WELCOME TO NESHAMINY

Welcome to the Suburban One championship football, Neshaminy style. Once again we are on the threshold of a very exciting season and will not disappoint the fans.

From all the reports we have received, it would appear that we have the ingredients necessary for a successful season.... a large number of returning linemen on both sides of the ball, a trio of very fast halfbacks, quarterbacks who can throw the ball, and receivers who can catch it.

All that remains to blend this into a successful campaign is consistent playing on the part of the team and following the instructions of the coaches.

Coach Chaump and his assistants and all the players once again have a new goal in front of them, namely....capturing first place in our division.

It will not be an easy task, and to win the championship will require the support of all of us.

We have a tremendous high school marching band, a group of very fine and dedicated cheerleaders, and, as always, Neshaminy will have its loyal fans. But we need all of you working in concert to make this season a successful one.

To all of you in the community, please join us each weekend to enjoy the excitement of high school football at its best. Neshaminy will be the finest.

Richard H. Evans
Principal

Welcome to Harry E. Franks Stadium-- home of Neshaminy's Redskins.

The "Ridge" has seen may exciting autumns and this season should add to our tradition of outstanding football.

We offer scholastic fans an ambitious home schedule that begins with perennial Catholic League powerhouse, Father Judge, and features Suburban One teams from Norristown, North Penn, Tennent and Truman. The season concludes with the Orange and Black of archival Pennsbury High School.

Plan to be here for our many special events this season as we honor past and present Redskins at Homecoming, Senior Night, and our Hall of Fame Induction.

Our players, coaches, cheerleaders, and Redskin Marching Band thank you for your interest and support.

Ray Kelly
Assistant Principal
Athletic Director

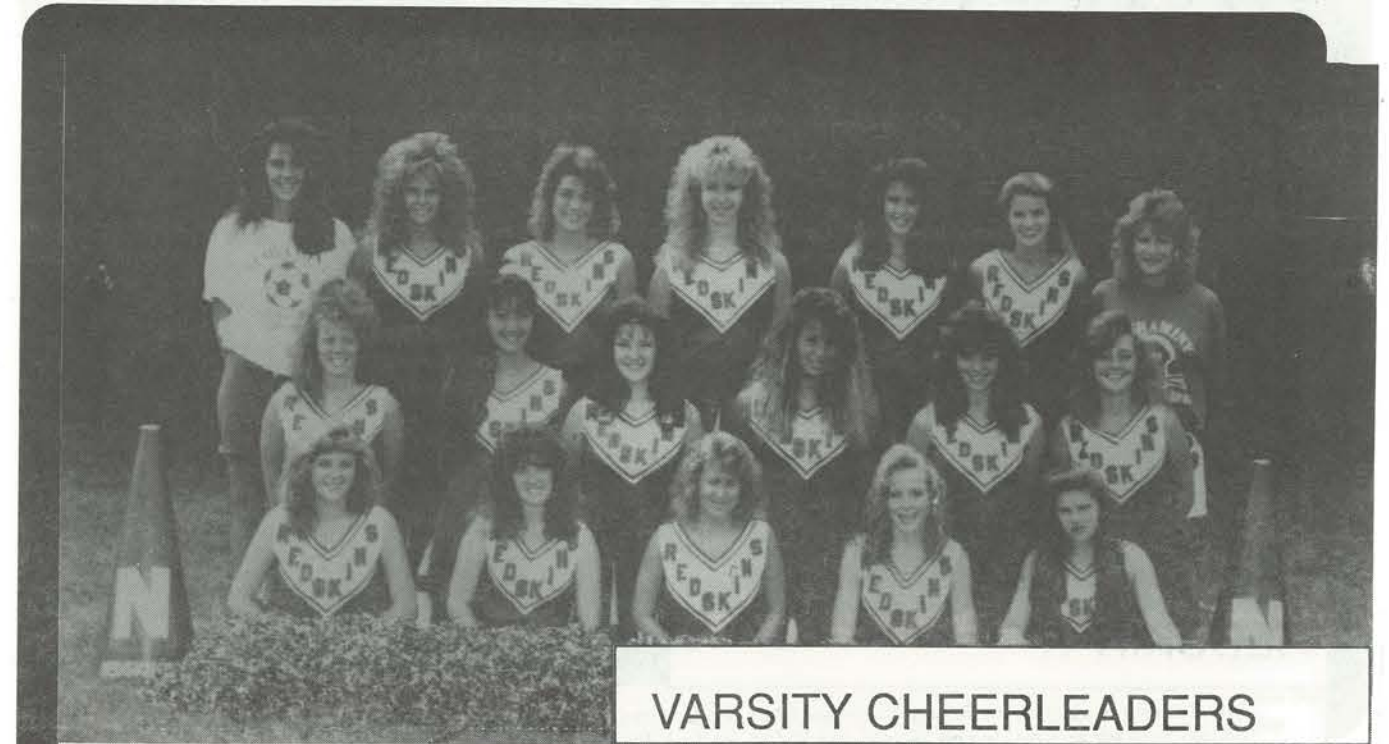

It is a pleasure to welcome you to the Neshaminy School District and to the 1990 Redskin Football Season. Each autumn the color and excitement of the football season joins with the opening of the schools to reunite old friends and renew the wonder of what the coming year may bring.

Another exciting thing about the football season is that the players, the teams, and the challenges are different. For a team to be successful it must be well grounded in the fundamentals, highly motivated, well prepared and hard working. Only then can a team achieve its goal--winning. Of course the same is true in school and in life. We must prepare well today in order to achieve our goals and be successful in the future.

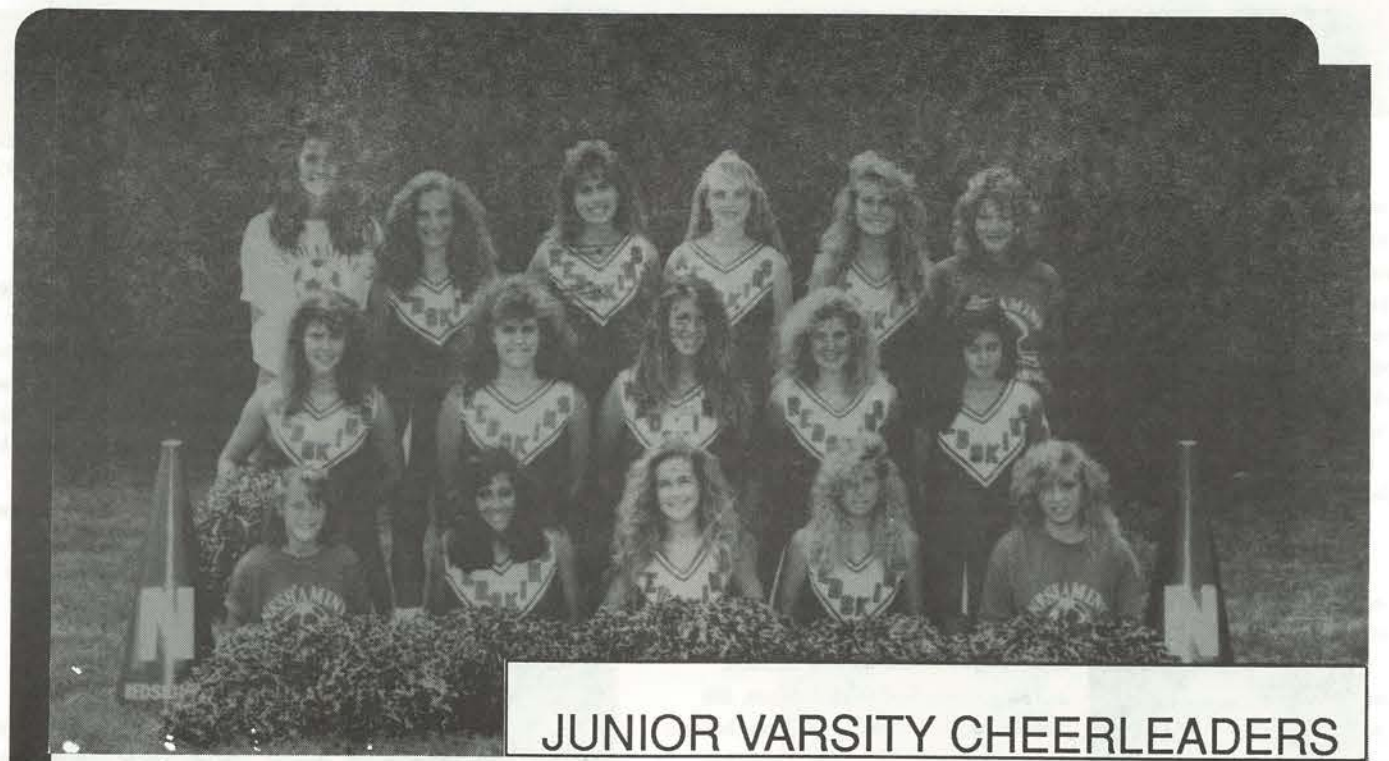

The young men on the field this evening have worked hard to achieve both personal and team goals. I wish them and their loyal fans success this evening and in all of their future endeavors. Have a great evening, a winning season, and a successful life.

Donald D'Amico, Ed.D.,
Superintendent

The band is very proud of its accomplishments of last year. Here at home the band performed at our Redskin football games, community and school events, and at the Spectrum for the 76er's game. In addition, the band travelled to St. Louis, Missouri to perform in and around the city and participate in the National Adjudicator's Invitational Music Festival. The marching band is also made its first appearance at the Marple Newtown High School Bandarama earning an "Excellent" rating. We look forward to attending contests at both Marple Newtown High School and Haverford High School this year.

The students have worked hard through our August band camp to prepare for this years show. The music starts in a classical vein with two movements for "Carmina Burana: by Carl Orff. This is followed by the Brahms "Hungarian Dance No. 5" performed as a percussion feature. We then go in the jazz direction with performances of "Georgia On My Mind" and "Flight of the Condor". We hope that you will enjoy our show and we wish the best of luck to our Redskin football team this season.
