

LANGHORNE WINS OVER L. MORELAND BEFORE BIG CROWD

LANGHORNE, Oct. 19 — After playing listlessly in the first half, the Langhorne Redskins came back strong to score twice and defeat the Lower Moreland High School, 14-8, last night in a nocturnal game before 2,000 fans on Playwicky field.

There was no doubt that the Lower Moreland team outplayed the DeRisimen during the first half play. It scored a touchdown and blocked a kick which resulted in a safety and gave it an 8-0 lead. The Langhorne team could do little gaining while the inspired Lower Moreland bunch was registering yard after yard.

But whatever Coach DeRisi told his players during the rest period made a different bunch of boys out of them for they came back from the intermission full of pep and it was their turn to push back the Moreland boys. But at that, the Redskins ran into trouble in pushing over the scores for three costly fumbles came within striking distance of the visitors' goal.

After the third of these miscues, Langhorne again worked the ball to within eight yards of touchdownland. From here Semarion Brown carried the pigskin on a reverse and scored easily. When Schneider converted the extra point try with a line buck, the Redskins were behind, 8-7, and still needed some kind of a score to win.

In the last session, Langhorne again got possession of the oval. And a march from the Moreland 40 continued to the 2-yard line. The officials had just given the signal that five minutes remained to be played when "Inky" Schneider went over for the winning six-pointer. He also made the extra point.
