

team, rennsbury, placing nine of its talented gridders on the two first team units. Bishop Egan ranked second with six representatives.

Probably the most difficult selection this year was that of the quarterback. Lower Bucks has turned out some very fine signal-callers over the past years and this year was no exception to the rule. No less than three QBs were considered for the coveted spot.

Ryan Chosen

In making the selection, the panel based its final pick on the quarterback's overall leadership of the club. That's one of the reasons why Jimmy Ryan, Bishop Egan's fine field general, was the choice.

When Ryan is in the Egan backfield, Bucks football buffs can expect almost anything. Egan's favorite play is the option and Ryan is the main reason why it has produced such astonishing results.

Ryan is one of the many fine quarterbacks to come out of the Fairless Hills school. Most noted of his predecessors are Sylvester (Pancho) Micir and Billy Creeden.

Joining Ryan in the star backfield are Ed McDowell (Egan), Steve Sroba (Neshaminy) and Pennsbury's Bill Evans. Two of the four backs are juniors — McDowell and Sroba.

The foursome accounted for 61 touchdowns or 366 points. Evans, the 6-2, 215 pound bulldozer, captured the Lower Bucks scoring title with 108 points followed closely by Egan's McDowell with 102 points. Sroba tallied 84 points

Pennsbury at the end slot. Finch is one of the four repeaters from last year's star squad. At tackle there's Bris-

Kneller.
