A Letter from the Superintendent

Welcome to Neshaminy's Heartbreak Ridge

I am honored to be able to welcome you to Harry Franks Stadium and the 2020-2021 Neshaminy High School Football Season. While the circumstances have changed significantly since last season, the Friday Night Lights of Harry Franks Stadium remains the goal as a reminder of the tradition and legacy of Neshaminy. This simply is just one of many icons that mark the pride and long standing tradition surrounding Neshaminy High School, our football program, and the community.

What has not changed is the collaborative effort of hundreds in sustaining those traditions. The clanking of weights; the practicing of cheers; the sound of drums has been heard for months as students, coaches, directors, and parents demonstrate their collective commitment to excellence in preparation for the fall sports season.

To the Students on the Football Team, on the Cheerleading Squad, and in the Marching Band:

You are part of a select group of students who get to wear the "Skins" logo. You earned this honor by demonstrating not only excellence on the field; but you also carry the pride, character and commitment embodied in the "Skins" logo beyond the playing field into the classroom and hallways of NHS. These qualities will take you far. Cherish these moments and thank you for leading our high school by example.

To Mr. Magdelinkas, Coach Wilmot, Director Lipton, Coach Cabeza and their staffs:

Year after year, you provide our students, their families, and community with a program second to none. Sustainability is your legacy. While you may get a few hours in the lights, most of your work is done in the shadows. Please know your individual, daily efforts – though largely unnoticed – are greatly appreciated as they contribute significantly to something much larger than each of us.

To the "N" Club, Cheer Boosters, and Band Boosters:

It is clear that a School cannot do it alone. Your extraordinary efforts, in support of our students and our high school, provide immeasurable value to the Neshaminy High School student experience. A simple "Thank you" doesn't seem to suffice; but that is all you ask from us.

To the Neshaminy Fans:

For some, tonight is your first game. Some of you have been coming to Heartbreak Ridge for years; some for decades. You come whether we win or lose; you come rain or shine; maybe because you're a parent of a student; or maybe you wore the "Skins" logo somewhere in your past; or maybe you simply bleed Blue and Red. Thank you for supporting our students and co-curricular programs at NHS.

With Neshaminy Pride... "Go Skins!"

Rob McGee, Ph.D.

Superintendent Neshaminy School District

92 YEARS OF TRADITION

HERE COMES OUR REDSKINS!

Welcome to Harry E. Franks Stadium and the 2020 Neshaminy High School Football season. I could not be prouder of our football players, cheerleaders and marching band members who have worked extremely hard in the off-season toward adding their chapter to the rich traditions of Neshaminy High School. I want to acknowledge our parents, coaches, school directors and ground crews who have made incredible efforts to continue the legacy of the Neshaminy Redskins.

The “Skins” logo that our football players, cheerleaders, and marching units wear proudly demonstrates the commitment to the values and beliefs of Neshaminy High School. These students are school leaders who make a positive difference in our halls every day and on our fields every night. Their time at Neshaminy High School will go by quickly, but the memories will last forever; and I encourage them to be in the moment and take it all in.

I would like to thank Mr. Magdelinskas, Coach Wilmot, Director Mike Lipton, Coach Cabeza and their staffs. They work countless hours and make personal sacrifices to offer our students top-notch programs. The impact they leave on our student athletes and marching band members is their true legacy. Please know that we appreciate everything these men and women do to better the lives of our students.

I would also like to thank the “N” Club, cheer boosters, and band boosters. Simply put, their extraordinary efforts make Friday night football at Heartbreak Ridge the best home-field experience around. The school could not do it without these incredible groups of volunteers.

And Neshaminy’s loyal fans are what make all of the above so exciting. There are some season-ticket holders in the stands tonight who have been right there for 30+ years. I thank all of you for joining us at tonight’s game, taking in the crisp night air and enjoying the sights and sounds that signal Fall. You and your unconditional support of Neshaminy High School’s co-curricular programs are truly among our greatest treasures.

Go Skins!

92 YEARS OF TRADITION

NHS ATHLETIC DIRECTOR TOM MAGDELINSKAS

Welcome back to a new school year and what is sure to be an exciting football season. Each week in the fall, the Neshaminy Community reunites to cheer our football team. Former Redskins recall past glory while future Redskins look on as their heroes take on rival teams. In the stands, friendships are rekindled under the Friday night lights. Coach Tonya Cabeza's cheer team performs acrobatics routines and they have established their own standard of excellence. The band, under the direction of Mike Lipton, provides a fantastic visual and musical experience. Our games truly bring out the best in our students and community.

I would like to extend my sincere gratitude to Head Coach Steve Wilmot and his staff. They have worked countless hours to ensure our team is prepared for the rigors of the Suburban One League match ups. Our players have committed countless hours of sacrifice and hard work to continue the Neshaminy football legacy. In addition to being great

athletes, our students are held to high academic standards. The combination of academics and athletics help to prepare our students for the challenges that lie ahead.

Finally, my thanks to the Neshaminy "N" Club for their tireless efforts to establish our program as one of the best in the state. Whether it is the pride stand, fund raising, player meals or the concession stand, all of your work is first class.

I would also like to invite you to the many games and events that take place on our campus throughout the year. I look forward to meeting you.

Yours in Neshaminy pride,
Thomas J. Magdelinskas
 Athletic Director

HEAD COACH

Welcome from Head Coach Steve Wilmot

Welcome to the 2020 football season on Heartbreak Ridge. During my twenty-six years coaching at this remarkable school, I have heard stories and have witnessed many great feats of courage and teamwork put forth on this field. Since 1955 this stadium and the student-athletes who have played in it, have represented the core-values of the entire community; Hard-work, sacrifice, and dedication. This year's team will not disappoint in any of those three areas.

This year's seniors have worked very hard for the right to play their five regular season games in this stadium. The class of 2021 Neshaminy Redskins features some great academic as well as athletic talent. Most importantly this class continuously demonstrates to me a high standard of character. I would first like to say "good luck" to this great bunch of teenagers.

The assistant coaches I work with are more than just colleagues to me. They are part of my extended family. Time after time, they demonstrate to our athletes what good character looks like both on and off the field. They impart all of their vast football knowledge into our players and put countless hours into their endeavors. I would like to thank both them and their families.

I would like to commend our Neshaminy administration for all that they do for supporting our program. Thank you to Dr, Robert McGee, Superintendent of the finest school district in Bucks County and Principal Ryan Staub. A big thank you is extended to our athletic director Tom Magdelinkas. He has served the role as a mentor to me and has provided our team with all the resources we need to be successful. To these administrators, and all the assistant principals at Neshaminy High School, I say thanks.

The Neshaminy "N" Club, under the leadership of Jenn Rickards is an organization second to none. This booster club spends countless hours planning and fundraising to ensure our coaches and players have all the resources they need, and generally enhance the experience of all the players during their time here. Thank you to all the parents that participate, but especially to the "N" Club board, who really go above and beyond.

The experience on Friday nights at Harry E. Franks Stadium is one that is known throughout the state of Pennsylvania. This would not be possible without the combined efforts of the band, the cheerleaders, and the dedicated fans of the community. Thank you to Mr. Lipton who directs the band, and Tonya Cabeza who coaches the cheerleaders. A big thank you to the fans. Whether you are attending your first game, or having been coming to games here for 50 years, it is the fans who make all the hard work our football players put in pay off.

On behalf of the Redskin Football Family, please enjoy the season and thank you for your support.

Steven Wilmot, Head Coach

2020 *Neshaminy Skins* MARCHING BAND

Neshaminy High School Marching Band 2020-2021

We are proud to present the 2020-21 Neshaminy High School Marching Band. This year the band is comprised of 117 members, which includes 91 musicians and 17 color guard. The band is directed on the field by Drum Majors Hannah McCormick, Jaden Bradby and Tyler Dowis. The band director is Michael Lipton. Band staff includes Lisa Boccuti, Justin Aungst, Josh Campbell, Skyler Cole, Jason Wu, Stephen Andrewlavage, Bennett Stump, Lillian Connelly, Ben Roberts and Brook Rees. Music arrangements and drill design are by Justin Aungst. Percussion arrangements are by Josh Campbell. Front Ensemble arrangements are by Bennett Stump.

The Marching Band will be kept busy this fall with performances at Neshaminy football games as well as participating in a full schedule of Marching Band Shows throughout the fall season. We will host our own 28th Annual Kaleidoscope of Bands Show on Saturday, October 24, 2020.

In our 2020 production, *Rock Through the Ages*, we travel back through the storied history of rock music. From the psychedelic 60s, through the punk rock bands of the 2000s, we perform a variety of crowd favorites spanning many genres and styles. Our show opens with the powerful sounds of Queen's *Bohemian Rhapsody*. This quickly changes style into the rocking beat of *Kashmir* by Led Zeppelin. After that trip through the 70s, we step back to the 60s for a beautiful rendition of the Simon & Garfunkel classic tune, *The Sound of Silence*. Continuing our journey through the ages, we blast forward to the 2000s as we play *Welcome to the Black Parade* by My Chemical Romance. As the show rapidly switches songs and decades to an exciting conclusion, we also hear from the likes of 3 Doors Down and a-ha, before coming back to where we started with more music from *Bohemian Rhapsody*. Just when you think it's over though, there may be a special encore in store just for you...
