WORK YOUR WAY THROUGH COLLEGE BEFORE YOU EVEN GET THERE.

With the GI Bill Plus the Army College Fund, you can earn up to \$25,200 in college money. So when you get to school, you'll be able to spend your time enjoying all that college has to offer, instead of worrying about paying for it.

Here's how the program works: as a soldier, you contribute \$100 a month from your first full 12 months' paychecks (for a total of \$1,200). The government and the Army contribute the rest (up to \$9,600 from the government and up to \$14,400 from the Army).

If you qualify for this program, you could train in one of over 60 exciting and challenging skills. In areas like communications, mechanical maintenance or electronics. In addition to accumulating knowledge in your skill, you'll be earning up to \$25,200 in college money.

Contact your local Army Recruiter to find out more.

Richard H. Evans

It's hard to envision a football schedule more exciting than the past 2 seasons, but everything points to that for 1987.

John Chaump, new head coach, will be coordinating the efforts of our assistant coaches, five of whom are returning from last year, as they face one of the area's most difficult schedules.

A strong nucleus of returning players will be hard pressed to take in all, as they face keen competition from the opening game with C.B. East to the season finale with arch-rival Pennsbury. Both players and coaches feel that this might be the year to win it all.

Please join us each week and enjoy the excitement of Neshaminy High School football, a tremendous band and a supportive cheerleading squad, as they all work to bring home a championship.

Good luck to one and all.

**R.H. Evans, Principal
NESHAMINY HIGH SCHOOL**

Raymond J. Kelly

WELCOME TO "HEARTBREAK RIDGE"

Our 1987 Redskins have a very ambitious schedule. Neshaminy will face some of the best football programs in Pennsylvania. Hopefully, our 'Skins are ready to meet this challenge.

Leading the Redskins is new Head Coach, John Chaump. Coach Chaump brings a wealth of experience with him and leads a group of outstanding coaches, including Offensive Coordinator, Jack Techtman, and Defensive Coordinator, Tony Varacallo. We believe our staff and athletes are ready to challenge the tough schedule that awaits them. The Redskins have 22 returning letterwinners from last year's Co-Championship team.

The stage is set for eleven electrifying weekends of Neshaminy football. We hope you can plan to attend each contest and see our Marching Band, Cheerleaders, and Football Team present over two hours of the finest entertainment available.

Enjoy the game!

**Raymond J. Kelly
Assistant Principal
Athletic Director**

Joseph E. Ferderbar

Dear Football Fans:

There is nothing more enjoyable than watching a high school football game. The coaches, support staff, cheerleaders, band, boosters, parents, and loyal fans all contribute in unique ways to make this a truly remarkable event.

The lessons learned assist the young men and women associated with this fine co-curricular program to become major contributors in the democratic society in which we live.

We welcome our visitors to this contest today. We trust our hospitality is to your liking. We wish for a game filled with excitement and good sportsmanship.

My wife, Betty, and I have had the privilege of watching Neshaminy football for eighteen years, since I came to the District in 1970. The joys and pleasures for us have been many.

Best wishes to Coach Chaump, his staff, the team, and to the "N" Club members for a most enjoyable season.

May God bless each and every one of you.

Go Redskins!

**Joseph E. Ferderbar

Neshaminy Redskin Marching Band

ATLANTIC COAST CONFERENCE TOURNAMENT OF BANDS
November 8 & 9, 1986 Langhorne, PA.

The Neshaminy High School Marching Band has 235 members, and is one of several instrumental music organizations at the high school. Other than the Marching Band, Neshaminy High School offers its instrumental music students: Concert Band, Symphonic Band, Concert Jazz Ensemble, Orchestra, and a competition Winter Guard. These performing organizations are responsible for over 60 performances each year in the school, community, and throughout the United States. They have received awards for their performances in Pennsylvania, New Jersey, Maryland, New York and Delaware.

These ensembles have been invited to play at such events as: The Cotton Bowl Parade in Texas, The Rose Bowl Parade in Pasadena, The Festival of Five Flags in Florida, two World Series Games, and a Concert Band Performance on the White House Lawn.

In 1976, and again in 1982, the band received the distinct honor of representing Bucks County and Pennsylvania during the week-long activities celebrating St. Patrick's Day in Ireland. As musical ambassadors, the band was ceremoniously awarded the County and Federal Bicentennial Flags, personal letters from Governor Shapp, and the famous Limited Edition Bucks County Bicentennial Tile.

While in Ireland, the tradition of excellence in musical sound and precision marching was continued when the Marching Band won first-place honors in all three competition categories: (Best Band Front, Best High School Band, and Best Overall Performing Organization) during the International Competition in Limerick, Ireland. This feat was repeated in Dublin, Ireland, where we competed with over 50 bands from all over the world. It is believed that this is the first time one band has been able to win all three categories in both competitions. For this honor, the band received nationwide coverage in the international news media, and was invited to perform at the Lord Mayor's Ball, where many foreign dignitaries were in attendance.

Televised performances of the band include: and NFL game in Veteran's Stadium, the opening game of the 1976 Philadelphia 76ers at the Spectrum, yearly performances at NBA regular season games since 1974, Jazz Band and Winter Guard performances during several NBA playoff games, regular appearances at Veteran's Stadium for the Philadelphia Phillies home games, as well as special performances honoring Pete Rose's record-breaking 200th hit, games honoring the Phillies for winning their division, the 1980 opening game of the division playoffs, and the 1982 and 1984 ceremonial season home opener. Neshaminy Marching Band has performed for the National League playoffs and at regular season games ever year since 1975. The band has also appeared on televised news programs several times, twice as features on the band itself, and also has been apart of two commercials — one for J. W. Pepper and the other for the Philadelphia 76ers.

In 1977, the band was honored by the Senate of Pennsylvania for "excellence in performance" and for its "many outstanding achievements both home and abroad." In 1982, the House of Representatives also recognized the Band's many achievements. The Winter Guard was similarly honored the previous year by the Pennsylvania House of Representatives for its "outstanding competitive performances." Also the Bucks County Commissioners declared March 11, 1984 "Neshaminy Band Day". The Marching Band has also been routinely recognized for meritorious achievements by both the Pennsylvania Senate and House of Representatives in 1978, '80, '82 and again in '84. Also the Concert Jazz Band won the National Judges All Chapter Championship held in Wildwood, New Jersey, while competing against school's representing a tri-state area.

In 1980 and again in 1982, the Marching Band was honored by the West Point Military Academy and was permitted to provide the half-time entertainment at a home Army football game.

During 1978, the band and orchestra performed throughout Portugal and in 1980 they exhibited their musical feats in Mexico City and Acapulco. All performances were by invitation of the Portuguese and Mexican Governments.

1984 brought a ten day performance tour of Hawaii. This extraordinary educational opportunity was repeated again in 1986. During April of 1988, the band will tour Southern California.

BUCKS WAS OUR START!

These six alumni took advantage of Bucks County Community College's affordable tuition, accessibility and teaching excellence to transfer to four-year schools or universities. Their experiences are shared by thousands of other graduates who can also say: "Bucks was our start!"

"BCCC was a very good choice for me when I graduated from high school uncertain of my scholastic and career alternatives. The tuition was low and there were many programs which one could transfer to four-year schools."
 —Timothy M. Malloy, Levittown '83
 Attending, La Salle University

"(In attending Bucks) I saved money, made many friends and was able to get my B.S. degree in the same period of time as those who attended Drexel from year one."
 —Mark A. Reinhold, Yardley '82
 B.S., Drexel University '84

"BCCC has a good academic selection. Once I chose a major, (the) courses were relevant to my career objective."
 —Anna V. Burns, Holland '85
 Attending, University of Texas at Austin

"Bucks' class size is small, allowing for more individual attention. And because the school is smaller, it is easier to meet people and develop friendships."
 —Laurie Hayden, Doylestown '85
 Attending, University of Pennsylvania

"I felt the campus atmosphere was relaxed and friendly. Professors take time to work with students on an individual basis."
 —Frank C. Jones, Jr., Quakertown '85
 Attending, Kutztown University

"The instructors cared and really wanted us to learn. Bucks was only about one-half hour from home, so it was very convenient. Living at home gave me time to grow up."
 —Judith A. Bullen, Levittown '79
 B.S., Bloomsburg University '81
