GO FOR IT. THE ARMY GUARANTEES THAT YOU'LL GO PLACES.

Choose Europe, Asia or the USA.

Not many organizations will send new people to a foreign assignment, but the Army will. If you're qualified, the Army will guarantee in writing that you'll be sent where you want to go.

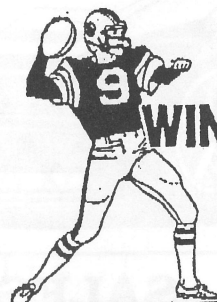

All you have to do is complete your Advanced Training in the Army. When you're ready for your first assignment, you'll go where the Army promised to send you—you have our word on it—in writing.

And you have the world to pick from. You can choose interesting places like Germany and Korea or, if you prefer, just about anywhere in the continental United States.

Where would you like to go? Talk to your local Army Recruiter about guaranteed duty stations and other advantages offered by the Army.

Richard H. Evans
Principal
Neshaminy High School

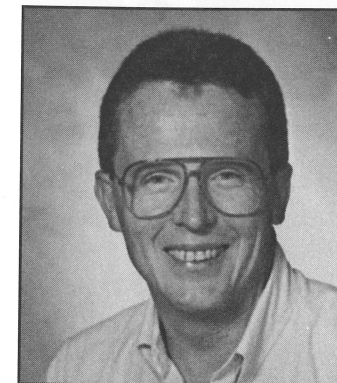

The 1988 football season marked Neshaminy High School's rise to the top. Not only were we the SOL champions, but we also represented our district in the first state-wide PIAA football play-offs.

Coach Chaump, his assistants and all of the players have a new goal in front of them: namely, repeating as SOL champions and going on to the State Championships.

To say the least these are ambitious goals, but this is what life is . . . the setting and attainment of goals.

We have a tremendous nucleus of players to meet these goals. With their dedication to hard work and with the support of the band, cheerleaders, and loyal Neshaminy fans those goals are within our reach.

Please join us each weekend to enjoy the excitement of high school football at its best.

Raymond J. Kelly
Assistant Principal
Athletic Director

Welcome to "Heartbreak Ridge." Our 1989 Redskins are determined to carry on Neshaminy's tradition of winning football.

The 'Skins face a major challenge in attempting to match or better last year's championship season. It has been 24 years since Neshaminy has won four or more consecutive League Championships. The 1989 Redskins are ready to make their mark on Neshaminy Football history.

Our schedule features ten National Conference opponents and marks the return of long-time rival Bishop Egan. This strong schedule will provide scholastic gridiron fans with outstanding high school football.

On behalf of our Redskin players, coaches, cheerleaders and Marching Band members, I wish to thank you for your continuing support of our program.

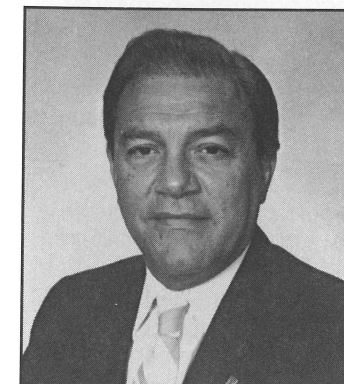

And now . . . "Look to the left, gang! Here come the Redskins!"

It is a pleasure to welcome you to the Neshaminy School District and Harry Franks Stadium, the home of the Redskins. Over the years, "Heartbreak Ridge" has been the scene of many classic confrontations and I am certain that this game will be just as memorable for the young men on the field this evening.

The football season is always eagerly anticipated, for it marks the beginning of another school year and adds color, enjoyment and excitement to the fall season. Football helps to develop many of the characteristics necessary to live a full and successful life. Commitment, responsibility, preparation, competition and teamwork are not only vital to a winning season, they also contribute immeasurably to the future success of our young people.

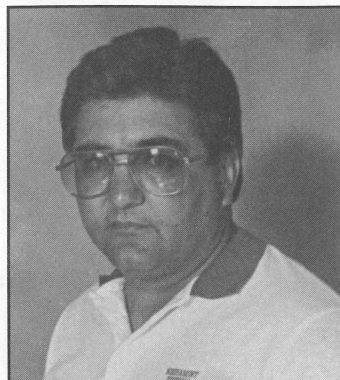

As the players of both teams prepare for this evening's contest, I wish them, and their many loyal fans, success and good fortune. May you all have an enjoyable evening and a successful season.

Dr. Donald D'Amico
Superintendent of Schools

Follow Your Dream

James

*Follow your dream . . .
take one step at a time and don't settle for less,
just continue to climb.*

*Follow your dream . . .
if you stumble,
don't stop and lose sight of your goal,
press on to the top . . .
For only on top can we see the whole view,
can we see what we've done and what we can do,
can we then have the vision
to seek something new . . .*

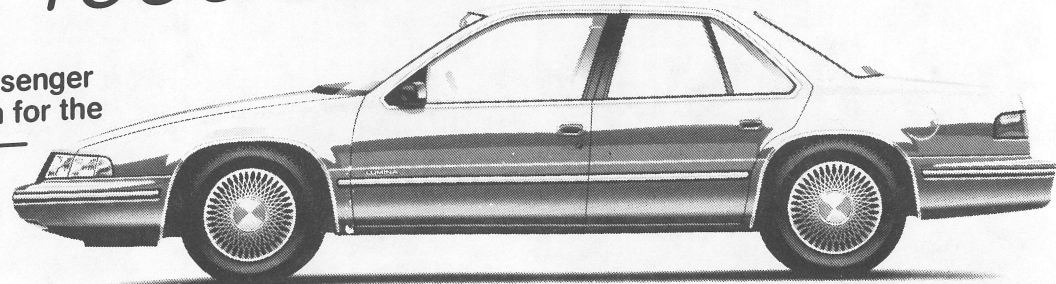

Press on, and follow your dream.
