TRADITIONS ARE NOT BORN ... THEY ARE BUILT

On behalf of the Football Parents Club . . . Welcome to Central Bucks East Football and it's 30th season!

It may surprise some of you to know that CB East is not only the youngest school in the Power Ten Division, but in the entire Suburban One League. Many alumni and fans here today can even remember the first win, the first bonfire and the first Thanksgiving win (how sweet it was!) Through the years we have watched many exciting games and even suffered a few disappointing losses . . . all building blocks to a winning tradition . . . and there is so much more to Patriot Football.

It is the scout team player at practice that relentlessly strives to make himself and teammates better players. It is an outstanding player and the team that enables him to showcase his talents. It is winning a game on sheer will and determination to beat the odds. It is a team that functions as one, each player equally important and an integral part of the whole. It is faithful fans, cheerleaders, the dedication of coaches, managers, staff and families.

Over the years the archives will be filled with statistics from seasons past, present and future. There are trophies and awards showcased celebrating many great accomplishments. What you won't find are records of the true spirit and essence of the Central Bucks East Patriots. It won't explain why kids want to play Patriot Football. It is not able to record the camaraderie and dedication of it's players and it's fans! You will not see the sweat, hard work and endless days of summer camp. It will not chronicle the determination of all these young men. There are no trophies for all the faithful fans. But every one of us who has experienced Patriot Pride knows it is each of those building blocks, the history of East Football that has brought us to this point in time.

So all you Patriots, on and off the playing field, join us in celebrating the 30th year of Patriot Football. We are all the building blocks of the Central Bucks East Football tradition.

Sincerely,

Mark R. Umbrell
President
CB East Football Parents Club

In Loving Memory Of
Adam Nelson Henry
 July 20, 1981 – September 30, 1996

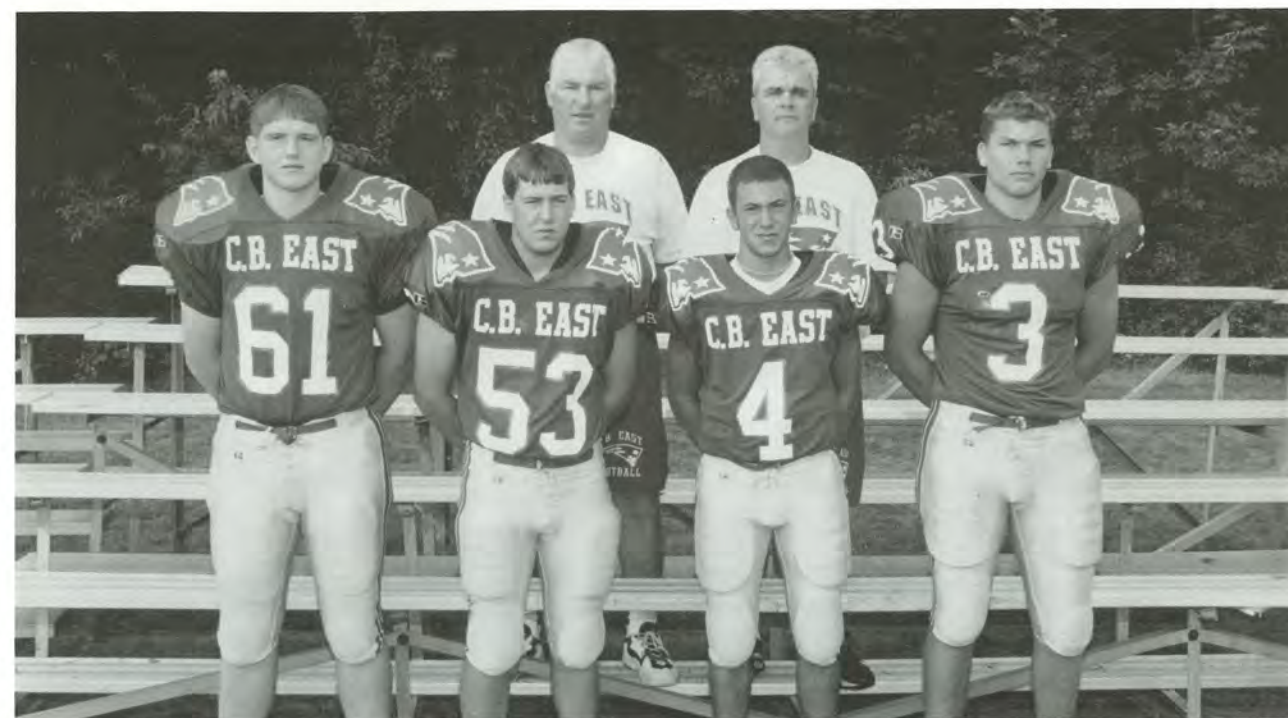

"I have learned that passing the ball, hitting the sacrifice fly or playing the offensive line may not make me the super star athlete. If this is what is required of me in order to help my team to be stronger, I will do them to the best of my ability and be the very best team player that I can be."

- Adam Henry, May, 1995

Scholar, Athlete, Friend, Cherished Son and Brother

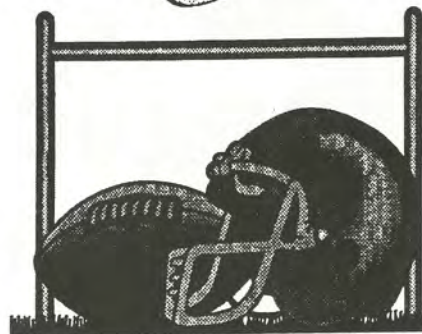

This kind hearted, good natured boy moved through his too brief life with a quiet strength and dignity. Adam's passion and love of life touched the hearts of his family, friends, classmates and teammates. His dedication to excellence, desire to succeed, and ability to inspire those around him have left us better people for having known him.

1998 Central Bucks East Marching Band

The Central Bucks High School East Marching Band is proud to be performing for you today. The 90 member "Patriot" Band performs for football games, parades, band competitions and community events. The band has performed throughout the United States including Disneyland in California, Disney World in Florida, The Kentucky Derby Parade in Louisville, and The Saint Patrick's Day Parade in San Diego. Recently the band was chosen to represent Pennsylvania in the "La Parade de Paris 1998" and the "Parade de Chantilly" in Paris, France.

This year's half time show opens with music from the Broadway musical Ragtime, featuring John Blumenstock on trumpet. Next we continue with the very popular and energetic Birdland. We feature our percussion on an exciting original written by drum instructor Dave Mohr. We close our performance today with a classic closer Dindi, featuring John Blumenstock and Sean Kane on trumpet.

This year our dedicated section leaders and officers are: *President* Tim Bagnall, *Vice President* Christy Conley, *Secretary* Jen Lupo, *Treasurer* Amanda Johnson, *Flute* Christine Burgess, *Clarinet* Josh Fox, *Alto Sax* Krysta Scott, *Trumpet* John Blumenstock, *Baritone/Mellophone* Carrie Woodling, *Trombones* Pete Mills, *Sousa/Bari Sax* Samantha Wiff, *Drumline* A.J. Wilson and Dave Hess, *Pit Kari* Kulp and Jen Nomides, *Color Guard* Kristen Tetterer and Katie Graham, *Chief of Band Operations* Chris Sherner.

The Band Director is Mr. Harry Bower. The Assistant Director and Drill Designer is Mr. Bill Hallman. The Color Guard is instructed by Mrs. Fran Lauritano. The Drum Instructor is Mr. Dave Mohr and drill assistant is Mrs. Lydia Fitchman.

The band is under the field direction of senior Drum Majors Heather Lauritano and Dale Geyer. We hope you enjoy the show!
