# You've supported us...

*Again, Mr. Thompson, please communicate my appreciation to everyone mentioned here. Congratulations, again on building such an excellent team.*

During the course of my lease, my experiences with your Thompson sales and service departments has been nothing short of fantastic. Please accept my thanks for a job well done.

EVERY TIME I CALL FOR SERVICE YOU ACCOMMODATE MY SCHEDULE AND I REALLY APPRECIATE YOUR SERVICE AND ATTENTION TO DETAILS.

Everyone with whom I have come in contact through your organization has been professional, courteous and helpful.

*I feel one of the reasons I have had very few problems with my car is because of the great service. Your mechanic treats my vehicle like it is his own and takes great pride in his work. This is why I continue to take my vehicles to the Thompson Organization to be serviced.*

## ...and We Support You!

Serving our community since 1969, we are pleased to support the efforts of the CB East Football program.

*We won't meet your automotive needs, we'll EXCEED them!*

You have come a long way, baby!

If you think about it, teens who smoke are already on the road to:

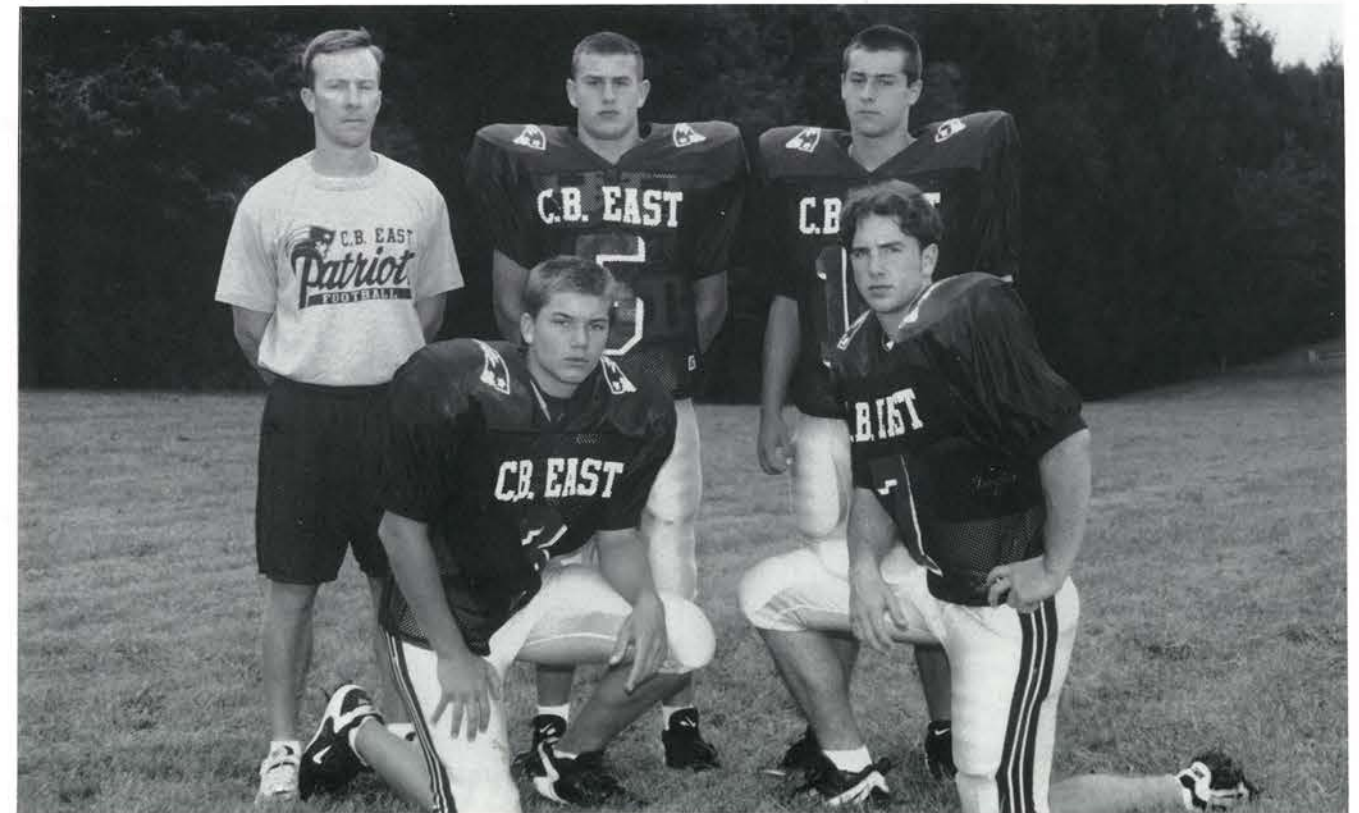

- ✓ wrinkled skin
- ✓ bleeding gums
- ✓ yellow teeth
- ✓ bad breath
- ✓ stale-smelling clothes...

and that's just on the outside! You know a lot of other reasons not to smoke. Smoking stinks any way you look at it, so don't start! If you already have, call us to find out how we can help you stop:

**“The Habit Of Winning”**

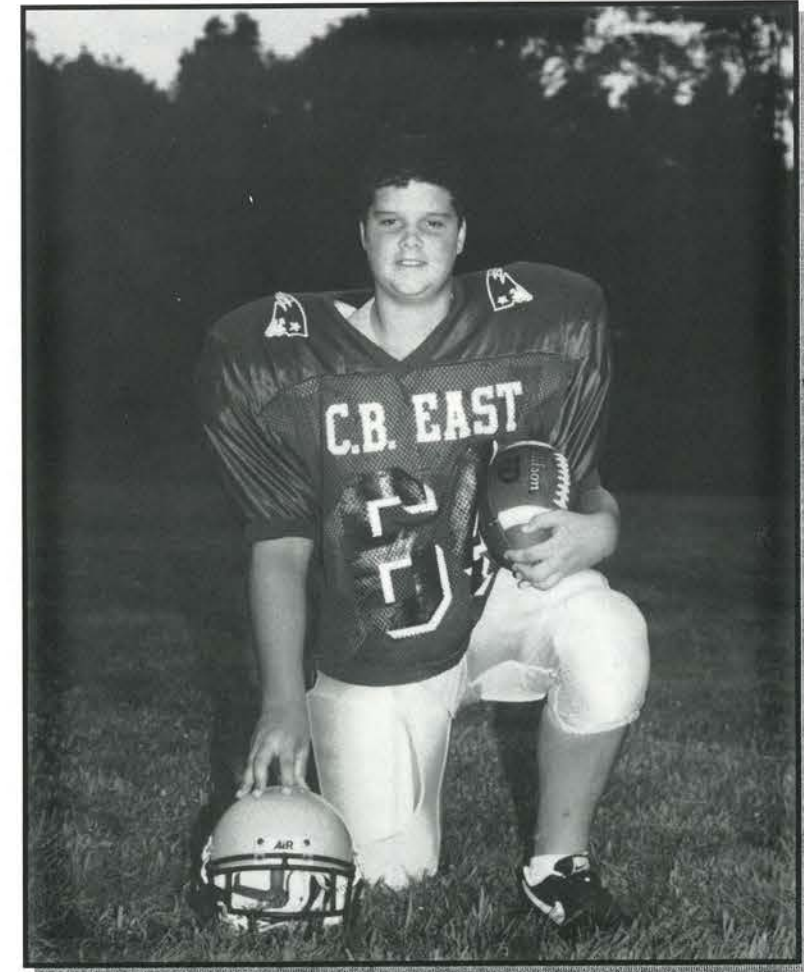

*Every time a football player goes out to play, he's got to play from the ground up - from the soles of his feet right up to his head. Every inch of him has to play. Some guys play with their heads. That's okay - you've got to be smart to be number one in any business, but more important, you've got to play with you're heart - with every fiber of your body. If you're lucky enough to find a guy with a lot of head and a lot of heart, he's never going to come off the field second.*

## Patriot Club Player of the Week Mike Moosbrugger

Senior Mike Moosbrugger earned the Patriot Club Player of the Week Award for an outstanding game against the Bensalem Owls. Mike, known by everyone as "Moose," measures 6'6" and weighs in at 270 lbs. He combines strength with quickness to overpower defensive linemen. A three year starter, Moose's blocking helped East gain 385 yards rushing and score 5 offensive touchdowns. When lined up at defensive tackle, Moose proved he could play on both sides of the ball. He posted two solo tackles to help shutout the Owls while the first team was on the field.

Congratulations Moose! Keep up the great effort!

# Honest Answers, Solid Solutions, In Plain English

Too much to ask of a financial advisor? It shouldn't be. Because you need clear answers, without a lot of hype.

You need to know how to:

- **protect yourself** ... with traditional whole life insurance that builds cash value; affordable term insurance for pure protection; universal life insurance\* that gives you permanent protection with added flexibility.
- **protect your income** ... with income protection policies that pay you if you can't work because of an accident or illness.
- **build savings** ... to hedge against life's uncertainties or plan for future opportunities.

Why should you find out more?  
Because you have a lot to gain,  
and nothing to lose, that is,  
unless you do nothing.

Call me today.
