## Deep Run To Host Home Run Derby

The Phillies Home Run Derby will make its first visit to Deep Run on Sunday, May 23, with a 1 p.m. starting time. The contest, which is being sponsored by Hatfield Quality Meats, is free to all boys ages 8-15 and will be held on Deep Run's fields on Callowhill Road in Hilltown. Official entry forms will be available at the field on the day of the contest.

Home Run Derby uses a pitching machine to throw each contestant 10 good pitches. Points are scored for fair balls hit, distance hits and home runs. Pitching speed and scoring distances change with each age division. Hatfield Quality Meats will award 50 prizes. The top three finishers in each division will receive a Phillies engraved plaque and will be invited to the regional finals later in the summer.

A separate girls contest will be held with softballs instead of baseballs.
