# Fumbles Make The Difference In North's Loss To South

A painful nightmare which plagued Penridge football fans last season arose to destroy the North All-Stars Saturday as the North fell to underdog South 20-14 at Doylestown's War Memorial Field. The nightmare was turnovers. Penridge had plenty of them last season in costly situations. The North had more than enough of its share Saturday, especially between the quarterback and the center, and those fumbles, alas, made all the difference in a tight and exciting contest played in a mist of damp-falling rain.

At one point in the second quarter, quarterback Todd Norley of Central Bucks West and center Lou Granducks of William Tennent misconnected on three consecutive exchanges inside the South 20-yard line. It was a problem that was bound to come considering the rain, the lack of playing time between the players, and the inability of North coach Joe Franchella to resolve the problem in practice.

The problem did not become significant until the second half. North dominated the first two quarters and most of the third before the roof fell in and the ball jointed loose.

Norley and Steve Kettleberger of Archbishop Wood were at the helm of an effective North offense in the first half, putting South off balance while mixing good passing with runs by fullbacks Bob Branch of Central Bucks East and West's John Spinosa and tailbacks Brian Moyer of Penridge and Bob Keough of Wood.

It was none other than Jon Thomas of Penridge who set up North's first score with seven minutes remaining in the first quarter. Thomas decked South quarterback Dick Kirby, forcing a fumble which was recovered by Joe Ellis of William Tennent on the South ten-yard line. The ball was taken in by Branch from a yard out.

With the same amount of time left in the third quarter, the North scored its second touchdown to increase the score to 14-0. Norley hit flanker John Mignon of Central Bucks East with a 40-yard touchdown pass down the left sideline.

In between, the North missed plenty of opportunities to break the game open. Ahead 7-0, the North sloughed downfield on a bruising drive which ended on a fumble and

an incomplete pass. A 25-yard field goal attempt by Branch missed.

Not long afterward, the North again made its way downfield to the South 30 before a pass interference call on fourth down stopped the drive.

It took the South a while to get its Wing-T offense working so as to take advantage of the North's missed opportunities and fumbles. It was not until the second half, and particularly the final quarter, that the South rallied its forces.

Tailback Keith Armstrong from

Bishop Egan and fullback Blaine Applegate from Pennsbury led the rally. Near the end of the third period South made the score 14-7 on a touchdown pass from Kirby to Ken Grange of Bristol, who ran 30 yards for the score.

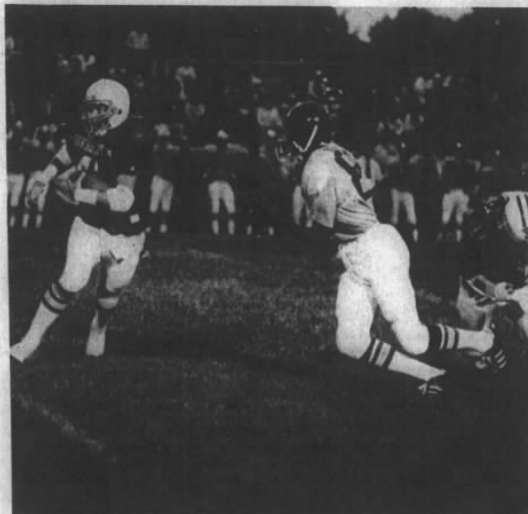

The eventual victors tied the score early in the fourth quarter on a crushing 75-yard drive that was capped by a six-yard touchdown burst by Armatong.

A successful onside kick led to South's game-winning touchdown. The final score was gained on a 14-

yard run off tackle by Steve Zoldi of Morrisville.

Of the six Penridge Rams selected to play in the Bucks County Lions Club All-Star game, only three suited for the contest. Moyer ran at tailback. Thomas played a down tackle position on the defensive line and Rick Volovnik saw action as an offensive tackle.

Mark Adair was out due to a knee strain. Doug Martella was injured with broken bones in his hand. And Mike Dornier suffered an ankle injury in practice the week before.

Penridge's Brian Moyer makes ground in Saturday's All-Star game while an unidentified South defender goes in for the tackle. Moyer gained 12 yards in this first-quarter run.
