## WELCOME FROM COACH SCHMIDT HEAD FOOTBALL COACH

Welcome to the 2005 season of Redskin football on Heartbreak Ridge. Playing on this field is a big pay off for our young men who have spent the last nine months working extremely hard to exemplify the high standards of Neshaminy Football.

As always, the most important issue we stress is teamwork and self-sacrifice. Putting the team before you requires a special type of young man, and we feel we have that quality on this year's team. Once again, as a football staff we have to give recognition to our administration for making football at Neshaminy a truly great experience.

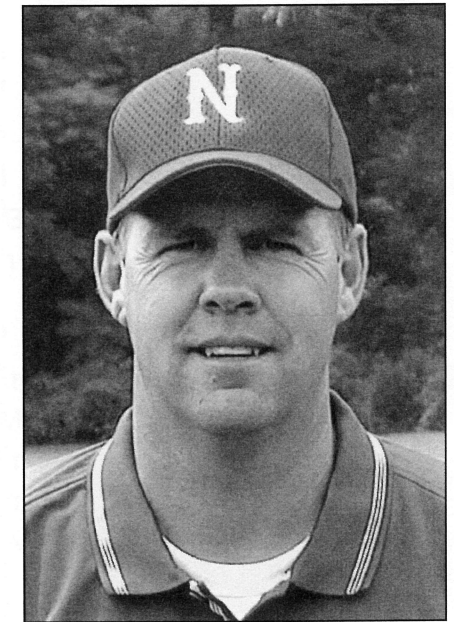

This season, once again, looks to be very exciting with five home games on the schedule. The realignment of the Suburban One League has brought back some old rivalries and has also allowed us to maintain longstanding and traditional clashes. The leadership on our team is of the utmost importance for the success of our season.

With Principal Menio's collaboration with Athletic Director Sheila Murphy and Superintendent Howard Wilson will make our coaching jobs both productive and enjoyable. Both Ms. Murphy and Mr. Menio work very hard to maintain the high standards and tradition that is present at Neshaminy.

Continuing in the spirit of teamwork, I'd also like to recognize our "N" Club. This booster club has set a standard as an organization second to none. Our President, Kim Smith, has spearheaded a group whose hard work and diligence continue to make our players and coaches feel very special and proud.

Once again, our team has set the bar very high in terms of its own expectations. Our standards not only cover the field, but also the classroom, the hallways, and the community. We consider it a privilege and an honor to put on our Red and Blue and walk down that ramp on Friday night. It is our ultimate goal to earn the support and respect of our fans and classmates, and I know this year will be no exception.

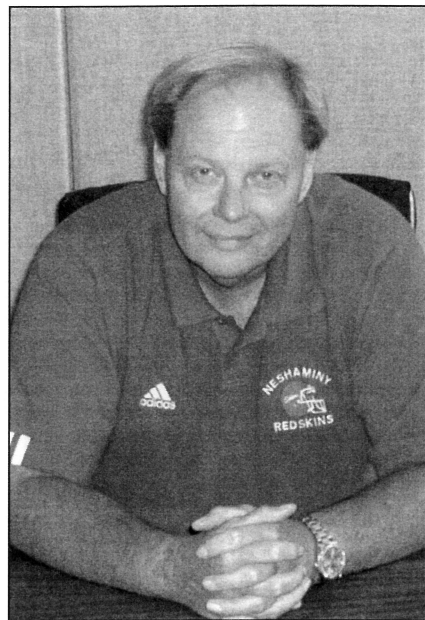

On behalf of the Redskin Football Family, please enjoy the season, and thank you for your support.

Yours in Football,

Coach Mark E. Schmidt

## WELCOME MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS

I would like to give all of our students, parents, visitors, players and guests a warm welcome to Neshaminy High School—home of the Redskins. We have an outstanding football tradition at Neshaminy and that trend is expected to continue under the excellent leadership provided by Mark Schmidt and the best staff of assistants in District One.

This tradition could not continue without the support from our entire community, and especially, our parents. Our district demands academic success and without the complete support of parents, administrators, faculty and staff—none of our goals would be achieved.

A “special” thank you goes out to our award winning band, dedicated cheerleaders and all of our booster organizations. Without these people, we would never experience the success we have

achieved.

Our “N” Club is to be commended for their year round efforts to support our football program and I encourage all to enjoy some of the wonderful “goodies” at our snack bar.

None of this would be possible without the outstanding support of our Board of School Directors. Their support of co-curricular programs is second to no other district.

Again, thanks to everyone!

**GO REDSKINS!**

P. Howard Wilson  
Superintendent of Schools

**ALEX MENIO**  
Principal

A Warm Welcome to All Fans Today,

Welcome to the 2005-06 season of Neshaminy Football. Building on last year's successes, this season will be action packed with excitement at every snap of the ball.

Neshaminy Pride is high, and as fans, we'll see the benefits of hard work and determination on the playing field today. Coach Mark Schmidt's preparation of the team, with the support of his assistant coaches, has been unparalleled. Through his leadership and enthusiasm, the team has been able to develop a single focus of purpose that will provide for an outstanding season and carry them the full distance.

A night at Harry E. Franks Stadium wouldn't be complete without the entertainment of the Neshaminy High School Marching Band, under the leadership of Mr. Mike Lipton, and the enthusiasm of the Cheerleaders, under the direction of Ms. Amy Keating. Their efforts add much to the pleasure of the atmosphere of the event and help create those special memories of the game.

It takes the efforts of many—boosters, parents, community members, coaches, students, and fans to make a successful season. The contributions you make to this evening are the ingredients to success. Thank you for your efforts.

Enjoy the evening.

Sincerely yours,  
Alex Menio  
Principal  
Neshaminy High School

**SHEILA MURPHY**  
Athletic Director

Welcome to Harry E. Franks Stadium, home of the Neshaminy Redskins Football Team. Throughout the years, "Heartbreak Ridge," has seen many exciting football games and this season should add to our tradition of outstanding football.

Since mid-August, our team has been preparing for this year's competition. Coach Schmidt and his staff have been teaching the skills necessary to win in the most competitive league in the state of Pennsylvania. We are very proud to have Coach Schmidt and his assistants represent Neshaminy High School. Not only do they prepare our young men mentally and physically for each competition, but they also stress the values of sportsmanship and the skills necessary to succeed in life after high school.

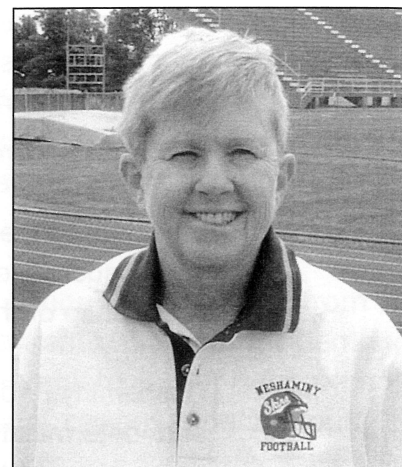

If you followed the success of last year's team you remember the thrills and the excitement that were generated. The Redskins won the Suburban One League National Conference Championship, the District One Championship and the Eastern Regional Championship to advance to the P.I.A.A. Championship in Hershey. On several occasions the team displayed a never die attitude as they came from behind to win.

This year the team faces another year of many challenges. The first home game pits Neshaminy against perennial state power, Saint Joseph's Prep, on September 2. The following week, Neshaminy hosts Archbishop Ryan. Circle your calendars for Saturday, October 22. It is Homecoming at Neshaminy and we host North Penn High School.

Our football team is supported by the excellent Neshaminy Marching Band under the direction of Michael Lipton. Our superb cheerleading squad is coached by Amy Keating and Mary Hart. Each of these groups will provide you with the excitement of another S.O.L. football season.

We also wish to thank the parents who are involved with the Neshaminy "N" Club Football Boosters. One of their fund raising activities is the operation of our concession stand. We hope you patronize this area at half time and at other times during the game. Mrs. Kim Smith is this year's president and we would like to thank her for the leadership of this group.

We hope you enjoy tonight's game. Thank you for your support and continued interest in Neshaminy High School's Co-Curricular Program.

Sheila Murphy, Athletic Director

# The Red Dragon

(A NeshaminyFootball.com original)

Back in the dark winter months when summer seemed so far away, a father promised his young son a summer trip to the amusement park. The park had a new ride, the Red Dragon, the world's most exciting roller coaster. The boy couldn't wait to ride those giant rails of steel. The months passed so slowly. "Will that day ever come"? Little boys are not good at waiting.

Finally that day did arrive and they drove out to the amusement park. When they got there the lines for the Red Dragon were long and minutes seemed like hours. As they inched closer to the front of the line the distant rumble got closer and the screams became louder. The anticipation was mounting as the little boy's heart began to race faster. Before they knew it, the Red Dragon pulled up in front of them and they boarded their seats. This was it. The moment had arrived. They strapped themselves in, knowing it would be the ride of their lives. They were too nervous to even talk.

The car lurched forward and their bodies tensed up as they made the long climb up the track. Without warning, the roller coaster reached the peak and began to scream back toward earth. Corkscrews, twists, and hairpin turns left them breathless. At once they were thrilled, petrified, anxious and laughing. Every emotion they possessed was showing up at the same time. This was the thrill of their lives. Then, in the midst of the excitement, and again without warning, the ride screeched to a halt. It was over. "How could it be finished already"? The little boy asked. "Because that is all most people can take in at once." was the Fathers reply. The little boy drove home excited about the ride, but disappointed that it was over. Still, he took home memories that he will never forget.

And so it is with this little boy, and many others who are like him. We waited nearly 9 months to ride the roller coaster that we call the Neshaminy Redskins. It seemed like September 2005 would never get here. Nine months without football should be illegal. But September did arrive and we got on for the ride of our lives. We laughed, held our breath, and were thrilled all at once. At times we were white knuckled, but we loved every minute of it.

Then in the blink of an eye, it is November and the ride is pulling back into the station. "It's over already"? I asked, as I climbed out of my car. "We're afraid so" said Kim, the attendant from the N-Club. "The Red Dragon needs to go in for service."

I was so disappointed.

"Not so fast" said a hoarse, raspy voice from the crowd. "It's my ride and I say the Red Dragon is good to go around again, we still have several more weeks to go. We've tuned this ride to near perfection and it's not stopping now."

As I raced toward the car to grab one of the coveted seats, the raspy man stood in front of me and blocked my way. A small crowd gathered behind me. Suddenly, Tom McEowen, and Chris Daino broke through the crowd. The man pointed to them and said "you must be at least *that* tall to get on the ride." I looked them over, it appeared hopeless. I walked over and stood right between them. "Okay, you can get on", grunted the man.

As he walked away, Tom and Chris, who had been hunched over, stood up straight. They now towered over me. Their stature and the magnitude of their accomplishments was not to be denied. I looked up at them and they winked: "We did that for you. Hurry up and get on before he turns around." I got back on the ride for the second round. Even though I know from experience what to expect, I will again be white knuckled, thrilled, and breathless as the ride takes me on this second journey called the 2005 playoffs. The post season always has more twists than a barrel of pretzels.

We don't know when the ride will end, but when it finally does, I'll go home with memories that will last a lifetime, and no one can ever take them away from me.

The 'N' Club would like to thank Mr. Willits for his permission to use this piece. Enjoy the ride!!!

## Warning
