To you, who have provided the excitement during your years at Bensalem High School we hope you will accept this token award of recognition. Your display of courage, dedication and the positive thinking attitude surely demonstrates the good quality that you possess, as a true sport and athlete.

The Bensalem Owls Hall Of Fame recognizes all sports. To be nominated, you must have been out of the High School for five years or more and upon the selection of a special committee, you shall have polled seventy per-cent of the votes cast. These requisites you have met and you have been to represent your sport during your matriculating years at Bensalem High School. We must emphasize the fact, that after five consecutive years of adding to your select group, new members will be added every other year. At the completion of our new field house, your name shall be entered on a master award plaque, to be firmly affixed, in a prominent location, to forever be testimony of the gratitude expressed by our association and your community. Thus, we conclude the 4th consecutive year of placing former athletes of Bensalem High School into THE BENSALAM OWLS HALL OF FAME'

The Bensalem High School Marching Band is directed by David W. Sperling and Mitchell A. Beck. During the football season the band performs at all football games. Each week the band prepares a pre-game and a seven minute half time show. Performances at pep-rallies and community related activities are common. The bands' primary function in the fall is to provide Spirit D' Corps for both the football team and the spectators which attend.

After the football season the band is converted to a concert band. Instruments not used in the marching band such as the Oboe and Bassoon are added. Concerts are given at Christmas, in the spring and other functions which arise in the school and community.

Other instrumental groups which stem from the marching band are the Stage Band, a jazz group, the Brass and the Woodwind Ensemble.
