HOMECOMING, 1976

Homecoming at Pennsbury is traditionally an activity which involves many students and requires countless hours of preparation. This year, however, due to the late opening of school, the program has been abbreviated and the parade of floats will not be featured in the pageant.

The day's festivities will be highlighted by the crowning of the 1976 Homecoming Queen. The six finalists, who were chosen from a field of 23 nominees, are: Delene Crocker, Phyllis Gursky, Melody Matthews, Eileen Mitchell, Joy Sill, and Diane Wilson.

ABOUT THIS YEAR'S FOOTBALL PROGRAMS

Over the year's, Pennsbury's football program has undergone constant revision, expansion and improvement. The program staff has attempted to pay appropriate tribute to our fine teams and staffs, while at the same time providing our fans with a game souvenir worth saving. For the past several seasons, we have run programs ranging from 24 to 32 pages and have operated under an extremely tight budget. But in spite of our efforts, costs continue to climb and providing the continued quality at the same prices becomes more and more impossible. Therefore, this year, in an effort to stay within our budget, we are going to condense issues to 16 pages.

It has always been our goal to provide a high quality souvenir program at a reasonable cost, and with a few minor budgetary adjustments, we hope to continue in this endeavor during this and future seasons.
