

Longo Named To Honorable Mention On All - State Team

United Press International All-State Football Team

There's another gold mine awaiting college football recruiters in Pennsylvania this year.

All the prospectors have to do is pan the ore in the 1964 United Press International All - State Football Teams to come up with:

—A nugget of a quarterback who set what is believed to be a record for the state by throwing 27 touchdown passes. His name — John Waller, of Ridley Township in suburban Philadelphia.

—Another rich strike in signal caller Terry Hanratty of Butler who not only threw 14 touchdown passes but carried for 634 yards—an incredible total for a quarterback.

Two-Way End

—A pure gold end — Dave Bradley, of Chief Logan — who was equally good on offense and defense. The 36 passes Bradley caught were good for 473 yards and five touchdowns. To balance this, he was credited defensively with blocking seven punts, recovering nine fumbles and scoring two safeties. He is better than college size already at 6'3" and 215 pounds.

—Some sterling silver in the other terminal, Montour's Ed Kwalick, whose team was never beaten in his three years as a two-way varsity starter. Coaches called him the best all-around player in the state.

—A mother-lode of a fullback in Altoona's 235-pound Mike Reid, the biggest vote-getter on the squad. Reid, although playing full time in only seven games—he sat out several with an injury — rushed for more than 900 yards, played tackle on defense, scored 107 points, kicked 23 of 30 extra point attempts and booted 35 and 39-yard field goals.

Duquesne Workhorse

—A rich mine in 210 - pound Steve Edwards, of Duquesne, who piled up 1,549 yards in 203 carries as the workhorse of his team. Like most of the boys on the first team, Edwards was a two-way player who intercepted seven passes from his defensive halfback position.

The balloting for the quarterback position was so spirited it resulted in the naming of two signal callers for the first time in the 12-year history of the all - state squad. Right behind Waller and Hanratty were such excellent field strategists as California's Tom Digan, Lock Haven's Ted McKnight, Pottsville's Rick Laubach, Hempfield's Bob Naponick and West Pittston's Ron DeLuccia.

U.S. Tied In Canadian

KAANAPALI, Maui, Hawaii, (UPI) — The United States, with Arnold Palmer playing his best golf in many months, shared the lead with South Africa today at the start of second round play in the Canada Cup matches.

Palmer holed out a 114-foot chip shot for a birdie en route to a six-under-par 66 in the opening round Thursday to gain a two-stroke lead for the individual title while teammate Jack Nicklaus added a par-72 to give the defending champion Yanks a 138 aggregate score.

This total was matched by South Africa's Gary Player and Denis Hutchinson, who posted identical 69's over the long, sun-drenched Royal Kaanapali course on this picturesque island 75 miles south of Honolulu.

Argentina followed the deadlocked Yanks and South Africans at 140, one stroke ahead of the host team of Hawaii. Then came the Philippines (142), Brazil (143), China and England (144 each), and Canada and Australia (146).

China's Chen Ching Po was Palmer's closest pursuer in the individual race with a 68, while Hawaii's Ted Makalena, Brazil's Jose Maria Gonzalez and Argentina's Leopoldo Ruiz were bracketed with Player and Hutchinson at 69.

Most of the 2,500 spectators at the opening round followed the Yanks, and Palmer provided them with a shot to remember on the par-three, 205-yard 16th.
