## *A Letter from* **THE SUPERINTENDENT**

Welcome to the 2017 Neshaminy football season! I am looking forward to, once again, experiencing the sights and sounds of Heartbreak Ridge on a Friday night and joining the many proud fans of our football program.

Football helps us achieve one of the goals of our district's mission statement – empowering our students to become productive citizens. Our student athletes learn about leadership, teamwork, the value of practice, and how to execute a plan. In addition, they learn about life through the celebration of victories that are hard fought and through the analysis of defeats. These are just some of the life lessons taught on the gridiron.

There is a rich tradition connected to Neshaminy football – especially the leadership provided over the years by a number of high profile coaches who have helped shape the young men who have been part of our program. Coach Wilmot continues in this long line of effective leaders. He and his coaching staff take their responsibilities as stewards of this proud tradition very seriously.

So, again, welcome. Join our award-winning cheerleaders as they cheer on our team. Enjoy the impressive show brought to you by our excellent marching band. And - Go Skins!

## *2017 Neshaminy Skins* **89 YEARS OF TRADITION**

### *HERE COMES OUR REDSKINS.....*

.....A call heard for decades as the Neshaminy Redskins take the field. This simple phrase is just one of many icons that mark the pride and long-standing tradition surrounding Neshaminy High School, our football program, and the community.

I am honored to be able to welcome you to Harry E. Franks Stadium and the 2017 Neshaminy High School football season. While much has changed at Neshaminy in the past few years, the Friday night lights of Harry E. Franks Stadium serve as a reminder of the tradition and legacy of the Neshaminy Redskins. What has not changed is the collaborative efforts of hundreds in sustaining those traditions. The clanking of weights; the practicing of cheers; the sound of drums has been heard for months as students, coaches, directors, and parents demonstrate their collective commitment to excellence in preparation for the fall sports season.

To the Students on the football team, on the cheerleading squad, and in the marching band: You are part of a select group of students who get to wear the “Skins” logo. You earned this honor by demonstrating not only excellence on the field; but you also carry the pride, character and commitment embodied in the “Skins” logo beyond the playing field into the classroom and hallways of NHS. These qualities will take you far. Cherish these moments and thank you for leading our high school by example.

To Mr. Magdelinskas, Coach Wilmot, Director Mike Lipton, Coach Mazur and their staffs: Year after year, you provide our students, their families, and community with a program second to none. Sustainability is your legacy. While you may get a few hours in the lights, most of your work is done in the shadows. Please know, your individual, daily efforts, though largely unnoticed, are greatly appreciated as they contribute significantly to something much larger than each of us.

To the “N” Club, cheer boosters, and the band boosters: It is clear that a school cannot do it alone. Your extraordinary efforts, in support of our students and our high school, provide immeasurable value to the Neshaminy High School student experience. A simple “thank you” doesn’t seem to suffice; but that is all you ask from us.

To the Redskin fans: For some, tonight is your first game. Some of you have been coming to Heartbreak Ridge for years; some for decades. You come whether we win or lose; you come rain or shine. Maybe because you’re a parent of a student; or maybe you wore the “Skins” logo somewhere in your past; or maybe you simply bleed blue and red. Thank you for supporting our students and co-curricular programs at NHS. And please, *“Everybody do the Redskin Rumble!”*

With Neshaminy pride... **“Go Skins!”**

# 2017 Neshaminy Skins 89 YEARS OF TRADITION

## NHS ATHLETIC DIRECTOR TOM MAGDELINSKAS

Welcome back to a new school year and what is sure to be an exciting football season. Each week in the fall, the Neshaminy Community reunites to cheer our football team. Former Redskins recall past glory while future Redskins look on as their heroes take on rival teams. In the stands, friendships are rekindled under the Friday night lights. Coach Michelle Mazur's cheer team performs acrobatics routines and they have established their own standard of excellence. The band, under the direction of Mike Lipton, provides a fantastic visual and musical experience. Our games truly bring out the best in our students and community.

I would like to extend my sincere gratitude to Head Coach Steve Wilmot and his staff. They have worked countless hours to ensure our team is prepared for the rigors of the Suburban One League match ups. Our players have committed countless hours of sacrifice and hard work to continue the Neshaminy football legacy. In addition to being great athletes, our stu-

dents are held to high academic standards. The combination of academics and athletics help to prepare our students for the challenges that lie ahead.

Finally, my thanks to the Neshaminy "N" Club for their tireless efforts to establish our program as one of the best in the state. Whether it is the pride stand, fund raising, player meals or the concession stand, all of your work is first class.

I would also like to invite you to the many games and events that take place on our campus throughout the year. I look forward to meeting you.

Yours in Neshaminy pride,  
**Thomas J. Magdelinskas**  
Athletic Director

## 2017 Neshaminy Skins HEAD COACH

### Welcome from Head Coach Steve Wilmot

Welcome to the 2017 football season on Heartbreak Ridge. During my twenty-three years coaching at this remarkable school, I have heard stories and have witnessed many great feats of courage and teamwork put forth on this field. Since 1955 this stadium and the student-athletes who have played in it, have represented the core-values of the entire community; Hard-work, sacrifice, and dedication. This year's team will not disappoint in any of those three areas.

This year's seniors have worked very hard for the right to play their five regular season games in this stadium. The class of 2018 Neshaminy Redskins features some great academic as well as athletic talent. Most importantly this class continuously demonstrates to me a high standard of character. I would first like to say "good luck" to this great bunch of teenagers.

The assistant coaches I work with are more than just colleagues to me. They are part of my extended family. Time after time, they demonstrate to our athletes what good character looks like both on and off the field. They impart all of their vast football knowledge into our players and put countless hours into their endeavors. I would like to thank both them and their families.

I would like to commend our Neshaminy administration for all that they do for supporting our program. Thank you to Mr. Joseph Jones, Superintendent of the finest school district in Bucks County. Dr. McGee has demonstrated time after time that he is the "heartbeat" of Neshaminy High School. It is through his hard work that the high standards of academics and character are set. A big thank you is extended to our athletic director Tom Magdelinskas. He has served the role as a mentor to me and has provided our team with all the resources we need to be successful. To these administrators, and all the assistant principals at Neshaminy High School, I say thanks.

The Neshaminy "N" Club, under the leadership of Nancy Silenok is an organization second to none. This booster club spends countless hours planning and fundraising to ensure our coaches and players have all the resources they need, and generally enhance the experience of all the players during their time here. Thank you to all the parents that participate, but especially to the "N" Club board, who really go above and beyond.

The experience on Friday nights at Harry E. Franks Stadium is one that is known throughout the state of Pennsylvania. This would not be possible without the combined efforts of the band, the cheerleaders, and the dedicated fans of the community. Thank you to Mr. Lipton who directs the band, and Ms. Mazur who coaches the cheerleaders. A big thank you to the fans. Whether you are attending your first game, or having been coming to games here for 50 years, it is the fans who make all the hard work our football players put in pay off.

On behalf of the Redskin Football Family, please enjoy the season and thank you for your support.

**Steven Wilmot, Head Coach**

## 2017 Neshaminy Skins COACHING STAFF

## *2017 Neshaminy Skins* **MARCHING BAND**

### Neshaminy High School Marching Band 2017-2018

We are proud to present the 2017-18 Neshaminy High School Marching Band. This year the band is comprised of 150 members, which includes 125 musicians and 25 color guard. The band is directed on the field by Drum Majors Julianna Schwab and Daniel Aungst and Field Captain Emily Kirsch. The band director is Michael Lipton. Band staff includes Lisa Boccuti, Justin Aungst, Corey Moore, Josh Campbell, Megan Reilly, Bennett Stump, Matt Snyder, Michael Allen and Erika Guenzel. Musical arrangements are by Zack Travis. Percussion arrangements by Joe Ciancimino. Front Ensemble arrangements are by Andrew Monteiro. Drill design is by Corey Moore.

The Marching Band will be kept busy this fall with performances at all Redskin football games as well as participating in Marching Band Shows at Upper Dublin, Downingtown West, Plymouth Whitemarsh, Council Rock, William Tennent and Hatboro-Horsham High Schools. We will host our own 25th Annual Kaleidoscope of Bands Show on Saturday, October 28, 2017.

Our 2017 show is entitled "Twisted". The segments of the show strive to depict a world that is slightly off-kilter, askew and eccentric. The music selections heard through the show include Concert Music for Strings and Brass by Paul Hindemith, the Bells of Notre Dame from the Hunchback of Notre Dame, Creep by Radiohead and Symphonic Metamorphosis by Paul Hindemith. Please sit back and enjoy our presentation of "Twisted".

If you are a parent, guardian or friend that is participating in the raising or influencing of a young person, have you considered what messages -- what life lessons, you want to share with them?

*KISS Your... Kids* book provides 57 life lessons touching on topics that range from basic to complex including the need to use your manners, self-image, decision making, purpose of life, competition, religion, drugs, sex and more.

Bill Vergantino (Neshaminy High School Class of 1988) originally wrote the lessons for his children and family members; it was published so that other children (and adults alike) may benefit from the nuggets of wisdom by:

- Using this book for your own benefit,
- Giving it to someone in your life that you care for, or
- Simply use it as a springboard for preparing your own version to pass along

Visit [www.KissYourKidsBook.com](http://www.KissYourKidsBook.com) for more information, to request Bill as a speaker, and to purchase the book.

*It is said that when Marco Polo came back to Italy, after his trip to China, he had found two new discoveries - gun powder and spaghetti. Now we all know what everyone took up the art of how to use gun powder, but for some reason the Italians were the only ones that really took the art of making pasta seriously. Unfortunately Italy has many mountains and very little farm land in which to plant wheat, so you can imagine the joy of the Italian immigrants when they come to America and like Marco Polo they discovered the Great American farm lands. It is with the same joy and pride of those immigrants that we serve you the finest quality pasta that the American wheat farms have to offer.*

# Leigh Leckerman Scholarship Fund

## Our Story

Behind our tragedy comes love, compassion and the ability to see blues skies again. Not only on a personal level are our hearts opened, yet humbly and courageously the hearts of those whom had the gift of yet another chance at life.

Our Daughter Leigh Leckerman 21 years old, lost her life in an Alcohol related accident in 2003. The loss of a child is tragic in of itself. The loss of a child due to drugs or alcohol unfathomable. We will never know if something could have been done differently. What we do know is with all grace and mercy and much help from people like you, we have been able to turn tragedy and despair into hope and promise for many seeking help from alcoholism and drug addiction. Addiction does not discriminate. It affects all walks of life from Yale to Jail. We all know someone somewhere whether personal or just an acquaintance who's child or other family member battles this disease. In Bucks county and Montgomery county alone, the heroine and prescription drug problem is at an all-time high.

### Please help us help others

The Leigh Leckerman Scholarship Fund and Livengrin Foundation together have been able to provide much needed drug and alcohol detox, inpatient treatment and extended after care to many who don't have financial resources. 100% of all donations help pay for treatment.
