"A WINNING TRADITION"

Rod Stone
Principal, CB West

PRINCIPAL'S MESSAGE

On behalf of Central Bucks High School West, I welcome all of our spectators to War Memorial Field for today's football game. Central Bucks West, home of the "Bucks" is proud of its tradition of excellence in football. We trust that you will enjoy today's game and your visit with us.

The cheerleaders, band members, and teams have worked hard to present a quality performance today. It is our hope that the dedication and hard work put forth by these students and staff members is appreciated.

The athletic program is an important part of the total educational program offered our young people and it is in this program that the spirit of teamwork and sportsmanship are taught. We kindly invite you to enjoy the game and ask that you treat our War Memorial Field with dignity and respect.

In Loving Memory of
Jodilyn Vineis

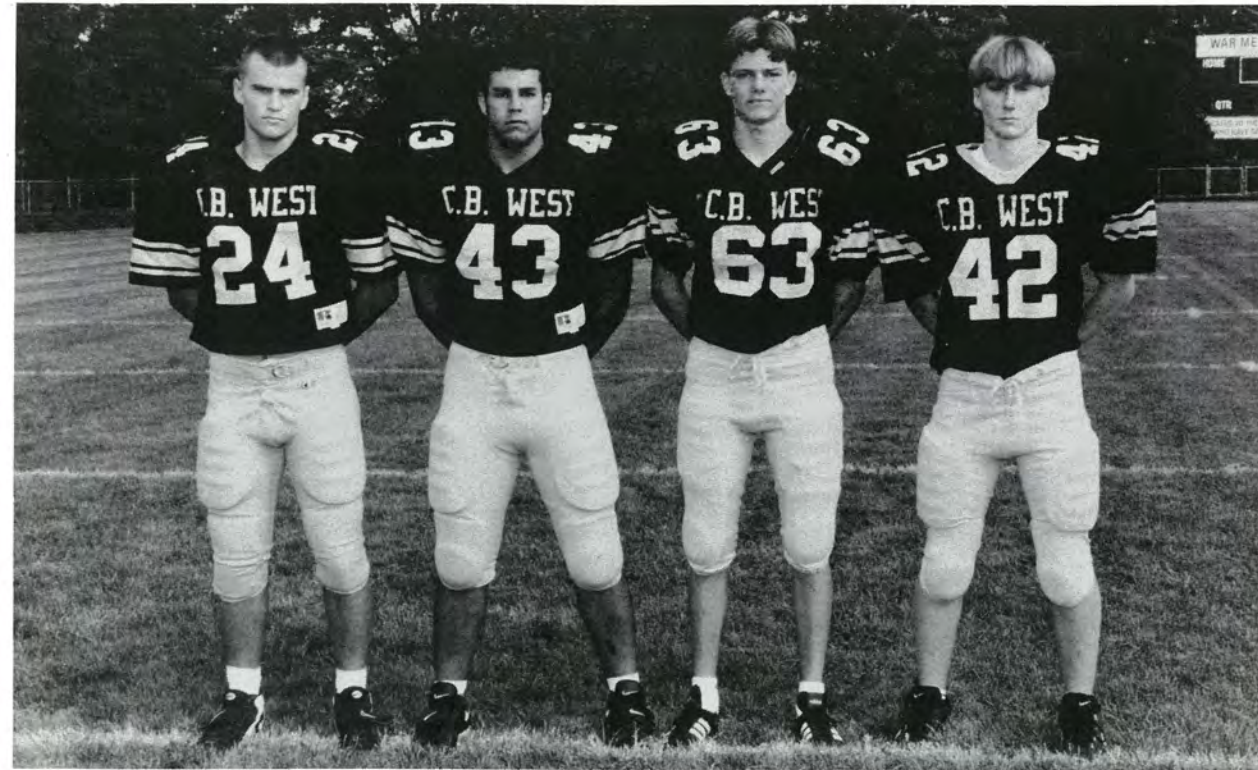

As a cheerleader at Central Bucks West for only a few months, Jodi expressed to the Coach, other cheerleaders, and friends how much she always wanted to be a West cheerleader, since both of her parents were graduates of West. In her 15 years of life her radiant smile will always be remembered by all who met her.

In Loving Memory of
William M. Dostal III

Bill enjoyed his family, friends and being a part of C.B. West football. We will always remember the quiet moments, the smiles, and the way you made us laugh.

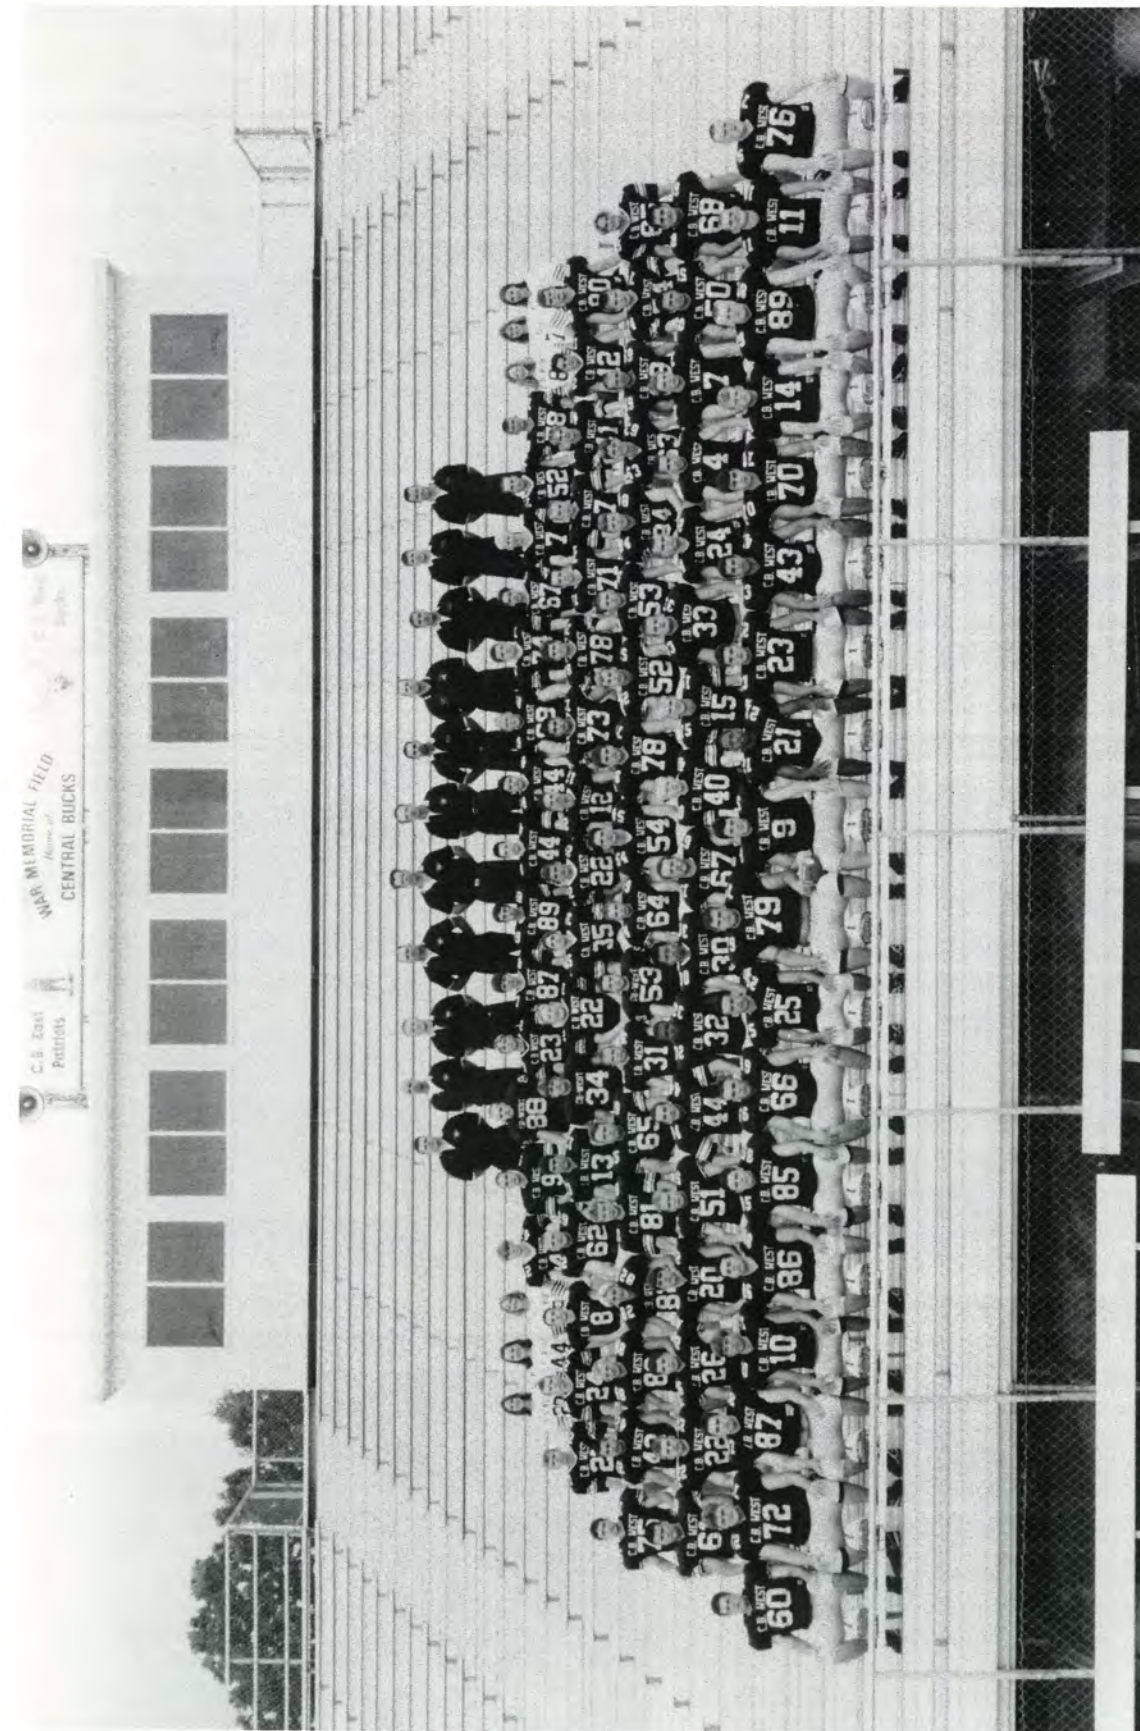

Love, from all of us

PIAA CLASS AAAA PENNSYLVANIA STATE CHAMPIONS 1997

It is not the critic who counts, nor how the strong man stumbles and falls, nor whether the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood, who strives valiantly, who errs and comes short again and again; who knows the great enthusiasm, the great devotion, and who spends himself in a worthy cause, and if he fails, at least fails while daring greatly so that he'll never be with those cold and timid souls who never know either victory or defeat.

Best of luck to my son, Angelo Palena.

A CONTINUING CHAPTER INTO THE WEST LEGACY

This week's edition of the Central Bucks West Gameday Program is highlighting past C.B. West Football seasons, and will continue to do a recap of past "Bucks" players in future programs.

Many a Central Bucks West family has had more than one player hit the field at War Memorial. This was the case with the Baggett family. Chris Baggett graduated in 1985 while brother Matt graduated in 1987—both years the "Bucks" went 11-0 for the season. The record setting winning streak of 53 straight victories and 55 games without a loss began with the 1984 season.

Matt Baggett (#13)	Chris Baggett (#24)
Matt, a 1987 graduate from Central Bucks West still recalls playing with his brother Chris in the 1984 East/West Game. Matt, who played a running back and defensive linebacker for the "Bucks" continued on to play linebacker for Penn State. While at Penn State, Matt pursued a degree in Speech Communications and has since held positions in both Sales and Management.	In 1984 Chris, a quarterback for the undefeated "Bucks", is still in the record books as one of the Top 10 Performers in 1985. Chris had a 52.2% completion rate and 757 yards passing. Chris graduated from Central Bucks West in 1985, moving on to the University of North Carolina in Chapel Hill. Chris majored in Industrial Relations which resulted in his current occupation as a District Sales Manager.
1986 was the first season in the Suburban One League, National Conference.	While at West, Chris played quarterback and defensive back. His favorite memory is playing with his brother Matt for the first time in 1984 when Matt joined the team as a sophomore.
