BEST WISHES
FOR A SUCCESSFUL SEASON

WOODROW WILSON

FACULTY

AND

STUDENT BODY

SIDELINES

The most important part of the tremendous victory over Delhaas has to be the return of Jack Jakobik into the lineup. Jakobik without a doubt will be one of the most brilliant backs in Lower Bucks Football if his shoulder injury does not reoccur. He has the moves and the courage that have been characteristic of the Horwatts, Baxters, Klebes, and other outstanding backs that Lower Bucks Football has produced.

The coaching staff was quite concerned after the Pennsbury game that the team would be affected for the rest of the season. The 6-2 victory over Tennent gave further reason for concern but the Delhaas game showed that the boys are now back in the right frame of mind and are ready to give Neshaminy a run for their money.

Jack Wertheim received the lineman of the week award for his defensive work in the Tennent game. Jack has been a consistent performer for the past two years and justly deserves the honor given him by the Levittown Courier.

Wilson fans will be given a chance to see the Redskins operate out of the T formation for the first time. Neshaminy stuck to the single wing for years after all other high schools in the area went to the T. Evidently, their coaching staff feels they have the personnel to operate from the T and their record thus far of 5-0-1 shows them to prognosticate very well.

Get, team, run, menus - all go better refreshed. Coca-Cola, never too sweet, gives that special zing... refreshes best.

ENJOY THE GAME

'AN ECHO FROM VALLEY FORGE'

I stood in snow without shoes to give you a right to vote—and you stay home on election day whenever the weather is bad.

I left my family destitute so that you could have freedom of speech—and you remain silent because it might be bad for business.

I orphaned my children to give you a government to serve you—and through neglect you permit it to become the master of your children.

I died to obtain your birthright of freedom—you can maintain it by

VOTING November 3.
