A Letter from the Superintendent

Welcome to Neshaminy's Heartbreak Ridge

I am honored to be able to welcome you to Harry Franks Stadium and the 2021-2022 Neshaminy High School Football Season. While the circumstances have changed significantly since last season, the Friday Night Lights of Harry Franks Stadium remains the goal as a reminder of the tradition and legacy of Neshaminy. This simply is just one of many icons that mark the pride and long standing tradition surrounding Neshaminy High School, our football program, and the community.

What has not changed is the collaborative effort of hundreds in sustaining those traditions. The clanking of weights; the practicing of cheers; the sound of drums has been heard for months as students, coaches, directors, and parents demonstrate their collective commitment to excellence in preparation for the fall sports season.

To the Students on the Football Team, on the Cheerleading Squad, and in the Marching Band:

You are part of a select group of students who get to wear the "Skins" logo. You earned this honor by demonstrating not only excellence on the field; but you also carry the pride, character and commitment embodied in the "Skins" logo beyond the playing field into the classroom and hallways of NHS. These qualities will take you far. Cherish these moments and thank you for leading our high school by example.

To Lisa Pennington, Coach Wilmot, Director Lipton, Coach Cabeza and their staffs:

Year after year, you provide our students, their families, and community with a program second to none. Sustainability is your legacy. While you may get a few hours in the lights, most of your work is done in the shadows. Please know your individual, daily efforts – though largely unnoticed – are greatly appreciated as they contribute significantly to something much larger than each of us.

To the "N" Club, Cheer Boosters, and Band Boosters:

It is clear that a School cannot do it alone. Your extraordinary efforts, in support of our students and our high school, provide immeasurable value to the Neshaminy High School student experience. A simple "Thank you" doesn't seem to suffice; but that is all you ask from us.

To the Neshaminy Fans:

For some, tonight is your first game. Some of you have been coming to Heartbreak Ridge for years; some for decades. You come whether we win or lose; you come rain or shine; maybe because you're a parent of a student; or maybe you wore the "Skins" logo somewhere in your past; or maybe you simply bleed Blue and Red. Thank you for supporting our students and co-curricular programs at NHS.

With Neshaminy Pride... "Go Skins!"

Rob McGee, Ph.D.

Superintendent Neshaminy School District

2021 Neshaminy Skins
93 YEARS OF TRADITION

HERE COMES OUR REDSKINS!

Welcome to Harry E. Franks Stadium and the 2021 Neshaminy High School Football season. I could not be prouder of our football players, cheerlead-ers and marching band members who have worked extremely hard in the off-season toward adding their chapter to the rich traditions of Neshaminy High School. I want to acknowledge our parents, coaches, school directors and ground crews who have made incredible efforts to continue the legacy of the Neshaminy Redskins.

The “Skins” logo that our football players, cheerleaders, and marching units wear proudly demonstrates the commitment to the values and beliefs of Neshaminy High School. These students are school leaders who make a positive difference in our halls every day and on our fields every night. Their time at Neshaminy High School will go by quickly, but the memories will last forever; and I encourage them to be in the moment and take it all in.

I would like to thank Lisa Pennington, Coach Wilmot, Director Mike Lipton, Coach Cabeza and their staffs. They work countless hours and make personal sacrifices to offer our students top-notch programs. The impact they leave on our student athletes and marching band members is their true legacy. Please know that we appreciate everything these men and women do to better the lives of our students.

I would also like to thank the “N” Club, cheer boosters, and band boosters. Simply put, their ex-traordinary efforts make Friday night football at Heartbreak Ridge the best home-field experience around. The school could not do it without these incredible groups of volunteers.

And Neshaminy’s loyal fans are what make all of the above so exciting. There are some season-ticket holders in the stands tonight who have been right there for 30+ years. I thank all of you for joining us at tonight’s game, taking in the crisp night air and enjoying the sights and sounds that signal Fall. You and your unconditional support of Neshaminy High School’s co-curricular pro-grams are truly among our greatest treasures.

Go Skins!

93 YEARS OF TRADITION

NHS ATHLETIC DIRECTOR LISA PENNINGTON

Welcome to Harry E. Franks Stadium, home of the Neshaminy Redskins Football Team. “Heartbreak Ridge” has been the host of many exciting games and has given many lasting memories to former coaches, players, community members and fans. Friday nights under the lights at Neshaminy High School has come to be a gathering place for the Neshaminy community and a place to showcase our football team talents, commitment and tradition, that are built on a foundation of hard work, pride and leadership.

Our committed football staff, led by Coach Steve Wilmot, works non-stop to ensure that each player is mentally and physically ready for each game while stressing the values of leadership, academics, sportsmanship and the skills necessary to succeed both on and off the playing field.

The atmosphere in the stands and during halftime would not be possible without our Marching Band and our Cheerleaders. The Marching band, led by Mike Lipton, does an outstanding job keeping us entertained throughout the game and then puts on a halftime show like no other. Coach Cabeza’s cheerleaders are full of energy and work hard to bring us outstanding routines throughout every game.

I would like to thank The “N” Club and the band and cheerleading boosters for all their hard work and dedication in supporting our teams and our high school. To all our students, fans and community members who come out to support our football team and all our other events, you are the best. The energy and excitement you bring is greatly appreciated.

A special shout out to all the Neshaminy employees who get the job done behind the scenes so that we can enjoy all our events at NHS. You are truly the best!

Remember, there is only one Neshaminy... and it shines under the lights on Heartbreak Ridge!

HEAD COACH

Welcome from Head Coach Steve Wilmot

Welcome to the 2021 football season on Heartbreak Ridge. During my twenty-seven years coaching at this remarkable school, I have heard stories and have witnessed many great feats of courage and teamwork put forth on this field. Since 1955 this stadium and the student-athletes who have played in it, have represented the core-values of the entire community; Hard-work, sacrifice, and dedication. This year’s team will not disappoint in any of those three areas.

This year’s seniors have worked very hard for the right to play their five regular season games in this stadium. The class of 2022 Neshaminy Redskins features some great academic as well as athletic talent. Most importantly this class continuously demonstrates to me a high standard of character. I would first like to say “good luck” to this great bunch of teenagers.

The assistant coaches I work with are more than just colleagues to me. They are part of my extended family. Time after time, they demonstrate to our athletes what good character looks like both on and off the field. They impart all of their vast football knowledge into our players and put countless hours into their endeavors. I would like to thank both them and their families.

I would like to commend our Neshaminy administration for all that they do for supporting our program. Thank you to Dr, Robert McGee, Superintendent of the finest school district in Bucks County and Principal Ryan Staub. I would like to welcome Lisa Pennington to the role of athletic director. She has a reputation of being one of the hardest workers in the district and has a love for the Neshaminy district and athletic program that can’t be measured. No doubt she will take our athletic programs to new heights. To these administrators, and all the assistant principals at Neshaminy High School, I say thanks.

The Neshaminy “N” Club, under the leadership of Jenn Rickards is an organization second to none. This booster club spends countless hours planning and fundraising to ensure our coaches and players have all the resources they need, and generally enhance the experience of all the players during their time here. Thank you to all the parents that participate, but especially to the “N” Club board, who really go above and beyond.

The experience on Friday nights at Harry E. Franks Stadium is one that is known throughout the state of Pennsylvania. This would not be possible without the combined efforts of the band, the cheerleaders, and the dedicated fans of the community. Thank you to Mr. Lipton who directs the band, and Tonya Cabeza who coaches the cheerleaders. A big thank you to the fans. Whether you are attending your first game, or having been coming to games here for 50 years, it is the fans who make all the hard work our football players put in pay off.

On behalf of the Redskin Football Family, please enjoy the season and thank you for your support.

Steven Wilmot, Head Coach

MARCHING BAND

Neshaminy High School Marching Band
2021-2022

We are proud to present the 2021-22 Neshaminy High School Marching Band. This year the band is comprised of 94 members, which includes 78 musicians and 16 color guard. The band is directed on the field by Drum Majors Tyler Dowis, Jaden Bradby and Samantha Quinlan. The band director is Michael Lipton. Band staff includes Justin Aungst, Michael Pettis, Austin Inman, Carla Giorno, Carolyn Cuesta, Jason Wu, Josh Campbell, Sam Monroe, Lillian Connelly, Mae Prash, Brook Rees and Brynn Chieffo. Music arrangements and drill design are by Justin Aungst. Battery percussion arrangements are by Josh Campbell. Front Ensemble arrangements are by Bennett Stump.

The Marching Band will be kept busy this fall with performances at Neshaminy football games as well as participating in a full schedule of Marching Band Shows throughout the fall season. We will host our own 28th Annual Kaleidoscope of Bands Show on Saturday, October 23.

In our 2021 production, Playing With Fire, we dare to tempt fate as we discover the power and beauty of fire. We open the show with the beautiful sounds of nature from Julie Giroux's Bookmarks from Japan as well as Alfred Reed's Armenian Dances. This is soon interrupted as we begin our journey into the fire with The Fire Sermon by Einojuhani Rautavaara. It all quickly blows out of proportion as we play an aggressive statement of the Firebird Suite by Igor Stravinsky. As the fire dies out and the smoke begins to settle, we mourn for what we have lost, as we hear the moving harmonies of Remo Giazotto's Adagio in G Minor. Not all hope is lost though, for from the ashes and destruction we begin to see new life return as we close our production with a triumphant return to Stravinsky's Firebird Suite one last time. Sit back and enjoy as we present Playing With Fire.
