## *A Letter from* **THE SUPERINTENDENT**

### *Welcome From the Superintendent of Schools*

Welcome to the 2016 Neshaminy football season! Though I am new to the district, I am looking forward to experiencing the sights and sounds of Heartbreak Ridge on a Friday night and joining the many proud fans of our program at the games. Over the summer, Coach Wilmot asked me to speak at the Youth Football Camp held here at Neshaminy. What most impressed me during that visit was seeing the instrumental role our veteran high school football team members play in leading the young athletes through their drills. Football helps us achieve one of the goals of our district's mission statement – empowering our students to become productive citizens.

Leadership, teamwork, practice, the ability to execute a plan, celebrating victories and learning from defeat are just some of the life lessons taught on the gridiron. Coach Wilmot shared with me the rich tradition of Neshaminy football – especially the leadership provided over the years by a number of high profile coaches who have helped shape the young men who have been part of our program. He spoke about how seriously he and his coaching staff take their responsibilities as stewards of this proud tradition.

So, again, welcome. Join our award winning cheerleaders as they cheer on our team. Enjoy the impressive halftime show from our excellent marching band. Go Skins!

## 2016 Neshaminy Skins 88 YEARS OF TRADITION

### *HERE COMES OUR REDSKINS.....*

.....A call heard for decades as the Neshaminy Redskins take the field. This simple phrase is just one of many icons that mark the pride and long standing tradition surrounding Neshaminy High School, our football program, and the community.

I am honored to be able to welcome you to Harry E. Franks Stadium and the 2016 Neshaminy High School Football Season. While much has changed at Neshaminy in the past few years, the Friday Night Lights of Harry E. Franks Stadium remain as a reminder of the tradition and legacy of the Neshaminy Redskins.

What has not changed is the collaborative efforts of hundreds in sustaining those traditions. The clanking of weights; the practicing of cheers; the sound of drums has been heard for months as students, coaches, directors, and parents demonstrate their collective commitment to excellence in preparation for the fall sports season.

To the Students on the Football Team, on the Cheerleading Squad, and in the Redskin Band: You are part of a select group of students who get to wear the "Skins" logo. You earned this honor by demonstrating not only excellence on the field; but you also carry the pride, character and commitment embodied in the "Skins" logo beyond the playing field into the classroom and hallways of NHS. These qualities will take you far. Cherish these moments and thank you for leading our high school by example.

To Mr. Magdelinskas, Coach Wilmot, Director Mike Lipton, Coach Mazur and their staffs: Year after year, you provide our students, their families, and community with a program second to none. Sustainability is your legacy. While you may get a few hours in the lights, most of your work is done in the shadows. Please know, your individual, daily efforts, though largely unnoticed, are greatly appreciated as they contribute significantly to something much larger than each of us.

To the "N" Club, Cheer Boosters, and the Redskin Band Boosters: It is clear that a School cannot do it alone. Your extraordinary efforts, in support of our students and our high school, provide immeasurable value to the Neshaminy High School student experience. A simple "Thank you" doesn't seem to suffice; but that is all you ask from us.

To the Redskin Fans: For some, tonight is your first game. Some of you have been coming to Heartbreak Ridge for years; some for decades. You come whether we win or lose; you come rain or shine. Maybe because you're a parent of a student; or maybe you wore the "Skins" logo somewhere in your past; or maybe you simply bleed Blue and Red. Thank you for supporting our students and co-curricular programs at NHS. And please, ***"Everybody do the Redskin Rumble!"***

With Neshaminy Pride... ***"Go Skins!"***

# 2016 Neshaminy Skins 88 YEARS OF TRADITION

## NHS ATHLETIC DIRECTOR TOM MAGDELINSKAS

Welcome back to a new school year and what is sure to be an exciting football season. Each week in the fall, the Neshaminy Community reunites to cheer our Football team. Former Redskins recall past glory while future Redskins look on as their heroes take on rival teams. In the stands, friendships are rekindled under the Friday night lights. Coach Michelle Mazur's cheer team performs acrobatics routines and they have established their own standard of excellence. The band, under the direction of Mike Lipton, provides a fantastic visual and musical experience. Our games truly bring out the best in our students and community.

I would like to extend my sincere gratitude to Head Coach Steve Wilmot and his staff. They have worked countless hours to ensure our team is prepared for the rigors of the Suburban One League match ups. Our players have committed countless hours of sacrifice and hard work to continue the Neshaminy Football legacy. In addition to being great athletes, our students are held to high academic standards. The combination of academics and athletics help to prepare our students for the challenges that lie ahead.

Finally, my thanks to the Neshaminy "N" Club for their tireless efforts to establish our program as one of the best in the state. Whether it is the Pride Stand, fund raising, player meals or the concession stand, all of your work is first class.

I would also like to invite you to the many games and events that take place on our campus throughout the year. I look forward to meeting you.

Yours in Neshaminy Pride,

**Thomas J. Magdelinskas, Athletic Director**

## 2016 Neshaminy Skins HEAD COACH

### Welcome from Head Coach Steve Wilmot

Welcome to the 2016 football season on Heartbreak Ridge. During my twenty two years coaching at this remarkable school, I have heard stories and have witnessed many great feats of courage and teamwork put forth on this field. Since 1955 this stadium and the student-athletes that have played in it, have represented the core-values of the entire community; Hard-work, sacrifice, and dedication. This year's team will not disappoint in any of those three areas.

This year's seniors have worked very hard for the right to play their six regular season games in this stadium. The class of 2017 Neshaminy Redskins features some great academic as well as athletic talent. Most importantly this class continuously demonstrates to me a high standard of character. I would first like to say "good luck" to this great bunch of teenagers.

The assistant coaches I work with are more than just colleagues to me. They are part of my extended family. Time after time, they demonstrate to our athletes what good character looks like both on and off the field. They impart all of their vast football knowledge into our players and put countless hours into their endeavors. I would like to thank both them and their families.

I would like to thank our Neshaminy administration for all that they do for supporting our program. Good luck to Mr. Joseph Jones as he takes over as Superintendent of the finest school district in Bucks county. Dr. McGee has demonstrated time after time that he is the "heartbeat" of Neshaminy High School. It is through his hard work that the high standards of academics and character are set. A big thank you is extended to our athletic director Tom Magdelinkas. He has served the role as a mentor to me and has provided our team with all the resources we need to be successful. To these administrators, and all the assistant principals at Neshaminy High School, I say thanks.

The Neshaminy "N" club, under the leadership of Chris Tredway is an organization second to none. This booster club spends countless hours planning and fundraising to ensure our coaches and players have all the resources they need, and generally enhance the experience of all the players during their time here. Thank you to all the parents that participate, but especially to the "N" club board, who really go above and beyond.

The experience on Friday nights at Harry E. Franks stadium is one that is known throughout the state of Pennsylvania. This would not be possible without the combined efforts of the band, the cheerleaders, and the dedicated fans of the community. Thank you to Mr. Lipton who directs the band, and Ms. Mazur who coaches the cheerleaders. A big thank you to the fans. Whether you are attending your first game, or having been coming to games here for 50 years, it is the fans that make all the hard work our football players put in pay off.

On behalf of the Redskin Football Family, please enjoy the season and thank you for your support.

**Steven Wilmot, Head Coach**

## *2016 Neshaminy Skins* **MARCHING BAND**

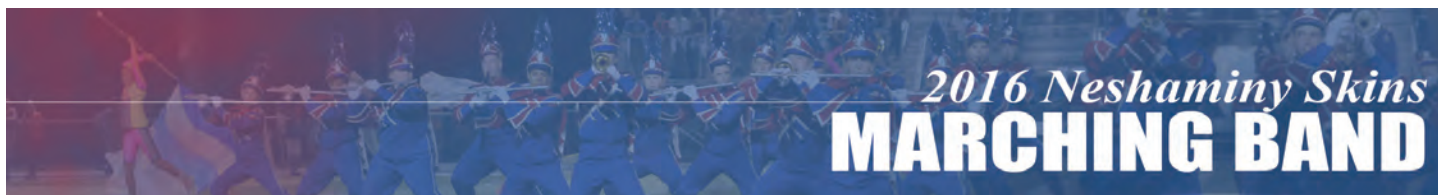

### Neshaminy High School Marching Band 2016-2017

We are proud to present the 2016-17 Neshaminy High School Marching Band. This year the band is comprised of 150 members, which includes 131 musicians and 19 color guard. The band is directed on the field by Drum Majors Becky Raffin and Julianna Schwab and Field Captain Claire Shipley. The band director is Michael Lipton. Band staff includes Lisa Boccuti, Nora Boccuti, Jeff Ormsby, Justin Aungst, Megan Reilly, Bennett Stump, Matt Snyder, Michael Allen and Erika Guenzel. Drill design and musical arrangements are by Zack Travis.

The Marching Band will be kept busy this fall with performances at all Redskin football games as well as participating in Marching Band Shows at Boyertown, Owen J. Roberts, Council Rock, William Tennent, Pennridge and Hatboro-Horsham High Schools. We will host our own 24th Annual Kaleidoscope of Bands Show on Saturday, October 22, 2016.

Our 2016 show is entitled "Ascend". The segments of the show strive to depict the idea of soaring or flying upward. The music selections heard through the show include A Young Person's Guide to the Orchestra by Benjamin Britten, The Wild Goose by Ryan George and Fly to Paradise by Eric Whitacre. Please sit back and enjoy our presentation.

*Before I joined Nirvana, I was so uncomfortable with my body and had no idea that getting into shape I would feel this great. Thanks to the amazing staff here at Nirvana and also other friendly members, I was able to reach my goal. I went from 200 pounds in the left picture to 125 in the right picture in 7 months! It takes hard work and dedication. And this is the place to do it at! I would like to give a shout out to John Yeager for the amazing workout plan he has provided for me and for his tremendous support through my journey.*

# NESHAMINY REDSKINS

## 88 Years of Neshaminy History

by Paula G.

Courtesy of [www.neshaminyfootball.com](http://www.neshaminyfootball.com) history · Visit us to find out all about our past and present teams!

**1681** – In March of this year King Charles II of England grants colonist William Penn a huge amount of land west of the Delaware River. Penn’s “short-term” plans for the land include both developing and making a home in what he names Bucks County (in honor of his home in the county of Buckinghamshire, England). He gives plots of land in lower and middle Bucks to those who share his vision. Needing a reliable diagram, he requires a “plot map” of the area. One major geographical feature to be dealt with, and essentially splitting the lower part of the county in two, is a tributary of the Delaware. Called “nischam-hanne” by the native Lenni-Lenape people who inhabit the region, it means “double stream” or “the place we drink twice” because of an area in its upper run where it doubles back on itself. The English speaking settlers who attempt to spell the “word” phonetically produce mixed results. One effort that becomes a little more common than others is “nessamineh” and soon the meandering stream is known as the “Nessamineh Creek”.

Penn’s surveyor takes a different approach on his work as he decides the rambling water course name is properly written as follows: NESHAMENY CREEK. The second “E” is later changed to an “I”. And as to Penn, his large estate on the banks of the Delaware will also give those same fans of the word “Neshaminy” something to root against when he christens his Bucks County home “The Manor of Pennsbury”.

**1876** – In the mid-17th century a man named Jack Alexander decides to build his home in what would lead to a small village being established by him, Attleborough. And the little town’s subsequent growth soon benefits from its strategic location in the center of Lower Bucks and at the intersection of two main roads. One runs between Philadelphia and Trenton, on a southwest to northeast course, and the other connects Bristol and Easton in a generally southeast to northwest alignment. The routes are heavily traveled and for a period well into the 19th century the town serves as the main stagecoach stop for travelers between those cities. But with growth came the need for the borough to become more formal and in 1876 the good people of Attleborough decided it should incorporate. And while they were at it, they also thought it important to honor one of their residents who had become Chief Justice of the Pennsylvania Supreme Court. So after a vote of nothing but “ayes” they changed their town’s name to accomplish their collective goal. And just who was their favorite son? Jeremiah Langhorne.

**1924** – Deciding that separate or shared public schooling was no longer cost or academically effective, the boroughs of Langhorne, Langhorne Manor, Hulmeville, Penndel and the Township of Middletown (all five clustered around each other in central Lower Bucks County) decided to merge for the purpose of establishing a new school district. It became obvious that a new high school had to be built too, so a plot of land in Langhorne on Cherry Street, was then secured for that purpose. The school is called Langhorne-Middletown high.

**1928** – With strong backing by Langhorne-Middletown’s principal, William Thomas, who incidentally was the team’s first grid coach, a decision was made that the school needed a football team. Thus, some of the land out in back of the school was graded flat and lined to include a field for practice with the Langhorne-Middletown Redskins football team then organized. The 25 boys who turned out to form a club soon played their first game ever, and their only contest that year of ‘28, when they took a road trip to Newtown’s Pickering Field, (Newtown High would later be renamed Council Rock in 1950). The Redskins lost, 13-0, and finished the year 0-1.

**1929** – Charlie Beck, a Bristol native, became the first permanent coach of the Redskins and he then stays on the job through the 1942 season. The team play its first full slate of games (nine in all); however, the end result is a not so spectacular 2-6-1 record. The team opens against Newtown and records its first touchdown ever in the game.

**1938** – The ‘Skins are 5-2-2 that year, one of the better clubs of the Beck era. Senior quarterback Chuck Klein and his star running back, senior Bill McCahan, combine to lead the team to an overall 9-4-4 record during the ’37 and ’38 seasons. Three of the four losses in those two years were at the hands of Bristol and Morrisville.

**1945** – The ‘Skins play a night game at “Playwicki Field” on Cherry Street in their first ever contest under the lights. But the portable lamps are not quite adequate for the job and kicks, punts and high passes are lost in the darkness resulting in any number of rather comical fumbles and dropped balls as players don’t see the football until the last second.

**1949** – Although already an old “foe”, the Redskins line up in their opener that year against a brand new school: Pennsbury (which is the result of a merger between the Fallsington and Yardley high schools with a name change included). The game ends 0-0.

**1950** – The newly christened Neshaminy High School opens for business in 1950. Merging with Lower Southampton Township, the school district now spans from the city of Philadelphia in the west to Falls Township in the east. Bensalem and Bristol Townships are to the south and the also newly named Council Rock school district is to the north. In another important first that year, Neshaminy and Pennsbury play under those “names” for the first time that year. The Falcons take the historic contest, 12-6, as they best an uneven ‘Skins group that will finish 5-5.

**1952** – Harry E. Franks is named head coach of the varsity. Putting his iron will to work without any delay, he immediately scraps the T-formation offense the Redskins had been using and brings back the single-wing. His ’52 squad likes the change too as it posts a 9-1 record, the best yet for the ‘Skins

**1954** – The new high school complex was also completed in time for the ’54 school year. The athletic fields aren’t yet finished so for the 1954 and 1955 seasons the team still plays at the old Cherry Street field.

**1956** – The opening contest against Hatboro-Horsham sees the first game played at Neshaminy’s new field called the “Neshaminy Athletic Field” or “Playwicki Field” (as the old Cherry Street field was called as well).

**1960** – Petercuskie directs his first group as head coach of the Redskins and his inaugural team comes in at 10-0-1. It’s Neshaminy’s third squad to finish unbeaten as the LBC trophy remains in Langhorne for the 9th straight year. The team scores a then monumental 436 points, a new record, and averages 39.63 points per game (the total points scored stood as a record until the 2004 squad’s 466 points with the “points per game” average). The defense gives up just 51 points and the 4.64 points “allowed” puts the team at fourth position all time (behind the 1930, 1956 and 1946 squads).

**1980** – In a “strike-shortened” season which saw the team go 4-2-1 in seven games, the Pennsbury game is cancelled. It represents the only year the next door neighbors have not played as “Neshaminy versus Pennsbury” from 1950 through the present.

**1995** – Mark Schmidt is named head coach of the Redskins following the retirement of Bedesem. A local talent out of Lower Moreland, Schmidt bought a wealth of coaching skills earned in both the high school and college ranks. Although his first year was a bit rocky as the team earns but one win, fans will soon enough realize that a second “Golden Age” had begun at Neshaminy.

**2001** – Leaving no doubt that Neshaminy was back on top, the team finishes the 2001 season unbeaten at 15-0 and establishes the best ever record by a Redskins team. They earn their first D1 title, Eastern Championship and PIAA 4A title along the way. At season’s end they are ranked 9th in the country by USA Today.

**2013** – The ‘Skins finish 13-2 as they make a run to the East finals before being turned back by St. Joe Prep. The 2013 team’s average of 35.40 points a game is the fourth best in Redskin history and the 2013 team’s total of 531 points for the year also set the record for the most by any Neshaminy club in a single season. D’Andre Pollard finished the year with 2,929 yards on 328 carries and 39 touchdowns in all for 234 points (a new record that was 43 more than existing record which had stood for 51 years).

## Our Story

Behind our tragedy comes love, compassion and the ability to see blues skies again. Not only on a personal level are our hearts opened, yet humbly and courageously the hearts of those whom had the gift of yet another chance at life.

Our Daughter Leigh Leckerman 21 years old, lost her life in an Alcohol related accident in 2003. The loss of a child is tragic in of itself. The loss of a child due to drugs or alcohol unfathomable. We will never know if something could have been done differently. What we do know is with all grace and mercy and much help from people like you, we have been able to turn tragedy and despair into hope and promise for many seeking help from alcoholism and drug addiction. Addiction does not discriminate. It affects all walks of life from Yale to Jail. We all know someone somewhere whether personal or just an acquaintance who's child or other family member battles this disease. In Bucks county and Montgomery county alone, the heroine and prescription drug problem is at an all-time high.

### **Please help us help others**

The Leigh Leckerman Scholarship Fund and Livengrin Foundation together have been able to provide much needed drug and alcohol detox, inpatient treatment and extended after care to many who don't have financial resources. 100% of all donations help pay for treatment.

Sunday: 12 Noon to 10:00 pm

It is said that when Marco Polo came back to Italy, after his trip to China, he had found two new discoveries - gun powder and spaghetti. Now we all know what everyone took up the art of how to use gun powder, but for some reason the Italians were the only ones that really took the art of making pasta seriously. Unfortunately Italy has many mountains and very little farm land in which to plant wheat, so you can imagine the joy of the Italian immigrants when they came to America and like Marco Polo they discovered the Great American farm lands. It is with the same joy and pride of those immigrants that we serve you the finest quality pizza that the American wheat farms have to offer.
