## Welcome From the Superintendent of Schools

Welcome to the 2014 Football Season at Neshaminy High School. The Neshaminy program is a *class act*, from the dedication and hard work of the student athletes to the “N” Club parents who give so much to the success of our program. I consider it an honor to be a part of such a long and storied tradition.

This year we welcome back home as Head Coach, Mr. Michael Fredrick, former NFL star but most importantly a product of the Neshaminy football program. With his leadership and the importance he places on the development of these fine young players both on and off the field we can be sure that the Neshaminy tradition of excellence continues.

From the warmth of opening day to the chill of play off season, fans near and far will keep an eye on this year’s team!

We wish them well, and thank all of you for being a part of our tradition.

**Go Redskins!**

# 2014 Neshaminy Skins A NEW ERA BEGINS

## HERE COMES OUR REDSKINS.....

.....A call heard for decades as the Neshaminy Redskins take the field. This simple phrase is just one of many icons that mark the pride and long standing tradition surrounding Neshaminy High School, our football program, and the community.

I am honored to be able to welcome you to Harry E. Franks Stadium and the 2014 Neshaminy High School Football Season. While much has changed at Neshaminy in the past few years, the Friday Night Lights of Harry Franks Stadium remain as a reminder of the tradition and legacy of the Neshaminy Redskins. What has not changed is the collaborative efforts of hundreds in sustaining those traditions. The clanking of weights; the practicing of cheers; the sound of drums has been heard for months as students, coaches, directors, and parents demonstrate their collective commitment to excellence in preparation for the fall sports season.

To the Students on the Football Team, on the Cheerleading Squad, and in the Redskin Band: You are part of a select group of students who get to wear the "Skins" logo. You earned this honor by demonstrating not only excellence on the field; but you also carry the pride, character and commitment embodied in the "Skins" logo beyond the playing field into the classroom and hallways of NHS. These qualities will take you far. Cherish these moments and thank you for leading our high school by example.

To Mr. Magdelinskas, Coach Frederick, Director Lipton, Coach Mazur and their staffs: Year after year, you provide our students, their families, and community with a program second to none. Sustainability is your legacy. While you may get a few hours in the lights, most of your work is done in the shadows. Please know, your individual, daily efforts – though largely unnoticed – are greatly appreciated as they contribute significantly to something much larger than each of us.

To the "N" Club, Cheer Boosters, and the Redskin Band Boosters: It is clear that a School cannot do it alone. Your extraordinary efforts, in support of our students and our high school, provide immeasurable value to the Neshaminy High School student experience. A simple "Thank you" doesn't seem to suffice; but that is all you ask from us.

To the Redskin Fans: For some, tonight is your first game. Some of you have been coming to Heartbreak Ridge for years; some for decades. You come whether we win or lose; you come rain or shine. Maybe because you're a parent of a student; or maybe you wore the "Skins" logo somewhere in your past; or maybe you simply bleed Blue and Red. Thank you for supporting our students and co-curricular programs at NHS. And please, *"Everybody do the Redskin Rumble!"*

With Neshaminy Pride... **"Go Skins!"**

**Rob McGee, Ph.D.**  
**Principal**  
**Neshaminy High School**

**NHS ATHLETIC DIRECTOR TOM MAGDELINSKAS**

Welcome back to a new school year and what is sure to be an exciting football season. Each week in the fall, the Neshaminy Community reunites to cheer our Football team. Former Redskins recall past glory while future Redskins look on as their heroes take on rival teams. In the stands, friendships are rekindled under the Friday night lights. Coach Michelle Mazur's cheer team performs acrobatics routines and they have established their own standard of excellence. The band, under the direction of Mike Lipton, provides a fantastic visual and musical experience. Our games truly bring out the best in our students and community.

I would like to extend my sincere gratitude to new Head Coach Mike Frederick and his staff. They have worked countless hours to ensure our team is prepared for the rigors of the Suburban One League match ups. Our players have committed countless hours of sacrifice and hard work to continue the Neshaminy Football legacy. In addition to being great athletes, our students are held to high academic standards. The combination of academics and athletics help to prepare our students for the challenges that lie ahead.

Finally, my thanks to the Neshaminy "N" Club for their tireless efforts to establish our program as one of the best in the state. Whether it is the Pride Stand, fund raising, player meals or the concession stand, all of your work is first class.

I would also like to invite you to the many games and events that take place on our campus throughout the year, I look forward to meeting you.

Yours in Neshaminy Pride,  
**Thomas J Magdelinkas, Athletic Director**

The "N" Club is the Football player parent Booster Club. We are a volunteer organization providing year round support to the Football team through fund raisers, Football Program book/ Ads, Pride Gear and Snack Stand sales. Your patronage and participation helps us to continue providing the many extras that help our Redskin Football program.

Congratulations and Best Wishes for a very successful 2014 Season to Coach Frederick, the entire Coaching Staff and all the Redskin Players.....*from your N Club.*

# 2014 Neshaminy Skins A NEW ERA BEGINS

## Welcome from Coach Frederick

To our players, fans, alumni, administration, and community supporters: Welcome to the 2014 Neshaminy Redskins Football season.

I am humbled to be the Head Football Coach of the Neshaminy Football Program. As a youngster growing up in PennDel, I spent Friday nights every fall in the shadow of the lights at Heartbreak Ridge, playing tackle football on the grassy hill from which our players enter this great stadium. Coach Bedesem was on the sideline back then, the legendary coach following in the footsteps of all-time great coaches Franks, Petercuskie, Cordelli, and Swartz to name a few. Soon to follow would be John Chaump and Mark Schmidt. To become a member of the Neshaminy coaching fraternity with those names is exciting and brings with it great responsibility. These coaches have helped develop their players into great husbands, fathers, sons, and teammates. So, thank you all for granting me my "Dream Job" and the chance to take on this extraordinary responsibility.

The administration has extended me the warmest of welcomes and offered me great support on and off the athletic field. They will be a vital part of our success. They are placing great faith in me as a first time head coach. I would like to specifically thank Superintendent Robert Copeland, Principal Rob McGee, Athletic Director Tom Magdelinskas, and the Neshaminy School Board for deciding that I am the right man for the job.

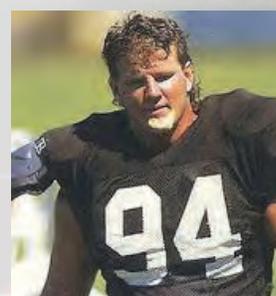

I would like to thank our assistant coaches for helping with the difficult transition to a new coach, keeping the off-season program running seamlessly, and for their dedication and love of Neshaminy Football. Many have taken on additional responsibilities, and this may be their most challenging coaching assignment to date replacing 18 graduated senior starters.

Thank you to the "N" Club. Your efforts enable our players a unique high school experience. Your fundraising and hands-on support provides special benefits to current team members that many programs are unable to give.

To Neshaminy alumni and former players, community supporters and countless fans, I thank you for your unwavering support. You are unsung heroes and the foundation of our team year after year. Not a single win is accomplished without your support of our players. The environment you create on game day impacts our play on the field. Heartbreak Ridge is a competitive advantage because of you.

Lastly, I would like to thank our players. Your countless hours of hard work continue to add up as this letter is being written. Coach Wilmot has pushed you to the brink during the off-season and you have responded without a complaint. You know what is expected and required to be successful in one of the best leagues in the country. It is now time for your reward, "to go obtain your place in Neshaminy Redskin History." You have all earned my love and respect.

Mike Frederick '87-'89

# 2014 Neshaminy Skins MARCHING BAND

## Neshaminy High School Marching Band 2014-2015

We are proud to present the 2014-15 Neshaminy High School Redskin Marching Band. This year the band is comprised of 149 members, which includes 133 musicians and 16 color guard. The band is directed on the field by Drum Majors Dan Aslanian and Christina Chen and Field Captain Drew Luniewski. The band director is Michael Lipton. Band staff includes Lisa Boccuti, Zack Travis, Andrew Nittoli, Nora Boccuti, Jeff Ormsby, Michael Pettis, Matt Snyder and Michael Allen. Drill design is by Jason Welsh and musical arrangements are by Zack Travis.

The Marching Band will be kept busy this fall with performances at all Redskin football games as well as participating in Marching Band Shows at Pennridge, Owen J. Roberts, Council Rock South, William Tennent and Conestoga High Schools. We will host our own 22nd Annual Kaleidoscope of Bands Show on Saturday, October 25, 2014.

Our 2014 show pays tribute to the famous Ironman Triathlon. The three components of this challenging race - swim, bike and run, are depicted as the show progresses. Part 1 – “Swim” begins with music from “The Tempest” by Tchaikowsky and transitions to music from “The Moldau” by Smetana. Part 2 – “Bike” is set to “Bicycle Race” made famous by Queen. The show culminates in Part 3 – “Run” featuring music by Ron Nelson from his “Sonoran Desert Holiday”. Please sit back and enjoy our presentation.

## THE BENEFITS OF A COLLEGE EDUCATION ARE PRICELESS

*A college education is among the most important milestones in a child's life. It is also one of the most expensive!*

### Does your family have a strategy to pay for the ever-growing costs of a college education?

Allied Financial Consultants works with families to identify and compare colleges based on a student's likelihood of admission, their eligibility for financial aid, and the family's ability to afford specific colleges and universities nationwide. Even if you have already started saving, we can help you with the best saving and payment strategies to maximize your resources.

We help parents discover:

- If their child will qualify for need-based financial aid at the selected colleges
- If their child is likely to get admitted to the selected colleges
- Ways to reduce the cost of college
- If they have the ability to implement tax-saving tactics
- How to use their resources to pay for college with the best possible strategy

The financial advisors at Allied Financial Consultants have access to an exclusive program that allows us to calculate expenses and estimate financial aid across a range of colleges and universities. With our resources, we are able to compare colleges side by side to evaluate what your actual cost will be. This is important as some colleges with high sticker prices may offer more financial aid than colleges that seem more affordable at first glance.

### The simple fact is – the sooner you plan, the better

College is a big investment and costs keep going up, but there are strategies to reduce the cost and make it more affordable. Any pre-planning and saving you can do, regardless of your child's age, is highly recommended.

We are happy to help answer your big questions about the complicated college search process and funding strategies.

## Our Story

Behind our tragedy comes love, compassion and the ability to see blues skies again. Not only on a personal level are our hearts opened, yet humbly and courageously the hearts of those whom had the gift of yet another chance at life.

Our Daughter Leigh Leckerman 21 years old, lost her life in an Alcohol related accident in 2003. The loss of a child is tragic in of itself. The loss of a child due to drugs or alcohol unfathomable. We will never know if something could have been done differently. What we do know is with all grace and mercy and much help from people like you, we have been able to turn tragedy and despair into hope and promise for many seeking help from alcoholism and drug addiction. Addiction does not discriminate. It affects all walks of life from Yale to Jail. We all know someone somewhere whether personal or just an acquaintance who's child or other family member battles this disease. In Bucks county and Montgomery county alone, the heroine and prescription drug problem is at an all-time high.

### Please help us help others

The Leigh Leckerman Scholarship Fund and Livengrin Foundation together have been able to provide much needed drug and alcohol detox, inpatient treatment and extended after care to many who don't have financial resources. 100% of all donations help pay for treatment.

## NESHAMINY REDSKINS

### 86 YEARS OF HISTORY

by Paula G.

Courtesy of [www.neshaminyfootball.com](http://www.neshaminyfootball.com) • Visit us to find out all about our past and present teams!

**Highest Scoring Game:** In 1997 the Skins came out on top in a 69 to 36 slugfest with the Abington Ghosts. The two teams combined for a monumental total of 105 points. That averages out to 2.19 points every minute of the game (or just about a touchdown and an extra point every three minutes for the entire 48 minutes they played).

**Biggest Margin of Victory:** In 1961 the Skins stopped the Bristol Warriors 59-0. Later that season they took Woodrow Wilson to the same wood shed coming out on top of a 57-0 “no-contest”.

**Shortest Season:** Not including 1928, in 1943 the Skins lined up only four times while bringing home a dismal 0-3-1 report card. And to add insult to injury, they only scored 13 points. Talk about a war shortage!

**Longest Season:** The 2004 Skins played 15 games, the most of any season. That included 10 regular season games and 5 playoff games (including the State Championship game in Hershey).

**Lowest Scoring Year:** In 1939 Langhorne H.S. played 8 games and scored 0 points on the season.

**The Humble Beginning:** Neshaminy first fielded its own eleven in 1928 when the school was called Langhorne-Middletown High School. Preferring to stay close to home, that first - and only - game that year was against Newtown High School. Heart and history yet-to-come were not enough as our kids came up short, 13 to 0.

#### Overhead shot of Harry E. Franks Stadium

This photo was taken from a helicopter during the 1971 Neshaminy vs. Pennsbury game. Neshaminy went into the game 10-0. There were an estimated 15,000 people at this game. Look closely and you can see the end bleachers and the portable bleachers at the bottom, bottom left, and top left of this picture.

Neshaminy came from behind to win 21-17 and finish the season 11-0.
