The Concession Stands are operated by the Neshaminy Jaycees, a non-profit organization. By contract, 20% of our gross sales are donated to the Neshaminy Student Scholarship Fund to provide interest free loans for eligible college students from our school district. Over the last 16 years we've provided over \$24,000 for this fund. We're by far the largest contributor. Another 5% of our sales dollar goes to the School District for field clean-up and maintenance. This averages about \$600 per year. After paying our bills, any profits we realize are returned to the community in many ways. In recent years we built, and paid for, the present concession stands which are used by us and other organizations at the many events held here at the stadium.

We thank you for your patronage.

"SOME PEOPLE ARE JUST NATURALS"
"... THE "NATURAL ATHLETE" PERSISTS AS ONE OF
SPORTSDOM'S MOST CHERISHED MYTHS. WHY? PERHAPS
BECAUSE IT'S EASIER FOR US TO BELIEVE THAT SOME-
THING IS A 'GIFT'—A FIXED QUANTITY—WE'RE EITHER BORN
WITH OR WITHOUT—THAN TO BE FACED WITH THE SOME-
TIMES UNSETTLING TASK OF IMPROVING."

It's That Time Again!!

Richard H. Evans, Principal
NESHAMINY HIGH SCHOOL

Eleven exciting football games await the many loyal followers of Neshaminy football. By attending these games you will be guaranteed outstanding football talent, unbelievable half-time band pageantry, and the never-ending support of the cheerleaders. Coach Bedesem and his staff have once again assembled a talented and well-disciplined team that will provide a serious challenge to all opponents. This might well be the year that the championship comes back to Heartbreak Ridge.

Make plans now to be a part of this excitement. You can't beat the price!

Ray Kelly
Assistant Principal
Athletic Director

Welcome to Neshaminy High School

Harry E. Franks Stadium will be the site of some of the most exciting football in the Delaware Valley. Our schedule reflects an expanded Suburban One League. This new alignment will provide you with the opportunity to see our traditional Lower Bucks rivals plus Abington, Central Bucks West, and North Penn.

Three of our opponents—Downingtown, Central Bucks West, and Pennsbury—were undefeated in 1985 and state ranked.

Coach Bedesem and his staff have prepared a Neshaminy team that is ready to confront this ambitious schedule. The stage is set for an enjoyable season for scholastic football fans.

On behalf of our Football Team, Marching Band, and Cheerleaders, we wish to thank you for your support of our Co-Curricular Program.

SENIOR "INSIGHTS"

Each week we will feature five seniors and their insights and outlooks on football and life. Watch for the continuing saga in the next issue of your program.

1st Row L to R: John Magee, Phil Lepre, Mike Karmilowicz, Mike O'Rourke. 2nd Row L to R: Mike Olshefski, Bill Magdelinkas, Tom McMenamin

TOM MCMENAMIN

Wide Receiver

#3

Weight: 140 lbs. Height: 5' 8"

Born July 10, 1969 in Nazareth Hospital, Tom now lives with his parents Rita and Robert in Langhorne. He also has one brother and three sisters, two of which are married and not at home. Tom attended Oliver Heckman School and Neshaminy Jr. High School.

He plans to go on to college but hasn't decided where, but he thinks he will be studying Business Management.

Tom has played little league baseball with the Pennel Wildcats as a second baseman and also played midget football for 8 years with the Wildcats as a lineman. His favorite thing though is snow skiing and he goes frequently to the Poconos. This year he plans to polish his advanced skill at Vail, Colorado with a friend.

He likes football a lot and thinks of it as "my favorite sport but hard to play; it's tough—the hitting and all and actually, at wide receiver, I don't get to hit as much as I'd like. Our coaches are great; they're the reason we're winning and why there is more interest in the game."

BILL MAGDELINKAS

Tight End

#84

Weight: 190 lbs. Height: 6' 0"

Born in Lower Bucks County Hospital on August 18, 1969, Bill lives in Langhorne with his parents Tom and Gertrude and one brother. He also has one older brother and an older sister who are married and not at home.

Bill wants to go on to college somewhere in the Pennsylvania area to study Computer Science and Mathematics. He presently has a 2.8 grade average and wants to do better before this year is over.

He wrestled at 185 lbs. in the 7th grade and finished 4th in the sectionals tournament at that time. He also sings in the concert choir as a bass. Bill played football early at Assumption Catholic Youth Organization and played for 6 years.

Bill thinks football is a lot of fun and he likes the physical contact and total team effort he sees on the Redskin Team. "I like the feeling of winning and getting along with all the other guys on the team."

SENIOR "INSIGHTS" (continued)

MIKE OLSHEFSKI
Offensive Guard

#62
Weight: 175 lbs. Height: 6' 1"

Mike was born in the Lower Bucks County Hospital on October 4, 1969 and now resides in Levittown with his parents Marcia and Stan and his two older sisters. Mike went to Queen of the Universe School and Neshaminy Jr. High and Carl Sanburg Jr. High.
Mike is thinking of attending Temple University and studying Business Administration.
Football has helped Mike "... make good friends and has helped to build his confidence up. The game has really taught me to keep my cool and has calmed me down, something I needed. Our coaching is great and the whole school is with our football program now."

MIKE O'ROURKE
Offensive Tackle

#69
Weight: 200 lbs. Height: 5' 7"

Mike O'Rourke was born in Queens, New York on December 1, 1969 and came to Levittown in 1982 with his parents Michelle and Michael and one sister. Mike attended Carl Sandburg in the 9th grade before coming to "Redskin Land".
Mike plans to go on and continue his studies at Bucks County Community College and there he hopes to find out what it is that he really wants to do.
Since this is Mike's last year playing football, he wishes he could have started playing earlier so that he could have seen more varsity action. But he's proud of having gone out for the team and having stuck it out all year.
He likes his coaches even though he admits "they can be a bit 'testy' at times but I realize they're only looking out for my own good and that they want me to be the best I can be."

MIKE KARMILOWICZ
Defensive Back

#6
Weight: 160 lbs. Height: 6' 0"

Born on November 8, 1968 to Elaine and Dr. Pete Karmilowicz in Nazareth Hospital in Philadelphia, Mike now lives in Langhorne with three sisters and one brother. Another brother is serving with the U.S. Marines in Okinawa. Mike went to Oliver Heckman Elementary School and, like many other Redskins, went to Neshaminy Jr. High School.
Mike would like to study Pre-med and become a doctor like his father and is thinking about Bucknell or Villanova's Pre-med Program.
Mike's grade point average is 3.20 and he has made the honor roll a number of times.
Mike thinks that football is "... a fun sport, one that enables you to learn from your mistakes and one that disciplines you now and for your life's future activities." He also thinks his coaches are "the best in the state" and he appreciates how these coaches "took a 3 and 8 team and made it an 8 and 3 team. Coaching does matter!"

PHIL LEPRE
Defensive Tackle

#67
Weight: 215 lbs. Height: 5' 11"

Big Phil Lepre was born in Nazareth Hospital in Philadelphia on December 30, 1968 and now lives in Penndel with his parents Janice and Phil and his brother Michael. He attended Albert Schweitzer School and Neshaminy Jr. High School. Phil was captain of his Neshaminy Jr. High School 8th grade football team.
He plans to go on to a junior college or preparatory school to get his scholastic records in order before going on to college. He's now looking at Dean Junior College in Boston because they have a good junior college football program as well as academic preparation. Phil plans ultimately to study Criminal Justice and perhaps become an FBI agent.
Phil likes football because he finds it personally "challenging and rewarding and Coach Bedesem has given me a good opportunity to learn and become a more disciplined individual."

JOHN MAGEE
Offensive Guard

#59
Weight: 185 lbs. Height: 5' 11"

John was born in Bristol on March 3, 1969, the son of John and Sandra Magee who now live in Langhorne. John has a brother Scott (a 1985 Redskin) who goes to West Chester University and a sister Kelly at home. John went to Oliver Heckman Elementary School and Neshaminy Junior High School before becoming a "Redskin".
His plans for the future include going on to college, perhaps West Chester like his brother Scott, to study Liberal Arts and prepare for the future. He would very much like to play football if he can acquire the size and if things work out for him this year.
John likes the toughness of football and the fact it makes you "toughminded" ... and I like the games a lot because of the competitiveness of them. You have to be smart to play well and not just anyone can do this sport. I really like it and I like being 'in the trenches' as a lineman."

Football is an endeavor that demands great physical conditioning, the coordination of many individuals as one, and yet teaches judgement and morals like few other sports.

BUCKS WAS OUR START!

These six alumni took advantage of Bucks County Community College's affordable tuition, accessibility and teaching excellence to transfer to four-year schools or universities. Their experiences are shared by thousands of other graduates who can also say, "Bucks was our start."

"BCCC was a very good choice for me when I graduated from high school uncertain of my scholastic and career alternatives. The tuition was low and there were many programs which one could transfer to four-year schools."
 —Timothy M. Malloy
 Levittown '83
 Attending, La Salle University

"(In attending Bucks) I saved money, made many friends and was able to get my B.S. degree in the same period of time as those who attended Drexel from year one."
 —Mark A. Reinhold, Yardley '82
 B.S., Drexel University '84

"BCCC has a good academic selection. Once I chose a major, (the) courses were relevant to my career objective."
 —Anna V. Burns, Holland '85
 Attending, University of Texas at Austin

"Bucks' class size is small, allowing for more individual attention. And because the school is smaller, it is easier to meet people and develop friendships."
 —Laurie Hayden, Doylestown '85
 Attending University of Pennsylvania

"I felt the campus atmosphere was relaxed and friendly. Professors take time to work with students on an individual basis."
 —Frank C. Jones, Jr., Quakertown '85
 Attending, Kutztown University

"The instructors cared and really wanted us to learn. Bucks was only about one-half hour from home, so it was very convenient. Living at home gave me time to grow up."
 —Judith A. Bullen, Levittown '81
 B.S., Bloomsburg University '81
