleaders and all of the many volunteers and boosters excited and charged for the season. Neshaminy spirit is not hard to catch.

The "N" club like all of our parent groups provide many hours of "sweat equity" and unselfish devotion so that our young athletes can have the most rewarding experience. Among the many volunteers is our Board of School directors who support our programs and champion our students. We thank them for all they do.

I look forward to seeing you all this season and – Go Redskins!

Robert L. Copeland

Superintendent of Schools

HERE COME OUR REDSKINS.....

.....A call heard for decades as the Neshaminy Redskins take the field. This simple phrase is just one of many icons that mark the pride and long standing tradition surrounding Neshaminy High School, our football program, and the community.

I am honored to be able to welcome you to Harry E. Franks Stadium and the 2013 Neshaminy High School Football Season. While much has changed at Neshaminy in the past few years, the Friday Night Lights of Harry Franks Stadium remain as a reminder of the tradition and legacy of the Neshaminy Redskins. What has not changed is the collaborative efforts of hundreds in sustaining those traditions. The clanking of weights; the practicing of cheers; the sound of drums has been heard for months as students, coaches, directors, and parents demonstrate their collective commitment to excellence in preparation for the fall sports season.

To the Students on the Football Team, on the Cheerleading Squad, and in the Redskin Band: You are part of a select group of students who get to wear the "Skins" logo. You earned this honor by demonstrating not only excellence on the field; but you also carry the pride, character and commitment embodied in the "Skins" logo beyond the playing field into the classroom and hallways of NHS. These qualities will take you far. Cherish these moments and thank you for leading our high school by example.

To Mr. Magdelinskas, Coach Schmidt, Director Lipton, Coach Hart and their staffs: Year after year, you provide our students, their families, and community with a program second to none. Sustainability is your legacy. While you may get a few hours in the lights, most of your work is done in the shadows. Please know, your individual, daily efforts – though largely unnoticed – are greatly appreciated as they contribute significantly to something much larger than each of us.

To the "N" Club, Cheer Boosters, and the Redskin Band Boosters: It is clear that a School cannot do it alone. Your extraordinary efforts, in support of our students and our high school, provide immeasurable value to the Neshaminy High School student experience. A simple "Thank you" doesn't seem to suffice; but that is all you ask from us.

To the Redskin Fans: For some, tonight is your first game. Some of you have been coming to Heartbreak Ridge for years; some for decades. You come whether we win or lose; you come rain or shine.
Maybe because you're a parent of a student; or maybe you wore the "Skins" logo somewhere in your past; or maybe you simply bleed Blue and Red. Thank you for supporting our students and co-curricular programs at NHS. And please, "Everybody do the Redskin Rumble!"

With Neshaminy Pride... "Go Skins!"

Rob McGee, Ph.D.
Principal
Neshaminy High School

THE REDSKINS

NHS ATHLETIC DIRECTOR TOM MAGDELINSKAS

Welcome back to a new school year and what is sure to an exciting football season. Each week in the fall, the Neshaminy Community reunites to cheer our Football team. Former Redskins recall past glory while future Redskins look on as their heroes take on rival teams. In the stands, friendships are rekindled under the Friday night lights. Coach Mary Hart's cheer team performs acrobatics routines while they have established their own standard of excellence. The band, under the direction of Mike Lipton, provides a fantastic visual and musical experience. Our games truly bring out the best in our students and community.

I would like to extend my sincere gratitude to Coach Mark Schmidt and his staff. They have worked countless hours to ensure out team is prepared for the rigors of the Suburban One League match ups. Our players have committed countless hours of sacrifice and hard work to continue the Neshaminy Football legacy. In addition to being great athletes, our students are held to high academic standards. The combination of academics and athletics help to prepare our students for the challenges that lie ahead.

Finally, my thanks to the Neshaminy "n" Club for their tireless efforts to establish or program as one of the best in the state. Whether it is the Golf Outing or the concession stand, all of your work is first class.

I would also like to invite you to the many games and events that take place on our campus throughout the year, I look forward to meeting you.

Yours in Neshaminy Pride,

Thomas J Magdelinskas, Athletic Director

2013 STAFF

HEAD COACH MARK SCHMIDT

Welcome from Coach Schmidt

Welcome to the 2013 Season of the Neshaminy football on Heartbreak Ridge. Playing on this field is a big pay off for our young men who have spent the last nine months working extremely hard to exemplify the high standards of Neshaminy Football.

As always, the most important issue we stress is teamwork and self-sacrifice. Putting the team before you requires a special type of young man, and we feel we have that quality on this year's team. Once again, as a Football staff we have to give recognition to our administration for making football at Neshaminy a truly great experience.

This season, once again, looks to be very exciting with five home games on the schedule. The realignment of the Suburban League has brought some old rivalries and has also allowed us to maintain long standing and traditional clashes. The leadership on our team is of the utmost importance to the success of our season.

Principal McGee's collaboration with Athletic Director Thomas Magdelinskas and Superintendant Robert Copeland will make our coaching jobs more productive and enjoyable. Both Mr. Magdelinskas and Dr. McGee work very hard to maintain the high standards and tradition that is present at Neshaminy.

Continuing in the spirit of teamwork, I'd also like to recognize our "N" Club. The Booster Club has set a standard as an organization second to none. We are fortunate to have a group whose hard work and diligence continue to make our players and coaches feel very special and proud.

Once again, our team has set the bar very high in terms of its own expectations. Our standards not only cover the field but the classroom, the hallways and the community, We consider it a privilege and an honor to put on the Red and Blue and walk down that ramp on Friday night. It is our ultimate goal to earn the support and respect of our fans and classmates, and I know this year will be no exception.

On behalf of the Redskin Football Family, please enjoy the season and thank you for your support,

Yours in Football,

Mark Schmidt

Ultimate Eagles Fan

Shaun Young was inducted into Pro Football's Ultimate Fan Association as part of the class of 2009. Shaun has been an Eagles season ticket holder since 1993. He has traveled to many away games including Arizona, New Orleans, Dallas, Seattle and several others. He plans on visiting every stadium at least once for a game.
Shaun's passion for his team even led him to attend a playoff game in 2002 with a burst appendix the day prior. If it's physically possible to be there... he will be there. He also shares much of his time giving back to his local communities. Participating in many cancer walks, MS walks, and various benefits, he also talks to kids about doing well in school.. staying away from alcohol & drugs, and to never be tempted by peer pressure.
