A Letter from the Superintendent

Welcome to Neshaminy's Heartbreak Ridge

"I am honored to be able to welcome you to Harry Franks Stadium and the 2022-2023 Neshaminy High School Football Season".

While the circumstances have changed significantly since last season, the Friday Night Lights of Harry Franks Stadium remains the goal as a reminder of the tradition and legacy of Neshaminy. This simply is just one of many icons that mark the pride and long standing tradition surrounding Neshaminy High School, our football program, and the community.

What has not changed is the collaborative effort of hundreds in sustaining those traditions. The clanking of weights; the practicing of cheers; the sound of drums has been heard for months as students, coaches, directors, and parents demonstrate their collective commitment to excellence in preparation for the fall sports season.

To the Students on the Football Team, on the Cheerleading Squad, and in the Marching Band: You are part of a select group of students who get to wear the "Skins" logo. You earned this honor by demonstrating not only excellence on the field; but you also carry the pride, character and commitment embodied in the "Skins" logo beyond the playing field into the classroom and hallways of NHS. These qualities will take you far. Cherish these moments and thank you for leading our high school by example.

To Lisa Pennington, Coach Wilmot, Director Lipton, Coach Cabeza and their staff: Year after year, you provide our students, their families, and community with a program second to none. Sustainability is your legacy. While you may get a few hours in the lights, most of your work is done in the shadows. Please know your individual, daily efforts – though largely unnoticed – are greatly appreciated as they contribute significantly to something much larger than each of us.

To the "N" Club, Cheer Boosters, and Band Boosters: It is clear that a School cannot do it alone. Your extraordinary efforts, in support of our students and our high school, provide immeasurable value to the Neshaminy High School student experience. A simple "Thank you" doesn't seem to suffice; but that is all you ask from us.

To the Neshaminy Fans: For some, tonight is your first game. Some of you have been coming to Heartbreak Ridge for years; some for decades. You come whether we win or lose; you come rain or shine; maybe because you're a parent of a student; or maybe you wore the "Skins" logo somewhere in your past; or maybe you simply bleed Blue and Red.

Thank you for supporting our students and co-curricular programs at NHS.

With Neshaminy Pride... "Go Skins!"

2022 Neshaminy Skins 94 YEARS OF TRADITION

Mr. Stephen Garstka
Principal
Neshaminy High School

Hello and Welcome to Harry E. Franks Stadium, home to some of the BEST high school football that Bucks County has to offer.

It is my great honor to welcome you to what is sure to be a memorable season. Big things are happening at Neshaminy High School. It should be quite obvious if you are reading this in the stands of a home football game that the athletic facilities are getting quite the facelift. It will be quite a spectacle to look over the back of the home side bleachers at the construction happening on the Baseball field, Tennis courts, and Multi-Purpose field from game-to-game and watch the progress. The varsity softball field will be getting the same turf treatment, and shortly after the football season ends, Harry E. Franks Stadium will be getting a similar makeover.

I am extremely excited for this season as I will get to experience my first taste of Neshaminy Football. Having grown up across the creek, I could hear the marching band on Friday nights as the sound traveled across the valley to my front yard. I was always aware of the tradition, history, and reputation surrounding Neshaminy Football but never experienced it from the home side. As the new principal of Neshaminy High School, I can now claim to be a part of one of the most dedicated and passionate fan bases high school sports have to offer.

Neshaminy High School has long been an amazing place to grow up; the many long-standing traditions that are partially responsible for that amazing experience make Neshaminy truly unique among its neighbors. I am extremely excited to see those traditions play out throughout this school year and to see how they are shaped to fit new, state-of-the-art facilities in the future.

I can't wait to see what Coach Wilmot has in store for us this season.

I am looking forward to seeing all of the cheering faces on game day.

Let's Go, Skins!!!

Mr. Stephen Garstka
NHS Principal

2022 Neshaminy Skins 94 YEARS OF TRADITIONS

Lisa Pennington
Athletic Director

A Message from the NHS Athletic Director

Welcome to Harry E. Franks Stadium, home of the Neshaminy Redskins Football Team. "Heartbreak Ridge" has been the host of many exciting games and has given many lasting memories to former coaches, players, community members and fans. Friday nights under the lights at Neshaminy High School has come to be a gathering place for the Neshaminy community and a place to showcase our football team talents, commitment and tradition, that are built on a foundation of hard work, pride and leadership.

Our committed football staff, led by Coach Steve Wilmot, works non-stop to ensure that each player is mentally and physically ready for each game while stressing the values of leadership, academics, sportsmanship and the skills necessary to succeed both on and off the playing field.

The atmosphere in the stands and during halftime would not be possible without our Marching Band and our Cheerleaders. The Marching band, led by Mike Lipton, does an outstanding job keeping us entertained throughout the game and then puts on a halftime show like no other. Coach Cabeza's cheerleaders are full of energy and work hard to bring us outstanding routines throughout every game.

I would like to thank The "N" Club and the band and cheerleading boosters for all their hard work and dedication in supporting our teams and our high school. To all our students, fans and community members who come out to support our football team and all our other events, you are the best. The energy and excitement you bring is greatly appreciated.

A special shout out to all the Neshaminy employees who get the job done behind the scenes so that we can enjoy all our events at NHS. You are truly the best!

Remember, there is only one Neshaminy... *and it shines under the lights on Heartbreak Ridge!*

Yours in Neshaminy pride,
Lisa Pennington

2022 Neshaminy Skins HEAD COACH

Steve Wilmot
Head Coach

Welcome from the Skin's Head Coach

Welcome to the 2022 football season on Heartbreak Ridge. During my 28 years coaching at this remarkable school, I have heard stories and have witnessed many great feats of courage and teamwork put forth on this field. Since 1955 this stadium and the student-athletes who have played in it, have represented the core-values of the entire community; Hard-work, sacrifice, and dedication. This year's team will not disappoint in any of those three areas.

This year's seniors have worked very hard for the right to play their five regular season games in this stadium. The class of 2023 Neshaminy Redskins features some great academic as well as athletic talent. Most importantly this class continuously demonstrates to me a high standard of character. I would first like to say "good luck" to this great bunch of teenagers.

The assistant coaches I work with are more than just colleagues to me. They are part of my extended family. Time after time, they demonstrate to our athletes what good character looks like both on and off the field. They impart all of their vast football knowledge into our players and put countless hours into their endeavors. I would like to thank both them and their families.

I would like to commend our Neshaminy administration for all that they do for supporting our program. Thank you to Dr. Robert McGee, Superintendent of the finest school district in Bucks County and Principal Stephen Garstka. I would like to welcome Lisa Pennington to the role of athletic director. She has a reputation of being one of the hardest workers in the district and has a love for the Neshaminy district and athletic program that can't be measured. No doubt she will take our athletic programs to new heights. To these administrators, and all the assistant principals at Neshaminy High School, I say thanks.

The Neshaminy "N" Club, under the leadership of Rich Esher is an organization second to none. This booster club spends countless hours planning and fundraising to ensure our coaches and players have all the resources they need, and generally enhance the experience of all the players during their time here. Thank you to all the parents that participate, but especially to the "N" Club board, who really go above and beyond.

The experience on Friday nights at Harry E. Franks Stadium is one that is known throughout the state of Pennsylvania. This would not be possible without the combined efforts of the band, the cheerleaders, and the dedicated fans of the community. Thank you to Mr. Lipton who directs the band, and Tonya Cabeza who coaches the cheerleaders. A big thank you to the fans. Whether you are attending your first game, or having been coming to games here for 50 years, it is the fans who make all the hard work our football players put in pay off.

On behalf of the Redskin Football Family, please enjoy the season and thank you for your support.

Steven Wilmot,
Head Coach

2022 Neshaminy Skins COACHING STAFF

2022 Neshaminy Skins MARCHING BAND

NESHAMINY HIGH SCHOOL MARCHING BAND 2022-2023

We are proud to present the 2022-23 Neshaminy High School Marching Band. This year the band is comprised of 94 members, which includes 76 musicians and 18 color guard. The band is directed on the field by Drum Majors Samantha Quinlan, Sarah Kramer and Andre Aloian. The band director is Michael Lipton. Band staff includes Justin Aungst, Michael Pettis, Jason Wu, Carla Giorno, Meagan Veacock, Josh Campbell, Sam Monroe, Mae Prasch, Brook Rees, Izzy Gallo and Brynn Chieffo. Music arrangements are by Justin Aungst. Battery percussion arrangements are by Josh Campbell. Front Ensemble arrangements are by Bennett Stump. Drill design is by Bobby Jones.

The Marching Band will be kept busy this fall with performances at Neshaminy football games as well as participating in a full schedule of Marching Band Shows throughout the fall season. We will host our own 29th Annual Kaleidoscope of Bands Show on Saturday, October 22.

In our 2022 production, What's Next?, we take a journey down memory lane through the history of

recorded music. We open our show with a sample of one of the earliest recordings of music with the French folk song Au Claire de la Lune. This technology was later refined and perfected to become the phonograph, which was the medium for many famous jazz recordings, such as Benny Goodman's Sing, Sing, Sing. Moving forward in history we find the cassette tape, with its ability to fast-forward and rewind so you could listen to your favorite songs like Stairway to Heaven over and over again. By the 1990s, we are into the digital age as the compact disc becomes more and more popular. Being able to skip right to your favorite song, such as Alanis Morissette's Ironic, was a welcomed feature, as long as your CD didn't skip... Next, the digital age keeps getting better and better, as we are able to load hundreds of songs onto iPods and other MP3 players, so we can easily skip from song to song, and genre to genre. And finally, we close our show with the music of today. Being able to stream music directly from the cloud opens up so many possibilities as we look to the future and wonder - What's Next?
