

**Neshaminy-Langhorne (1-7) at Abington (6-2).** The Ghosts have won five in a row, but if there was ever a weekend in which they were ripe for an upset, it's this one. They beat Harry S Truman too easily last week, 41-7. They travel to Norristown next Friday night. "Do we hafta play this week, coach?" My crystal ball says that Abington will survive by a slim margin. Fortunately, Neshaminy-Langhorne is a bad football team. **Pick: Abington.**
