# Orthopedic Doylestown Hospital

These members of the CB East Patriots and the CB West Bucks ice hockey clubs have had their share of ups and downs, rises and falls.

Unfortunately, the falls have resulted in fractured hips, shoulders, legs and ankles, not to mention torn ligaments and damaged knees. And for their medical needs, many team members came to Doylestown Hospital.

That's right, Doylestown.

Our local area hospital, that has become one of the region's best for orthopedic medicine.

Today, Doylestown has 12 board-certified orthopedic specialists including physicians with advanced fellowship training in total joint replacement and reconstruction, spine surgery, sports

medicine and hand surgery. Our orthopedic specialists can repair and replace damaged knees, hips, shoulders and elbows. They offer advanced treatment for sports injuries, including rotator cuff repairs, ACL reconstruction and thermal shoulder stabilization.

We even have physicians trained in cutting edge procedures like cartilage transfer and transplantation.

There's one more good reason to think of Doylestown for orthopedic services.

Our convenient suburban location means you can find the highest quality care close to home.

Because at Doylestown Hospital, we're committed to building the team of specialists you need, right where you need them.

C.B. WEST FOOTBALL

## DEAR C.B. WEST FOOTBALL FANS:

To say the start of the new millennium for C.B. West Football was interesting is an understatement! The whirlwind of excitement hasn't stopped yet as Coach Pettine retired and I went through the process of becoming the second Head Football Coach in C.B. West history. Quite honestly, it was the toughest decision of my life, with business commitments and active children entering High School, I asked myself, "How can I give any more time to West Football?" With my family and business partner giving full support, the decision was made to go forward and become the Head Coach at West.

I want to take this time to thank all the fans and West supporters for their letters, cards and phone calls of support. It has been overwhelming and my promise to all is a 100% effort from myself, the staff and the players in keeping the West tradition moving forward.

The 2000 Bucks have been in the weight room since January 19th and the attendance and effort have been tremendous. With a young group and so many holes to fill on both the offensive and defensive sides of the ball - this off-season was more important then ever. We have got to get better, faster and stronger.

Coming out of summer camp, there were many questions to be answered by this year's Bucks. We as coaches felt the two areas which must prove themselves are the offensive and the defensive as a whole.

With a great victory over Titusville, Florida in the KSA Bowl Game, the C.B. West Bucks have made a statement that we are going to reload not rebuild in 2000.

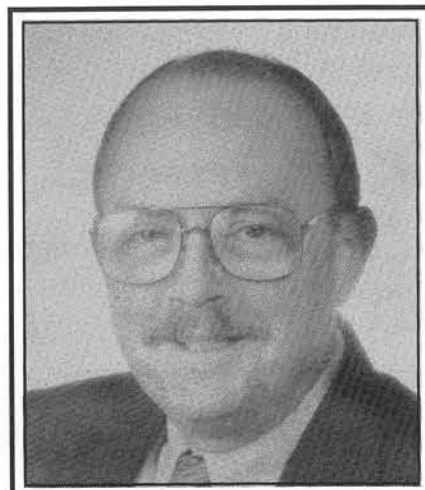

In closing, I want to thank Coach Pettine for his guidance, teachings and friendship he imparted on the West program and myself. My hope is when you are watching a C.B. West football game this fall, you will say to yourself, "Gee, not much has changed."

Sincerely,

*Mike Carey*

Mike Carey  
Head Coach, C.B. West

#### Principal's Welcome:

On behalf of Central Bucks High School West, I welcome the loyal "Bucks" fans and our guests to War Memorial Field for this contest. The "Bucks" compete in the "Power 10" Conference, which includes many of the top ranked teams in PA. The entire community is very proud of this tradition of excellence in Football. The Bucks have earned PIAA AAAA State Championships in 1991, 1997, 1998 and 1999. This year we welcome Coach Mike Carey as he takes over as the second Head Football Coach in C.B. West history. I am pleased that Coach Carey has accepted the challenge to become the Head Coach for the premier program in Pennsylvania. His dedication to C.B. West Football as a player and coach extends over 30 years. Coach Carey, the coaching staff, and the players have worked very hard over the past months to develop the strength and skills necessary for an exciting and successful season. We all wish you well!

Coach Russell, the enthusiastic Cheerleading Squad, Mr. LaMar and his talented members of the Marching Band have also spent countless hours preparing for their performances tonight. Please show your appreciation for their hard work, dedication and quality efforts at the appropriate time.

I would also like to recognize and thank the many parents who work diligently behind the scenes supporting our student/athletes and student/musicians. The C.B. West Football Parents, Parents of the Cheerleaders and the C.B. West Band Parents Association are an integral part of our school community.

The extra-curricular program is an essential part of the total educational program offered to the young people in the Central Bucks School District. It is in this program that the spirit of teamwork, competition, and sportsmanship are taught. As a member of the Suburban One League, we fully endorse the Code of Conduct announced before each game.

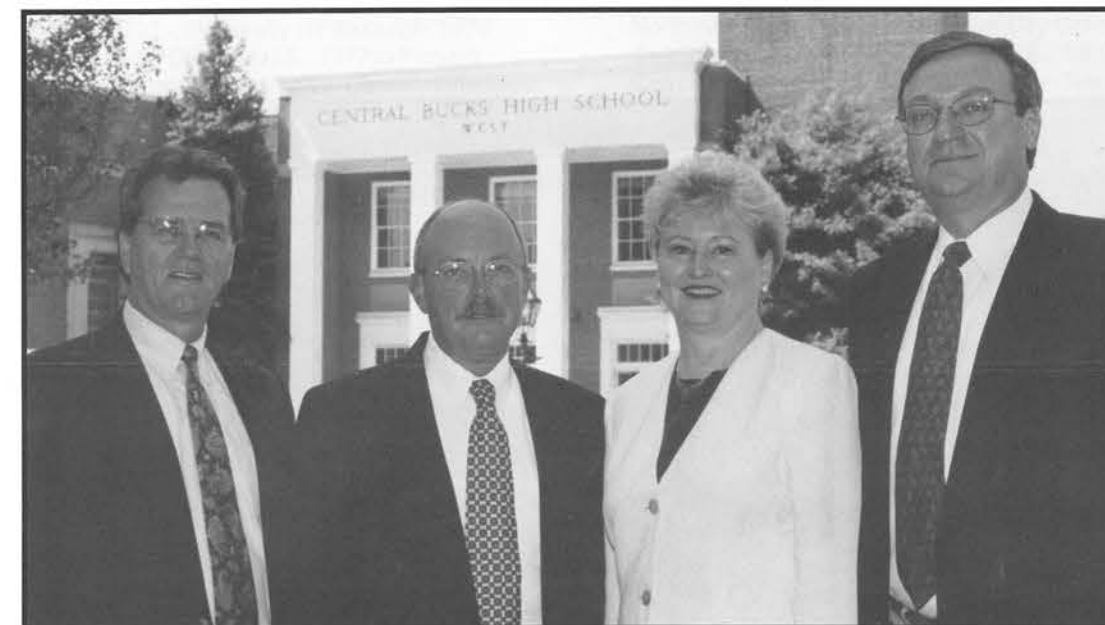

Again, I welcome our guests and fans to War Memorial Field and invite you to enjoy the competition this evening.

## The Mike Pettine Scholarship Trust

Contributions are now being accepted for the establishment of the MIKE PETTINE SCHOLARSHIP TRUST. The trust will support two (2) annual scholarships awarded to one male and one female graduating senior from Central Bucks West High School.

Criteria for scholarship recipients include:

- Self-motivation
- Family-orientation
- A commitment to excellence
- An ability to successfully combine athletics and academics
- A proven willingness to place team goals ahead of personal goals in athletic, academic and community activities.

Applicants must submit an application and a written essay describing the lessons they have learned as a result of practicing these important values.

Central Bucks West Head Football Coach Mike Pettine has inspired a generation of young people with his total commitment to excellence. His teams have consistently won championships and brought honor to our community. His personal accomplishments include surpassing 300 career victories just this past fall.

As a coach, a teacher, a family man, and a community leader, Coach Pettine has given 110%. The MIKE PETTINE SCHOLARSHIP TRUST provides an opportunity for the Central Bucks West community to annually reward a young man and a young woman who display that same tenacious will to achieve.

Please join us in establishing this important scholarship and help create a lasting testament to excellence. Thank you.

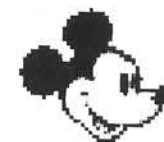

Respectfully,

Directors

Please send contributions to:

**The MIKE PETTINE SCHOLARSHIP TRUST**  
c/o FirstService Bank  
90 N. Main St.  
Doylestown, PA 18901

The MIKE PETTINE SCHOLARSHIP TRUST is a 501C(3) charitable organization. Contributions are tax-deductible as allowed by law.

## Central Bucks West Recap

September 1, 2000

### West 34 Titusville 6

The Central Bucks West High School took their show on the road for their season opener this year. They traveled to Orlando, FL to play in the KSA Scholarship Game of the Week against a Class AAAAA school located near Cape Canaveral. The Bucks came out strong and were 21-0 at half time despite a series of miscues that resulted in penalties. Senior fullback Phil DiGiacomo (13 carries, 55 yards) had 3 touchdowns in the game. Mike Orihel, senior quarterback, went 10 for 13 for 154 yards one of which was a 16 yard touchdown pass to Bob Warden (9 carries, 95 yards) and a 6 yard TD pass to Fran Golden. Dave Camburn returned a punt 52 yards setting up Warden's TD pass. Angelo Verrillo was named West's defensive MVP and Phil DiGiacomo was given the offensive MVP title for the game. All the players who traveled to Florida for the event played in either the varsity game Friday night or the JV game which was played at 10 AM Saturday.

The CBW cheerleaders entertained over 1000 guests at the Kaylee Scholarship Banquet Thursday evening with a well-rehearsed 10-minute routine that included dance, stunts, and gymnastics. The girls' coach, Lynne Russell, was understandably proud of her enthusiastic squad as they received a standing ovation from the crowd.

**Central Bucks West Recap**

September 9, 2000

**West 49 Abington 14**

To have any chance of beating the Central Bucks West football team an opponent must take advantage of any Bucks miscue. Although the Ghosts twice recovered fumbles in West territory they were unable to move the ball against a tough Bucks defense. After giving up 14 points in the second quarter, the Bucks had a relatively easy 49-14 victory in a hot and humid Suburban I National opener for both teams.

Things started easy enough for West - three first quarter possessions and three first quarter scores from seniors Phil DiGiacomo and Bob Warden). Then the Ghosts scored twice in a four-minute span to begin the second quarter and cut the Bucks lead to 20-14. Before the quarter was over, Mike Orihel hit Dave Camburn on a 34 yard scoring pass to end the half at 28-14. In the third quarter, the Bucks scored 3 times with runs by Phil DiGiacomo and Bob Warden and another pass to Camburn. Orihel completed 6 out of 10 passes for 161 yards. Many other young Bucks saw play time in the fourth quarter as James West scored on an 11 yard run and Aaron Kennedy ran and scored 55-yard quarterback keeper. Andrew Bross and Jim Wiberly added points with the point after kicks. As a team, CB West outgained Abington 403-217

## Central Bucks West Recap

September 15, 2000

### **West 51 Bensalem 6**

The Bucks extended their win streak to 48 on Friday night as they blasted the Bensalem Owls. The Owls nightmare began on the opening kick-off, which netted them poor field position due to the prowess of the Bucks kick-off team. Three plays later punter Jason Cardinelle was kicking out of own end zone and stepped out of the end zone for a safety. A few seconds later quarterback Mike Orihel hit Dave Camburn with a 23-yard pass, which set up Phil DiGiacomo's touchdown. Dave continued to dazzle the fans with a 73-yard return for TD and another 80-yard return. After Andy Bross converted the extra-point kicks the Bucks led 31-0 just seconds into the second quarter. Bob Warden ran for 13 yards for TD and Zach Ingram had a 2-yard reception from Orihel to end the half 45-0. Sophomore Doug Kniese added another TD in the fourth quarter. Every player saw play time in the second half as the starters came out. Chris Matje, Derek Kinzel, Doug Ortiz, and Aaron Kennedy all got to show their talents. The Bucks had 344 total yards for the night to the Owls 89 yards.
