

Rich Yoder scored on a 36-yard run with 2 minutes, 10 seconds left in the game, giving Council Rock a stunning, 13-10 upset of visiting Neshaminy yesterday.

Council Rock (2-5, 2-1), which had won only once before yesterday's Suburban One League National Conference Patriot Division game, defeated a Neshaminy team (4-3, 1-3) that was rated ninth in Southeastern Pennsylvania by The Inquirer.

Two weeks ago, Council Rock lost a 3-2 decision to Central Bucks West, the top-ranked team in the Delaware Valley.

"We've played a tough schedule against some really good football teams but didn't get any wins," Council Rock coach Walt Snyder said. "The only thing that has saved us is that we're at the top of our division now.

"Hopefully, this win today will put us on our way to being in the thick of the title race."

Neshaminy had a chance to recover, but Jeff Dillman intercepted a pass on the Council Rock 10-yard line to end the threat with 13 seconds left.
