WELCOME FROM COACH SCHMIDT HEAD FOOTBALL COACH

Welcome to the 2008 season of Redskin football on Heartbreak Ridge. Playing on this field is a big pay off for our young men who have spent the last nine months working extremely hard to exemplify the high standards of Neshaminy Football.

As always, the most important issue we stress is teamwork and self-sacrifice. Putting the team before you requires a special type of young man, and we feel we have that quality on this year's team. Once again, as a football staff we have to give recognition to our administration for making football at Neshaminy a truly great experience.

This season, once again, looks to be very exciting with five home games on the schedule. The realignment of the Suburban One League has brought back some old rivalries and has also allowed us to maintain longstanding and traditional clashes. The leadership on our team is of the utmost importance for the success of our season.

With Principal Menio's collaboration with Athletic Director Thomas Magdelinkas and Superintendent Paul Kadri will make our coaching jobs both productive and enjoyable. Both Mr. Magdelinkas and Mr. Menio work very hard to maintain the high standards and tradition that is present at Neshaminy.

Continuing in the spirit of teamwork, I'd also like to recognize our "N" Club. This booster club has set a standard as an organization second to none. Our President, Dennis Chapman, has spear-headed a group whose hard work and diligence continue to make our players and coaches feel very special and proud.

Once again, our team has set the bar very high in terms of its own expectations. Our standards not only cover the field, but also the classroom, the hallways, and the community. We consider it a privilege and an honor to put on our Red and Blue and walk down that ramp on Friday night. It is our ultimate goal to earn the support and respect of our fans and classmates, and I know this year will be no exception.

On behalf of the Redskin Football Family, please enjoy the season, and thank you for your support.

Yours in Football,

Coach Mark E. Schmidt

WELCOME MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS

Welcome to the 2008 Football Season at Neshaminy High School—Home of the Redskins. I would like to extend my warmest appreciation to our students, parents, players, visitors and guests who are helping us build upon our rich and proud Neshaminy football tradition.

Despite the fact that Neshaminy has the reputation for having a legendary football program, nothing can prepare one for its excitement and tradition. Each year I seem to be more excited than the last to witness the excellence that is put on the field. Neshaminy has quite a storied past and high expectations for its present and future. I am honored to be part of this and I am appreciative of so many that contribute to our successes.

Let me first extend my support of our student athletes, head coach Mark Schmidt and all the staff in preparation for an outstanding season.

Our tradition could not continue without support from our entire community and especially, our parents. Our district demands academic success and without the complete support of parents, staff, faculty—none of our goals would be achieved.

A “special” thank you goes out to our award winning band, dedicated cheerleaders and all of our booster organizations. Without these people, we would never experience the success we have achieved.

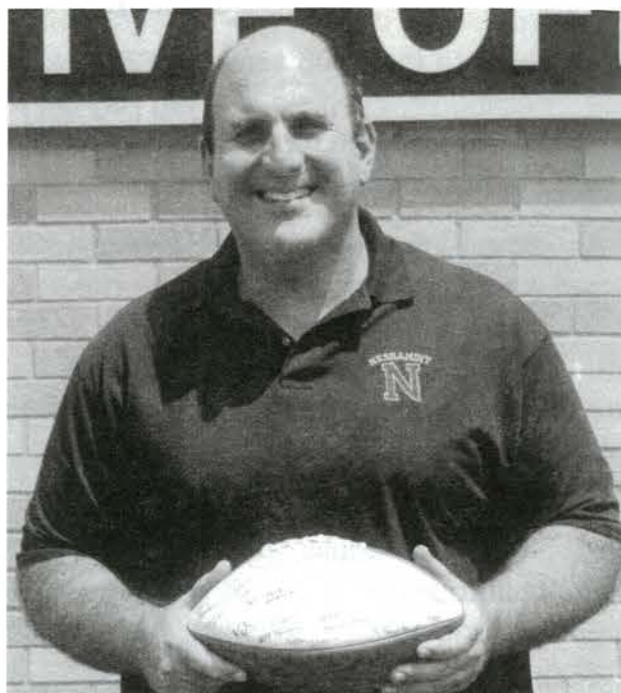

Our “N” Club is to be commended for their year round efforts to support our football program and I encourage everyone to support them through their snack bar and concessions stands.

None of this would be possible without the outstanding support of our Board of School Directors and the entire community. Their support of co-curricular programs is second to no other district.

Again, thanks to everyone and best wishes to our team for a safe and successful season—

GO REDSKINS!

Paul J. Kadri

Neshaminy Football 2008-09

Greetings To All Fans,

Welcome to the 2008-2009 season of Neshaminy Football. An exciting season is promised for everyone who visits “The Ridge.”

This year will see continued changes to the physical structure of Neshaminy High School as we “Build for the future,” but the core values that make Neshaminy a great place remain the same—dedication, pride, and hard work. Building on these values, Coach Mark Schmidt has continued to develop another dynamic team focused on achievement both on and off the field.

Coach Schmidt, along with his coaching staff, has worked to cultivate true leaders who are the pride of Neshaminy High School, and a dominant force in the Suburban One League.

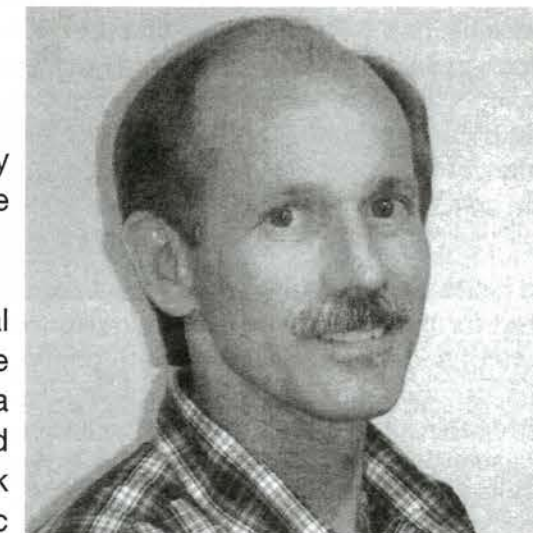

Harry E. Franks Stadium is always an exciting place on Friday nights starting with our rousing pre-game show put on by the band under the directorship of Mr. Mike Lipton. Their long hours of preparation allow them to present an entertaining performance that will create life long memories.

Show your Neshaminy Pride by joining our cheerleaders and cheering on our team. Under the direction of Ms. Mary Hart, their support adds that special level of enthusiasm to make the game fun for the fans as well as the players.

It takes the support of everyone—boosters, parents, community members, teachers, coaches and players to make a successful season. The contributions you make to this evening are the ingredients to success. Thank you for your efforts.

Enjoy the evening.

Sincerely yours,
Alex Menio
Principal

Dear Redskin Fan,

Welcome back to a new school year and what is sure to be an exciting football season. Each week in the fall, the Neshaminy community reunites to cheer our football team. Former Redskins recall past glory while future Redskins look on as their heroes take on rival teams. In the stands friendships are rekindled under the Friday night lights. Coach Mary Hart's cheer-leading squad performs acrobatic routines while they have established their own standard of excellence. The band, under the direction of Mike Lipton, provides a fantastic visual and musical experience. Our games truly bring out the best in our students and community.

I would like to extend my sincere gratitude to Head Coach Mark Schmidt and his staff. They have worked countless hours to ensure our team is prepared for the rigors of the newly realigned Suburban One league. Our players have committed countless hours of sacrifice and hard work to continue the Neshaminy football legacy. In addition to being great athletes, our students are held to high academic standards. The combination of academics and athletics help to prepare our students for the challenges that lie ahead.

Finally, my thanks to the Neshaminy "N" club for their tireless efforts in helping to establish our program as one of the best in the state. Whether it is the golf outing or concession stand, all of their work is first class.

I would also like to invite you to the many games and events that take place on our campus throughout the year. I look forward to seeing you.

Yours in Redskin Pride,

Thomas J. Magdelinskas
Athletic Director

BUSINESS PROFILE

Cane & Able, Inc. - Provider of Aids for Daily Living and Mobility Products

by June Portnoy

New to Langhorne, Cane & Able, Inc. is a lot more than a business venture for its owner, David Farrer.

Rather, it is his passion inspired by his grandmother who suffered for years from lupus, rheumatoid arthritis and coronary disease.

"Our family witnessed her slow decline," says David.

"We attempted to improve her quality of life by searching for products that would help her maintain her independence."

David and his family looked for items in catalogs and websites, only to discover that these products weren't what they claimed to be or do.

As time went on, the family became increasingly more frustrated.

It was this disappointment that led David to establish Cane & Able.

It carries daily aids and mobility products for those in need, displayed in an environment conducive to seeing, touching, and handling any product before purchasing it.

At Cane & Able, you don't need to guess whether an item will work best for you; you are encouraged to try it first to make sure it is comfortable and suits your needs.

Cane & Able offers bright, cheerful surroundings in which products are innovatively displayed in their natural environment.

Walk through a sample bedroom, bathroom, kitchen and living room and discover hundreds of aids for daily living ranging from dining and kitchen utensils to sight enhancements, dressing devices, as well as grooming and bathroom aids.

Feel free to put your feet up on a luxurious lift chair that is every bit as comfortable, attractive and affordable as a traditional recliner.

Whether you need a special device to help get you out of bed, use the bathroom, dine, or simply just get around your home, you will find it here in the same room where you would use it in your own home.

Of course, mobility products, like scooters and wheelchairs, are also displayed throughout the showroom.

Cane & Able carries all top of the line products and leading brand names. When you come here, you'll get the best quality products.

"My goal is to make the public aware that there are effective devices that help people with challenges and needs to maintain their independence, enhancing their quality of life," says David.

"By needing less hands-on help, individuals feel empow-

They will explain how their products work and fit them if necessary.

Plus, if you live within a five-mile radius to the store, David will offer a free assessment of your residential needs.

This means he will come to your home to see where you are having difficulty so he can recommend products to help make your daily routine easier.

Cane & Able provides for delivery and installation of all products.

As another option, you can

order from Cane & Able's website at www.cane-n-able.com.

JR MICHALSKI

HEATING & AIR CONDITIONING

FAMILY OWNED AND OPERATED

"Today's technology with yesterday's service."

This is the motto by which Joe Michalski, owner and president of JR Michalski Heating and Air Conditioning, Incorporated, runs his business.

Family-owned since 1990, the company serves all of Lower Bucks County.

The company provides installation, maintenance and repair for heating and air conditioning units, humidifiers, thermostats and ventilating equipment.

The company offers full custom duct fabrication and installation as well.

According to Joe, a well-maintained heating or air conditioning unit should last ten to fifteen years.

In order to keep your air conditioner functioning well, now is the time to schedule service for your air conditioning unit.

Preventative spring maintenance includes cleaning the outdoor unit, checking the freon levels, draining the PVC pipes, and cleaning the filters.

It's important not to neglect your cooling system during the winter months.

Joe stresses the importance of changing the filter on a regular basis in order to keep the unit clean and improve the air quality.

He recommends an electrostatic filter, which pulls 90% of the dust particles out of the air. In the winter, schedule a routine maintenance check for your

cooling unit.

Efficiency is becoming increasingly important for the homeowner.

Programmable thermostats allow the homeowner to vary the air temperature automatically, depending upon the time of day.

Joe notes that the federal government has mandated that, as of January 6th, 2006, any new installation of an air conditioning or heating system must have a minimum 13 SEER rating (Season Energy Efficiency Rating).

York and the Electrical Association of Philadelphia are currently offering rebates on spring installations of units meeting this new mandate.

While the company specializes in York products, it offers all makes and models.

Free estimates on replacement units are available.

Appointments are available Monday

through Friday from 8:00am

until 4:30pm. Emergency service is also available.

A routine spring/fall maintenance visit costs \$59.95 per unit.

The company is fully insured and licensed in all boroughs and townships it serves.

JR Michalski is located at 106 Reetz Avenue in Hulmeville.

To schedule an appointment, call 215-752-1442.

**NESHAMINY HIGH SCHOOL MARCHING BAND
2008-09**

We are proud to present the 2008-09 Neshaminy High School Redskin Marching Band. This year the band is comprised of 81 members, which includes 72 musicians and 10 color guard. The band is directed on the field by Drum Majors Jared Middleman and Laura Johnson. The Color Guard Captain is Kaitlyn Moore. The band director is Michael Lipton. Band staff includes Dave Heaney, Jason Leigh, Kristin Cloak, Lisa Boccuti, Michelle Lillie, Stacy Luciany, Michele Fitzgerald, Kevin Finnerty and Adam Pfannenstiel. Drill design is by Joe Shonis.

The Marching Band will be kept busy this fall with performances at all Redskin football games as well as participating in Marching Band Shows at Penridge, Bensalem, William Tennent and Pennsbury High Schools. We will host our own 16th Annual Kaleidoscope of Bands Show on Saturday, October 25, 2008.

Our 2008 production showcases music from a variety of jazz styles. The show opens with the big band style swing tune "Sing, Sang, Sung" recorded by Gordon Goodwin's Big Phat Band. Our second selection features the exciting Latin sounds of "Sunrise Lady" composed by Bruce Johnstone for the Maynard Ferguson Band. Next up we move to the Stan Kenton Big Band library and present an arrangement of "Pegasus" originally composed by Hank Levy. The show concludes with the very familiar Latin sounds of Leonard Bernstein's "Mambo" from West Side Story. Please sit back and enjoy our energetic jazz presentation.

"Some friendships do not last, but some friends are more loyal than brothers." - Proverbs 18:2

Forever Young

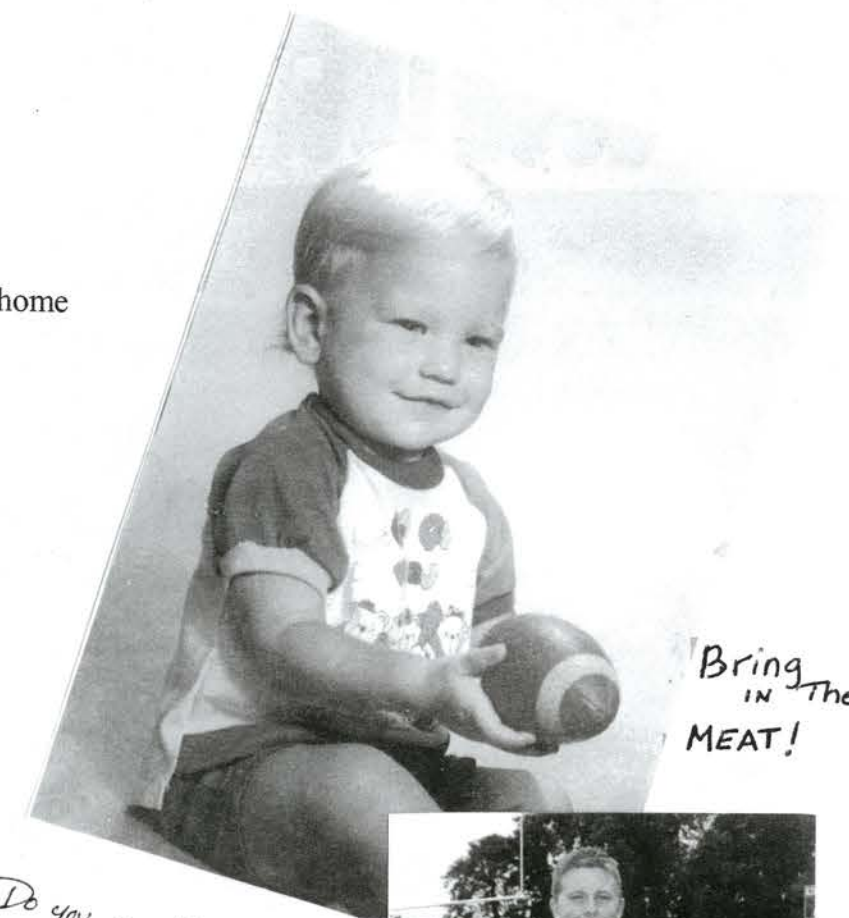

May the good lord be with you
Down every road you roam
And may sunshine and happiness
Surround you when you're far from home
And may you grow to be proud
Dignified and true
And do unto others
As you'd have done to you
Be courageous and be brave
And in my heart you'll always stay
Forever young, forever young

May good fortune be with you
May your guiding light be strong
Build a stairway to heaven
With a prince or a vagabond

And may you never love in vain
And in my heart you will remain
Forever young, forever young
Forever young, forever young
Forever young

And when you finally fly away
I'll be hoping that I served you well
For all the wisdom of a lifetime
No one can ever tell

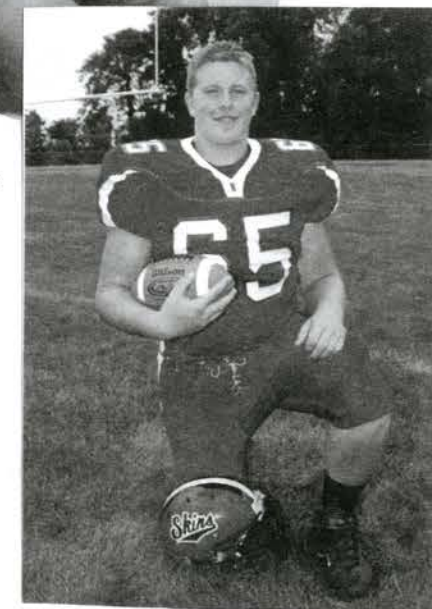

But whatever road you choose
I'm right behind you, win or lose
Forever young, forever young
Forever young, forever young
