

■ **Seventh seed Plymouth White-marsh (8-2, not ranked) at second seed Neshaminy (9-1, No. 2), tonight, 7.** Depending on the poll you peruse, either Neshaminy or Bishop McDevitt (Harrisburg) is considered the big-school stud. That's certainly debatable, but there is no question who the team to beat in District 1 is right now.

**Pick:** PW's Da'Rel Scott takes another step in his push for player of the year, but Neshaminy takes a first step toward the state title, 30-14.
