23rd Year

BOB SANDS MEMORIAL

ALL STAR FOOTBALL CLASSIC

SPONSORED BY THE LIONS OF BUCKS COUNTY

SATURDAY JUNE 6, 1998
Council Rock High School
Swamp Road
Newtown, PA
KICKOFF AT 7:30 PM

OFFICIAL PROGRAM \$2.00

What is a Community Bank?

Community banking is a special mix of people, products, and services. The recipe might go something like this:

Start with an ample supply of friendly, knowledgeable employees. Add generous portions of competitive products, convenience, and advice. Stir in plenty of community involvement and shareholder value. Serves a whole community.

Switch to FNB - your COMMUNITY BANK!

THE *First* **NATIONAL BANK**
AND TRUST COMPANY
NEWTOWN, PENNSYLVANIA

(215) 860-9100

10 Offices in Central & Lower Bucks County

Visit us on the Web: www.fnbn.com

LIONS EYE BANK OF DELAWARE VALLEY

The Lions Eye Bank of Delaware Valley serves southeastern Pennsylvania, New Jersey and Delaware. Technicians at the Eye Bank are notified when an eye donor has died and they travel to the hospital to retrieve the eyes. Eye Bank technicians perform tests on the donor eyes to ensure that there has been no exposure to an infections disease, such as a virus, which could be passed to the recipient. The condition of each cornea is evaluated and the tissue is designated for transplantation or training and research purposes, depending on its condition.

DID YOU KNOW???

- » Corneal transplantation was the **first type** of transplant surgery performed - in **1905**.
- » Each year in the United States, 40,000 people receive corneal transplants, while an additional **5,000** people must be put on **waiting** lists because of donor shortages.
- » Corneal transplant surgery is the most successful type of transplant surgery. Over **90 percent** of corneal transplant operations are **successful** and restore sight.

WHO CAN BE AN EYE DONOR?

Anyone can become an eye donor. Age is no barrier and it doesn't matter if you wear glasses or have an eye condition. Most eye diseases do not affect the cornea, so even if you have a condition such as glaucoma or retinal disorder, you can still be an eye donor.

HOW CAN I BECOME AN EYE DONOR?

Complete the large portion of the attached pledge card and return it to the Lions Eye Bank of Delaware Valley. Make sure you keep the completed, small portion of the card with you at all times. Inform your family that you have pledged your eyes and any additional tissues or organs and that you want to have your wishes carried out.

QUESTIONS???

Lions Eye Bank of Delaware Valley
2000 Hamilton Street, Suite 202

IN APPRECIATION

The following list of individuals and organizations have contributed generously toward this project. We could not have done it without their support and contributions. There have been many, many, many individuals who worked and gave many hours of their time for this cause. However, it would be impossible to name them all. To everyone I want to extend my sincere appreciation and thanks.

LEADER DOGS FOR THE BLIND - ROCHESTER, MICHIGAN

Leader Dogs for the Blind was founded in 1939 by a group of Michigan Lions to train dogs to lead blind persons and provide facilities and means whereby blind persons may obtain Leader Dogs. The nonprofit organization is served by a national board of 30 trustees.

People with less than normal vision, over 16 years of age, in good health, emotionally stable and of good moral character may be eligible for Leader Dog training. The students live under constant supervision of competent instructors during a four week training period. An instructor and house-mother are on duty at all times. Training is conceived as a re-education emotionally and physically to a new way of effective living.

After a period of "getting acquainted" with his/her Leader Dog, the student is taken to the small, quiet town of Rochester where actual pedestrian training is begun. In progressive stages adjustment to more hazardous traffic conditions is accomplished through training on busy streets, in the heavy traffic and the hurrying crowds of Birmingham and Royal Oak, Michigan & Detroit.

At the end of four weeks training with a Leader Dog, the hesitant blind student is changed to an erect confident person who had challenged and conquered one of life's severest handicaps.

A Leader Dog enjoys its superiority. It is not just a dog, it is a Leader Dog, capable of making decisions that protect the safety of the owner. The fledgling dog must be from one to two years old, in good condition and willing to accept responsibility. Dogs must be positively friendly even to strangers. German Shepherds, Labradors and Golden Retrievers are commonly trained as Leaders. All dogs are contributed. Leader Dogs know the rules of safety. Stop-Look-Listen- then cross the street briskly. Leaders are taught to respect traffic, vehicular and pedestrian, and will respond to the given command only when the way is clear. Most dog owners say the dog is a family pet and romps with the children but the instant they put on the harness the dog is all business.

If you know anyone who could use a Leader Dog, contact your local Lions Club. The training as a student, food, lodging, and the Leader Dog are all at no cost to a qualified blind person. Usually, transportation to the school and back is paid for by the Lions Club.

BEACON LODGE CAMP FOR THE BLIND

Beacon Lodge is situated on State Route 103, two miles southwest of Newton Hamilton, PA, along the beautiful Juniata River. The hills and mountains of Central Pennsylvania surround the camp, making it a secluded place for those that require rest and an atmosphere to enjoy the activities of a camp program.

The camp occupies a 567 acre estate through which flows a babbling brook. The Main Lodge where the women campers are housed, is a twenty-eight room structure with comfortable sleeping quarters for forty persons. The dining hall, with seating accommodations for 150, and the large modern kitchen are also located in the Main Lodge. The large living room with a huge fireplace, a piano, and an electric organ is a favorite spot for adult campers. The room has a balcony with a braille library and talking books. Close by is Tarentum Hall with a snack bar and a second floor with facilities for fifteen persons. Female campers and staff are housed here. 14B Dormitory is a one floor cement block structure with accommodations for 48 male campers and staff. 14B Dormitory has accommodations for four married couples. The infirmary consists of nurses quarters, dispensary, and rooms for patients assigned, and married couples.

In Childrens Village there are twelve cement block cabins well ventilated and screened with complete bathroom facilities in each cabin and individual storage cabinets for personal items. Each cabin will accommodate 6 children and their counselors. A larger building provides kitchen and dining room facilities. It is also a food storage building, and living quarters with an office for the unit director. In the summer of 1975, a brand new air conditioned infirmary with nurses quarters and a boys and girls ward was dedicated to the late Paul Mahady, a Pennsylvania State Senator and a Past International Director of Lions.

This year a new activity building will be opened in the village. A physician in nearby Mount Union is available at the camp and the modern Huntingdon and Lewistown Hospitals are also available in time of need.

All guests are free to do the things they enjoy most. Beacon Lodge attempts to satisfy two types of campers. Those who want to rest and relax among old friends and to make new ones. Those who prefer a more active type of vacation may select a program of varied activities. There is a choice of motorboating, rowing, hiking, shuffleboard, roller skating, bowling, campfire programs, picnics, overnight hikes, mountain climbing, bus rides, baseball (with a beeping ball), wrestling, field events, bike riding, shopping tours, arts & crafts, dancing, and swimming. You must visit the camp to truly appreciate it. The 42 members of the Board of Directors are very proud that they have been able to keep the weekly fee to \$125.00. The actual cost is \$280.00 per week. Many Lions Districts pick up the tab for utilities and maintenance, thus enabling the camp to operate at such a low fee.

HEARING CONSERVATION / HEARING RESEARCH

A quotation from Helen Keller. . . .

"Deafness, by fettering the powers of utterance, cheats many a persons birthright to knowledge. How can people pick up words and weigh their value if they lack the foundation on which knowledge is built?"

Hearing Conservation revenue supports the following:

1. Provide hearing examinations for needy children and adults alike.
2. Provide hearing testing equipment for schools, clinics, etc.
3. Provide medical or surgical services.
4. Furnish, repair, or replace hearing-aids when necessary for hard of hearing children and adults.
5. Provide needy individuals with batteries, aids, and special devices.
6. Furnish equipment for classroom use with hearing impaired children.
7. Provide financial assistance to families with hearing impaired children in need of special education.
8. Provide video tapes, films, etc. for deaf individuals.
9. Assist with vocational and employment services.

Hearing Research collects money to award grants for the best proposals submitted by doctors, hospitals, and universities in order to improve all aspects of the hearing problems.

CAMP KIRBY

Camp Kirby sprawls over rolling fields and woodlands, high above the Delaware River, in beautiful historic Bucks County. It is located in Upper Black Eddy, 35 miles north of Philadelphia on route 611. At Ferndale Hotel, turn right, drive three miles to Camp Kirby.

Camp Kirby was designed to meet a definite need. The proper educational and recreational facilities are available for the hearing handicapped campers. A professional staff of experienced counselors assist and train the campers.

Trips are taken to nearby sites where pages from their history books come alive through the interpretation of counselors trained in teaching the hearing handicapped. Each boy or girl's education will grow in a Summer Camping environment.

Overnight campouts create an atmosphere of fun, excitement, the thrill of spotting deer at night and seeing other wildlife. These experiences not only are shared around the campfires, but memories to cherish for years to come.

As each camper participates in various activities, an educational program involving the language and vocabulary of camp life is pre-sented by counselors. Hiking, volleyball, swimming, riflery, cookouts, riding and nature lore are a few of the many activities to help enrich the camper's life.

Free time to participate in individual activities such as gold, fishing and archery help teach self-responsibility and self-discipline.

Camp Kirby consists of 27 acres and has a stream running through the land. The camp has its own well for water. The physical facilities include the following:

six cabins for campers
infirmary
bathrooms for boys & girls w/showers
large living room
office

recreation room
fireplace with outdoor grill
swimming pool
home for caretaker
cabin for director

1998 ALL-STAR FOOTBALL GAME COMMITTEE

Executive Board:

Joe Warner, Chairman (Northampton)
 Bob Elsner, 1st Vice Chairman (Chalfont)

It is impossible to list all the names of all the people who gave of their time to make this annual Bucks County Lions All Star Game a success.

Those that are listed here are the people who initiated ideas and saw that they were carried out successfully. These are the people, without whom, we would never have been able to make this evening a reality. To the hundreds of others, who will remain nameless, we say, "THANK YOU"

THE BLIND, PLEASE TAKE A CLOSER LOOK

The Bucks County Association for the Blind offers far more than meets the eye. Our programs educate and inform our community about eye care, eye disease, and eye safety. We provide pre-school vision and hearing screening. We distribute special products to help individuals with low vision. And we offer support and counsel for those concerned and affected by the vision-loss of a family member or a friend.

Of course, we have regularly been furnishing special services to the blind and the visually impaired for over fifty years. Our programs and services help those who are blind to lead full, productive, and independent lives. We are able to do this because you see fit to support us generously.

We look forward to your continuing help. Send us a tax-deductible donation, today. See how good it makes you feel!

Crowell

By Andy Vineberg

Courier Times
avineberg@calkinsnewspapers.com

NEWTOWN — Council Rock High School football coach Mike Ortman has been involved in enough of these Bucks County All-Star football games to know how much fun they can be. Bensalem coach Biz Keeny will be finding out for the first time.

But both men know they will have a ton of talent to work with when practices begin late next month.

Ortman and his staff will coach the North, and Keeny and his staff will guide the South at the 27th annual Bucks County Lions Clubs Bob Sands Memorial All-Star Football Game. Council Rock, which added stadium lights before last season, will host the game for the first time on Saturday, June 6, at 7:30 p.m.

The game is about showcasing the best senior football talent in Bucks County. But it's also about raising money for charity.

In the 22 years the Lions Club has sponsored the game, it has raised more than \$275,000 in charity. Last year's game raised \$17,000, including more than \$4,000 for the Bucks County Blind Association.

The North leads the series, 16-7-3, and has won five of the last seven games. The teams tied, 28-28, last year.

This will be Ortman's fourth time as head coach. He went 0-2

with the South when he was head coach at Morrisville, and he led the North to a 20-12 victory as Rock coach in 1992.

"The neatest part is getting to coach kids you've game planned against during the year," Ortman said. "You don't have to hide any bodies out there. Most of the players are real top-caliber kids, and a large majority of them will play ball in college."

One star Ortman won't get the chance to coach is CB West's Dave Armstrong, who opted to play in the Big 33 game between Pennsylvania and Ohio All-Stars.

Keeny, who guided Bensalem to its first winning season in five years as a rookie head coach last fall, said coaching in the game will remind him of his days as a college assistant at Kutztown.

"It's almost like really being back at college," said Keeny. "We'll have pretty good players at every position."

The South roster appears stacked at the skill positions, with Courier Times Player of the Year Jim Dietz of Neshaminy at quarterback, Bensalem's Keith Davis at running back and a star-filled crop of receivers, led by Bensalem's Temple University-bound Krishan Lewis.

The North will counter with some dangerous skill position players of its own, including running backs Keith Crowell of William Tennent and Dan Boyle of Archbishop Wood.

South roster

Dietz

Bensalem: Keith Davis, RB-DB; Rob Dunner, QB-DB; Aquil Flythe, TE-DE; Krishan Lewis, WR-DB; Nick Lombardo, OL-DL; Steve Mason, FB-DL; Randy Thomas, FB-DE; John Tutino, OL-LB.

Conwell-Egan: John Hanes, OL-DL; Josh Secoda, TE-LB.

Harry S Truman: Ryan Cunningham, OL-DE; Antoni Fobbs, FB-DL; Kevin McArdie, WR-DB; Jeffrey Rogers, RB-DB; Jason Scheerer, WR-DB; Don Thomas, OL-DL.

Morrisville: Bob Angelini, RB-DB; Brian Fennimore, OL-DL; Jermaine Livingston, WR-DB.

Neshaminy: Adam Behar, WR-DB; Jim Dietz, QB; Frank DiSandro, RB; Jason Jonigkeit, WR; Jim Kelly, DB; Mike Kelly, DB; Greg Mininger, OL-DL; Kevin Mullins, LB; Mike O'Brien, TE-LB; Josh Vetter, K.

Pennsbury: Josh Burden, WR-DB; Jim Clayton, OL-DL; Paul Copenhafer, TE-DE; Brad Morgan, OL; Keith Johnson, RB-DB; Craig Lough, K-P; Jim Roberts, WR-DB; Dave Schimpf, QB-DB; T.J. Tignor, FB-LB.

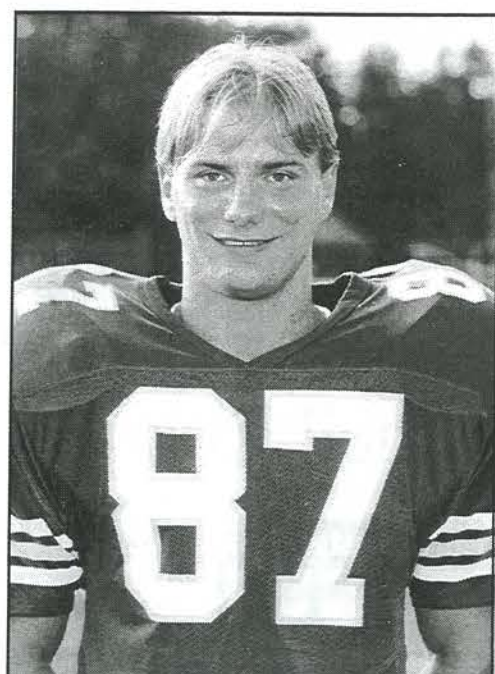

Head coach: Biz Keeny (Bensalem). **Assistant coaches:** Tony Dragani, Lorenzo Henderson, John Karpinski, Barry Kline, Dave Nolter, Michael Pacitti (Bensalem).

The 1998
All-Star Committee
extends a
"Big Thanks"
to "everyone"
for their support
in making this year's
ALL-STAR GAME
so successful.

The All Star Committee would like to extend a special "THANK YOU" to Dan Taylor for the many years he has served as the Master of Ceremonies for the Football Banquet, the Public Address Announcer at the Football Game and for his assistance at Press Nite. Dan is a graduate of William Tennent High School, Bucks County Community College and Temple University. For many years, he has been associated with local radio and is currently a free lance commentator on the Suburban Community Television Show "Sportsline". Again, many thanks to Dan for all he has done to make the All Star Game a success.

Financial solutions for the way you live today

and the way you want
to live tomorrow.

Soccer practice, ballet lessons and the veterinarian. And no time to think about planning for tomorrow. Getting through today is tough enough.

At Keystone Bank, we make financial planning for tomorrow easy. With our Relationship Banking packages like KeySourceSM, you'll get banking convenience today with the planning that is essential for tomorrow. Stop into your local Keystone Bank office and talk to a Relationship Banker. Because your tomorrows are just as important as your todays!

We salute the Lions and Players who have chosen to express their competitive energies in such positive and supportive sports as this All Star Football Classic:—

The Citizens Crime Commission of Bucks County

The Citizens Crime Commission of Bucks County is a private, voluntary, non-profit organization of business and professional firms and concerned citizens dedicated to

- *improving the criminal and juvenile justice systems;*
- *diminishing the causes of criminal activity and stimulating public interest therein;*
- *aiding law enforcement agencies in the proper discharge of their duties; and*
- *participating in efforts to prevent crime and delinquency.*

Realizing that crime, drugs and violence, and the measures we have taken to deal with them, have cost over half a Trillion Dollars every year, not counting the personal loss in lives and broken families, we know that we cannot escape either the responsibility or the opportunity of becoming personally involved; and of becoming not merely angry, but effective! You, your family and your firm are invited to join with us.

For information, call the Lower Bucks County Chamber of Commerce, (215) 943-7400, and speak to Lion George Oppenheimer, Jr., Executive Director of the Citizens Crime Commission of Bucks County, or write the Commission: P. O. Box C, Yardley, PA 19067-8120.

Please watch your local cable channels for replays and followup broadcasts of programs sponsored by the Citizens Crime Commission focusing on violence in the workplace, the schools, the home and on the streets, and watch for copies of the "Danger Quotient Quiz" through which you can express your own perception of the problem and its solutions!

*Support the creation and growth of Leo Clubs
and the Lions Youth Outreach Programs
to create a healthy community with
positive values for our youth!*

**GOOD LUCK
TO
BUCKS COUNTY ALL-STARS**

Traction by Design™

The Green Keepers Difference.

"Since I started wearing Green Keepers, I have had tremendous success on the Senior PGA Tour. No other alternative spike has offered me the sure-footed traction that Green Keepers do. Green Keepers have become the spike of choice for me."
- Hale Irwin

Self-Locking Threads

Ribbed thread design assures cleat stays tight

Outward-Angled Traction Teeth

Provide lateral Traction

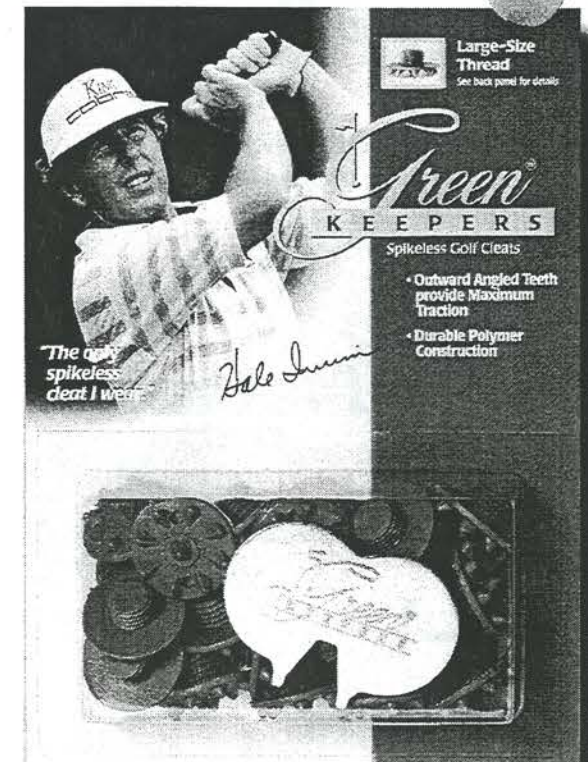

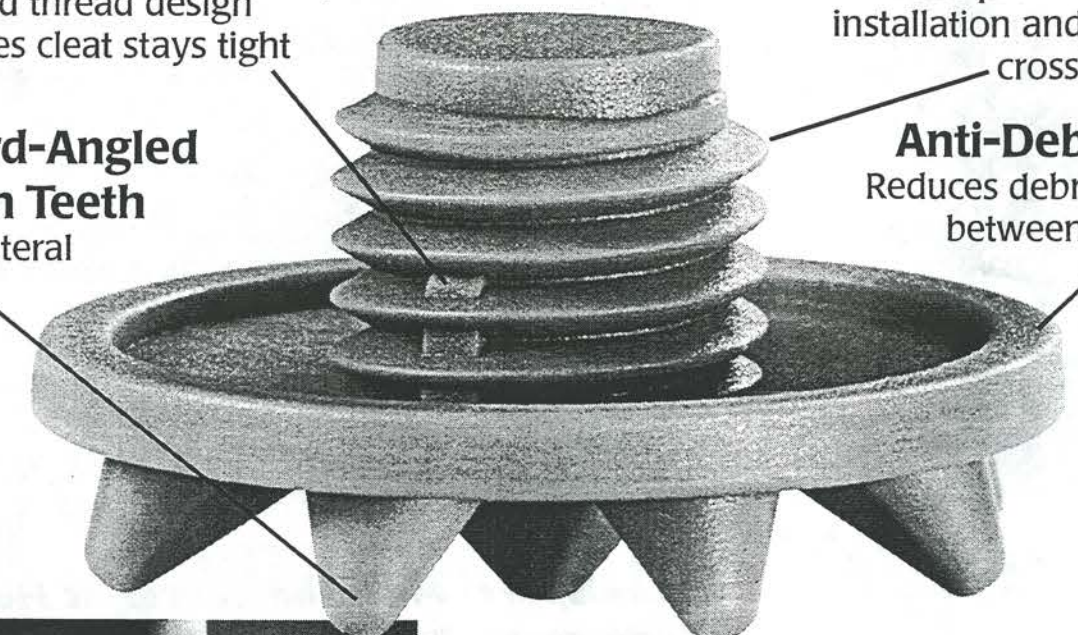

Hale Irwin

Perfect Fit

Precision ground thread sizes provide easy installation and won't crossthread

Anti-Debris Ring

Reduces debris build-up between shoe sole and cleat

Get Back in the Thick of It.

Don't let an injury put you on the sidelines this season. Whether you're in team sports or a solo walker, we'll help you recover from an injury and get back to enjoying your sport.

Our exceptionally trained sports medicine specialists will evaluate and help you rehabilitate in our outstanding facilities which include physical therapy, aquatic therapy, sports medicine and industrial rehabilitation.

Whether you're a high school athlete, an aerobics enthusiast, or a weekend warrior, don't miss out on the best season.

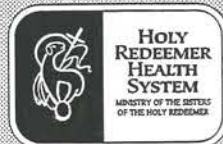

Call the **Sports Medicine Center at Holy Redeemer** at **215-938-1500** for total care from any sports injury.

Dr. Robert Mannherz, Medical Director of Sports Medicine at Holy Redeemer, is the orthopedic consultant for Academy of the New Church, Holy Ghost Preparatory, Lower Moreland High School and William Tennent High School.

Last night, while you were sleeping, the companies we invest in were busy at work. In fact, in the past 24 hours...

- **Coca Cola** served **840 million** soft drinks
- **600 million** people used **Colgate** oral care products
- **General Electric** powered **more than half** the world's jetliners
- **450 million** people shaved with **Gillette** razors
- **McDonald's** opened **8** new restaurants and served **33 million** people
- **180 million** calls were made with **Motorola** cellular phones
- **Mobil** added **1.7 million** barrels of oil to their reserves
- More than **400 million** documents were printed by **Hewlett Packard**
- **Merck** spent **\$5 million** researching new drugs.

At the Spiropoulos Group of Smith Barney, we believe in investing in companies whose financial strength and global industry leadership produce reliable earnings and dividend growth. Our primary goal is to build and protect the purchasing power of your assets. We stay focused on long-term results. **What's in your portfolio?**

The strength
of a big bank,
the service
of a small one.

Big banks offer a lot of features, a lot of resources.

Small banks treat you more like an individual. They take more time with you, go the extra mile, show you they care.

Now we'd understand if you said those are just words in an ad.

But, please, test us. Come in and see if we can give you what the big banks can. Really push us.

Watch us deliver with a smile. A thank you. A warm hand shake.

Anything to make you feel like a Prime customer.

Call Jim Lynch, President of Prime Bank at 215-836-2400 to find out more.

**MORTGAGE BANKING
WITH A DIFFERENCE**
Low Rates • Local Presence • Personal Service

"courteous, prompt and valuable service...some very creative financial thinking for our personal needs." •David Lefkovitz, Professor Temple University & Nelle Berman, President of School of Music.

"a pleasure to recommend Ray... it wasn't an easy deal... unique business properties... would have fallen through if it hadn't been for Ray's stick-to-it-iveness and pleasant personality." •Neil Ellenoff, CPA Doylestown.

"pleasant and professional business experience...responsive and knowledgeable... several competitive alternatives." •President of a Large Bucks County Company.

"I highly recommend Ray and his dedication to assuring that his clients receive the best mortgage rate and service available. We were so pleased that we recommended him to our friends. They were equally delighted." •T.C. Onstott, Professor Princeton University & Nora Anderson-Onstott, President of Health Services Company.

"worked tirelessly to facilitate our relocation from Florida efficiently and at a very competitive rate." • Ian Priestnell, Sr. VP of BetzDearborn and Charlotte Priestnell.

PRECISION MACHINING

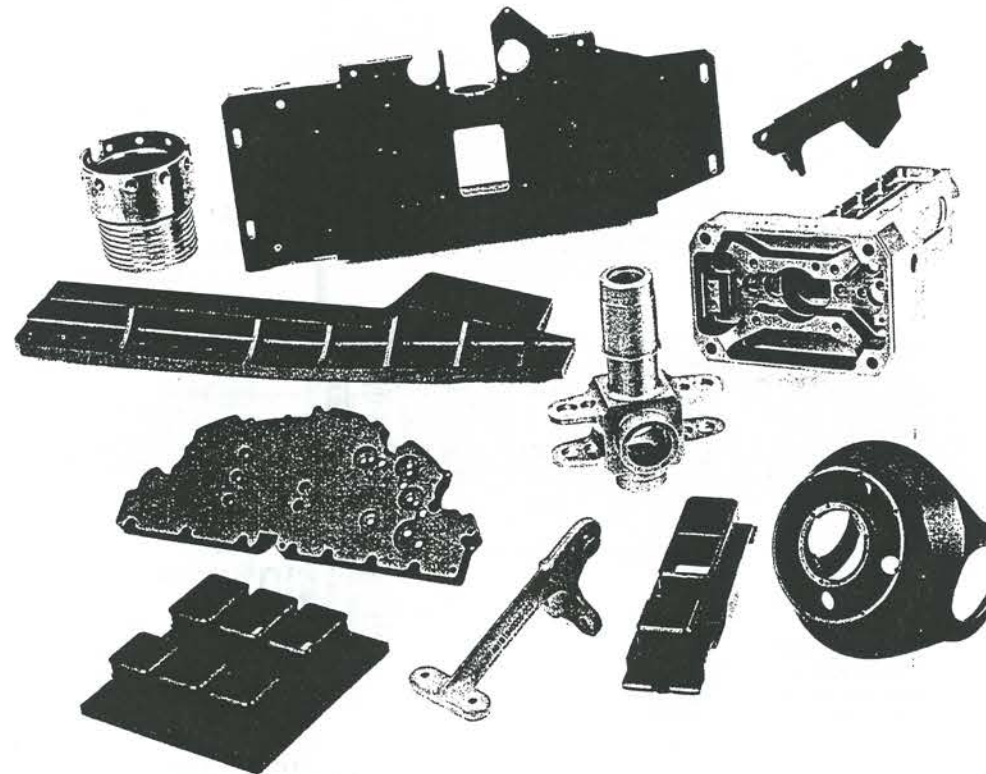

FROM THE BOTTOM OF THE SEA TO THE SURFACE OF THE MOON

Our clients are as diverse as our machining capability. Jenn has machined parts for submarines and the LEM (Lunar Excursion Module). We have earned the trust of manufacturers in a variety of industries including; Computer, Capital Goods, Analytical Instrumentation, Power Transmission and Aerospace.

Our experienced staff is expert at machining parts from wrought stock, extrusions, forgings and complex castings in materials as dissimilar as aluminum, exotic alloys, magnesium, composites and plastic.

If your part is as small as a cubic inch or as large as five by three feet and you need quantities from tens to tens of thousands, Jenn's high performance, "state of the industry" CNC machining centers and lathes supported by a Total Quality Management System ensure delivery of Perfect Parts, On Time, Every Time.

**After all, isn't that what
your company expects?**
