LEARN THE LINGO

Field Goal - A place kick from the line of scrimmage that goes over the crossbar between the uprights of the opponent's goal post. It is worth three points.

Fumble - When a ball carrier drops the ball on the field. The team first to recover the ball gains possession. If the defense recovers the fumble it is a "turnover".

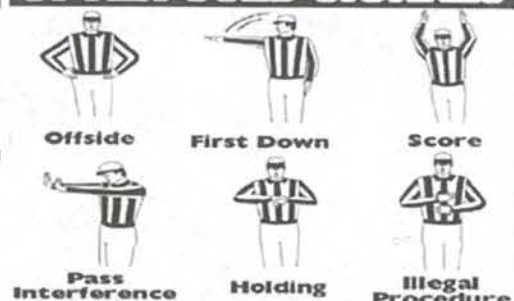

Interception - When a forward pass is caught by a defender. (A turnover)

Sack - When defensive players tackle the quarterback behind the line of scrimmage, resulting in a loss of yards.

Tackle - When a ball carrier is taken down or stopped by an opposing player.

Touchdown - When a player carries the ball across the opposing goal line, or catches the ball or recovers a fumble in the end zone. A touchdown is worth six points.

It starts quietly. Once voice, a prophet, calling out, telling us what is to come. Slowly at first, other voices join in. It becomes a stream of voices that swell into a torrent. More and more of the initiated join in and soon it is a Tsunami of noise; washing over the stadium...

Following the Falcons

Billy Evans, a local football icon, recently inducted into Pennsbury's *Athletic Hall of Fame*, and Gary Margerum, a Pennsbury football player alumnus, are interested in supporting the Falcon football program by creating a group of Falcon followers that would support the current and future players and meet socially a couple of times a year. When asked, current head football coach, Galen Snyder, thought it was a tremendous idea that would enable past players to reconnect with others and to meet players from different eras.

Interested Pennsbury alumni who have played football at Pennsbury Should call Bill Evans at 215-295-5988 or e-mail him at dregler@Comcast.net.
