Welcome To The All New Brian Hoskins Ford

All New Ford Taurus!

All New Ford Flex!

PROUDLY SUPPORTING COATESVILLE RED RAIDER ATHLETES FOR OVER 40 YEARS!

Dear Friends,

Being a good neighbor comes with important responsibilities. You need to contribute to the community by working with the organizations that improve peoples lives. Brian Hoskins Ford has been doing that since 1958.

We sponsor your childrens sports teams. We provide cars and trucks for charity Golf tournaments and for parades honoring everyone from Rip Hamilton to Santa Claus. These are just a few of the many ways that we honor our commitment to our neighbors. Chances are pretty good that we support an organization that directly affects a friend or family member of yours.

We will continue to work to make our community the kind of place in which we can all be proud. We ask our friends and neighbors to assist us in continuing these good works by considering Brian Hoskins Ford for your automotive needs. We are a local family owned business that is committed to giving back to our community.

Thank you,
Brian Hoskins

Richard Como
Superintendent

Welcome to the Coatesville Area High School Campus and the Coatesville Area School District. We strive to provide our students with the best opportunities available to reach their peak potential. Currently, we are undergoing a huge building and renovation program that will ensure our students have access to facilities that are commensurate with that mission. We commend our students for the many academic and athletic achievements they have attained throughout their educational career and work to maintain the environment that fosters such achievements. We would like to express our appreciation and thanks not only to the parents but also to the taxpayers of the Coatesville School District who assist in the positive atmosphere that exists within our boundaries. The members of the

Board of School Directors volunteer countless hours to afford our students with extensive educational opportunities and up-to-date facilities. Please join me in expressing our thanks for their dedication.

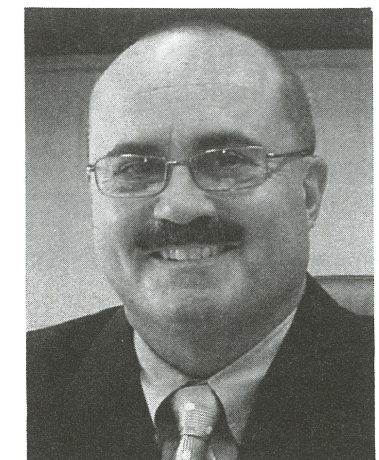

Coatesville as a community and a school district is proud of the many traditions and customs that have been upheld throughout history. You, our fans, are to be congratulated for your loyal support throughout the years. During the 2007-2008 school year we hope to build upon the great traditions we enjoy and cherish. Thank you in advance for your continued support.

The students, faculty, and administration of the Coatesville Area Senior High School extend our best wishes to you for the 2007-2008 school year.

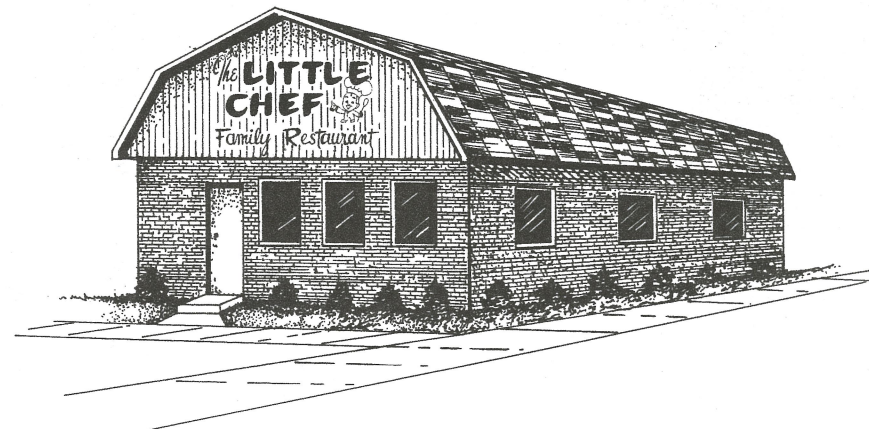

We are extremely proud of the academic and athletic achievements of our students as well as the traditions they have established. You, our fans, are to be congratulated for your loyal support throughout the years.

We have tremendous pride in the main campus of the Coatesville Area School District, and we ask for your continued assistance in helping us to maintain the beauty and distinction of our surroundings. During the 2007-2008 School Year we hope to build upon our great heritage which has its roots in our past successes. Thank you for your continued allegiance.

"Service with a Smile and Dedication"

Red Raiders Booster Club Donation Program

Like many air conditioning and heating companies Horizon Services could spend thousands of dollars on advertising in newspapers, yellow pages, television and direct mail that may not work, hoping to catch your eye and get you to do business with us. Rather than give that money to the big advertising companies, we think it makes more sense to give those dollars to you. That's why we have designed this program that will donate money in your name to your favorite organization when you purchase a heater, air conditioner or complete home comfort system.

Here's how the program works.

1. Choose us to install your replacement heater or air conditioner and we will donate \$100 for each piece of equipment in your name to your organization.

2. Replace your heating and air conditioning system, and we will donate \$200.

For every heater, air conditioner or complete system we install, we will make a donation in your name to your organization.

When you call to schedule your appointment, be sure to mention the name of your organization so we can track your donation.

**There's no limit to the amount
we will donate to your organization!**

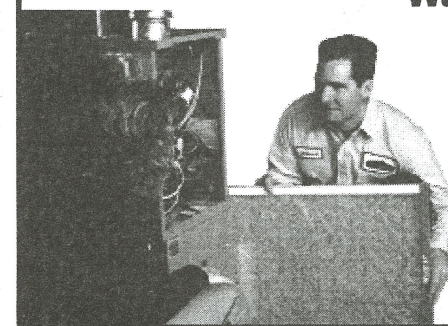

At Horizon Services You'll Always Get:

- A Competitive Price • Professional Heating and Air Conditioning Installation
- A commitment by our company to take a personal responsibility for your complete satisfaction
- A FREE No-Obligation Energy Analysis

We're the largest private school bus contractor in Pennsylvania - and one of the largest in the country. You can't succeed in this business unless you care about your cargo - and we do.

It also offers some special rewards— like flexible hours, a solid company and free training for a commercial driver's license. You can even bring your own children along for the ride!

If you've got what it takes to make the future's most important deliveries, give us a call!

What is Music?

Music is a science. It is exact, specific; and it demands exact acoustics.

Music is mathematical. It is rhythmically based on the subdivisions of time into fractions that must be done instantaneously, not worked out on paper.

Music is a foreign language. Most of the terms are in Italian, German, or French; and the notation is certainly not English — but a highly developed kind of shorthand that uses symbols to represent ideas. The semantics of music is the most complete and universal language.

Music is history. Music usually reflects the environment and times of its creation often the country and/or racial feeling.

Music is physical education. It requires fantastic coordination of fingers, hands, arms, lip, cheek, and facial muscles, in addition to extraordinary control of diaphragmatic, back, stomach, and chest muscles, which respond instantly to the sound the ear hears and the mind interprets.

Music is art. It allows a human being to take all these dry, technically boring (but difficult) techniques and use them to create emotion. That is one thing science cannot duplicate: humanism, feeling, emotion, call it what you will.

The Parents' Music Club wishes all our music students the Best of Luck during the 2007-2008 school year. We love you all and are proud of the RED RAIDER MARCHING BAND.

We Care Enough To Deliver Service . . . Your Way!

When you're pressed for time, call us. We're in your neighborhood twice a day six days a week offering convenient pick-up and delivery service. You don't have to be at home, because we go the extra mile by making special pickup and delivery arrangements . . . we're doing just that for your neighbor right now.

Your clothes will be returned looking and feeling like new. Our unique Sanitone process brings out the natural beauty of fabrics by reviving textures and colors.

So, next time you find yourself at the crossroads with a tight schedule, let us go the distance for you to provide the kind of service you deserve.

OLD SCHOOL FITNESS

How does a 6' 4", 230 pound QB shave a half second from his 40 time & run a 4.5?

How does a girls H.S. softball team get an extra edge and compete in the state playoff?

How does a 5' 10" H.S. basketball player dunk after only 8 weeks of training?

OLD SCHOOL FITNESS **Speed and Strength Training**, that's how.

OSF delivers Olympic level speed & strength training for middle school, high school, college and professional athletes. OSF trainers have helped increase explosiveness, quickness, speed and strength in over 50 individual athletes and many high school teams.

OSF is a new, **general fitness center** for anyone who wants to workout, get healthier, get stronger, control their weight or just plain feel better.

OSF offers **top quality** cardio and strength training equipment.

OSF offers **top personal training**, aerobics classes, Yoga, kettle bell training, kick boxing, mixed martial arts training and Brazilian Jiu Jitsu.

OSF offers M.D. supervised, **customized diet plans** to lose fat or build muscle.

Give your son or daughter the competitive edge they need to make the team, crack the starting line up or get the college scholarship.

Call 610-220-2521 today or email us at oldschoolfitness@comcast.net for Speed and/or Strength training, or, for general fitness membership early bird rates.
