A Letter from the Superintendent

Welcome to the 2024 Neshaminy High School Football Season!

This is always one of my favorite times of the year as our athletes, coaches, musicians, students and community supporters return to Heartbreak Ridge to continue the tradition of excellence that is Neshaminy Football. We are excited to begin our second year in the renovated Harry E. Franks Stadium. For over 70 years, this legendary facility has been a symbol of the pride and strength of our Neshaminy athletic teams and of our Neshaminy community that is recognized throughout the Philadelphia region.

We have been blessed with a long history of coaches and support staff that have inspired our athletes to reach their greatest potential while learning the value of leadership, sportsmanship, and community service. I learned these valuable lessons while playing for Neshaminy under Coach John Chaump in the early nineties, and today Coach Steve Wilmot and his staff embody those same values and continue to pass them on to the next generation. Whether it is game day, a regular school day or Challenger Football Sunday, our athletes are expected to live up to these expectations in all aspects of their lives. That is our Neshaminy tradition.

I wish the 2024 Redskins football team and all of our fall sports teams a great season filled with learning, success and fun.

With Neshaminy Pride,

Jason Bowman,
Superintendent

Mr. Stephen Garstka
Principal
Neshaminy High School

Hello Students, Parents, Friends and Fans,

Welcome to Harry E. Franks Stadium and the 2024 Neshaminy Football season!

Coach Wilmot and his staff have worked extremely hard to prepare our players.

I have seen our players around campus, in the weight room, on the fields and in the gym. The dedication and commitment of our players is outstanding, and I believe that preparation will breed success!

I am excited for another season of touchdowns, big defensive stops, cheering crowds, packed student sections, marching band performances, and hopefully, wins! I am so happy that you can join us for what is sure to be an exciting season. In addition to the on field excitement, our staff has a number of activities and celebrations planned each week including our annual Homecoming Carnival, theme nights, and several community recognition events. The Ridge is sure to be a great place to start your weekends this fall!

I want to thank Mrs. Pennington and her staff for all of the hard work they have put in to make this season a success. The behind the scenes work that goes into organizing just one of these games is truly amazing and truly takes a village to pull off each week.

Get on your feet and cheer!

Let's Go Skins!

See you at The Ridge!

A Message from the NHS Athletic Director

Welcome to Harry E. Franks Stadium, home of the Neshaminy Redskins Football Team. "Heartbreak Ridge" has been the host of many exciting games and has given many lasting memories to former coaches, players, community members and fans. Friday nights under the lights at Neshaminy High School has come to be a gathering place for the Neshaminy community and a place to showcase our football team talents, commitment and tradition, that are built on the foundation of hard work, pride and leadership.

Our committed football staff, led by Coach Wilmot, works non-stop to ensure that each player is mentally and physically ready for each game, while stressing the values of leadership, academics, sportsmanship and the skills necessary to succeed both on and off the playing field.

The atmosphere in the stands and during halftime would not be possible without our Marching Band and Cheerleaders. They bring a level of energy and enthusiasm which is unmatched. They use their many talents to get everyone involved in the game!

I would like to thank The "N" Club, the band and cheerleader boosters for all their hard work and dedication in supporting our teams and the high school. The Neshaminy student body, fans and community members are like no other when it comes to our hometown team! The liveliness and passion you bring is greatly appreciated.

A special shout out to all the Neshaminy employees who get the job done behind the scenes so that we can enjoy all our events at NHS. You are truly the best! Remember, there is only one Neshaminy... and it shines under the lights on Heartbreak Ridge!

Let's go Skins!

2024 Neshaminy Skins MARCHING BAND

NESHAMINY HIGH SCHOOL MARCHING BAND 2024-2025

We are proud to present the 2024-25 Neshaminy High School Marching Band. This year the band is comprised of 109 members, which include 20 color guard and 89 musicians. The band is lead on the field by Drum Majors Chris Dowis, Alyssa Loudon, and Molly Pritchard. The Band Director is Michael W. Pettis. Band Staff includes Justin Aungst, Jason Wu, Becky Raffin, Meagan Veacock, Trent Detweiler, Josh Campbell, Sam Monroe, Nick LaRoza, Nick Coppock, Bennett Stump, Ben Muller, Dominick DeStefano, Brooke Rees, Greg Beatty, and Izzy Gallo. Music arrangements are by Michael W. Pettis. Battery percussion arrangements are by Josh Campbell. Front Ensemble arrangements are by Bennett Stump. Drill design is by Tyler Propfe.

The Marching Band will be kept busy this fall with performances at Neshaminy Football games. As well as participating in a full schedule of Marching Band Competitions in the Cavalcade of Bands circuit throughout the fall season. We will host our own 31st Annual Kaleidoscope of Bands Show on Saturday, October 19. We will also prepare for a feature performance in Nashville, TN on our Instrumental Music Trip in March!

In our 2024 production, "Behind Closed Doors", we are faced with confronting our past, present, future, and dreams. We begin with the presentation of the

Doors represented by our connecting theme featuring the trumpet and ensemble performing the opening of "Wine Dark Sea" by John Mackey. Door 1 represents thoughts on dealing with Isolation. We are confront with feelings of being alone, even when we are around all of our friends and family. The music for this door is the hauntingly beautiful "Ubi Caritas" by Ola Gjeilo. Soloists in the section include Kailynn Hall on Trumpet, Olivia Andersen on Flute, and a our Saxophone Quartet. Door 2 presents us with Anxiety and the stress of having to deal with multiple things happening at the same time. In this jazzy section we hear "J'ai ete au bai (I Went to the Dance)" by Donald Grantham, we hear from soloists, Lorali Minde on Tuba, and Noah Kelly on Baritone. Door 3 opens and we are finally able to live in the joy and happiness that life brings. In this exciting and joyful movement, we perform, Richard Saucedo's "Windsprints". As we get to the final statement of this movement the 4th Door is opened and we are met with darkness, fear, and failure. Kathryn Salfelder's "Ungrounded Base" accompanies us on this journey as we navigate our way out of this door. Confronted with stress, our darkest fears, and our failures, we have to choose to make it our or be stuck. In life, we are confronted with these emotions, how we deal with them and respond to them, is our choice. Which Door Will You Choose?

N

John,
As your senior year of football approaches, we keep reflecting on the journey that has brought us to this point. From the first time you stepped onto the field as a young child, filled with excitement and a love for the game, to now, as a seasoned player ready to lead your team, we couldn't be prouder of the person and athlete you've become.

JOHN DOUGHERTY #2

Football has been more than just a sport for you; Football has been a bond that has shaped our family's experiences and your own character. It's been a passion that has taught you invaluable lessons about teamwork, discipline, perseverance, and resilience. We've watched you grow not only in skill but also in maturity, facing challenges head-on and always pushing yourself to improve. Your determination and passion have been evident in every practice and every game. Not once did you ever give up, even though you felt some moments of defeat and for that, we are extremely proud.

Senior year is a big milestone—a culmination of years of hard work and dedication. It's a time to cherish every moment on the field, from practices to the games, and most importantly, every bond you've formed with your teammates. These are the memories that will stay with you long after the final whistle blows.

As you start this season off, remember to savor every game, every victory, and even the setbacks. Your leadership and determination will inspire those around you, and we have no doubt that you will leave everything you have on that field with no regrets.

Remember, success is not just measured in wins and losses, but in the effort you put forth and the growth you achieve. Football has taught you invaluable life lessons—discipline, sportsmanship, and the importance of pushing yourself beyond your limits. Carry these lessons with you as you navigate the challenges ahead, both on and off the field.

Enjoy this special year, soak in the atmosphere of Friday night lights, and take pride in wearing Neshaminy colors. We will be there, cheering you on every step of the way, celebrating your successes and supporting you through any challenges that may come.

We are incredibly proud to be your parents, and we can't wait to see what you achieve in your final season of high school football. Remember, no matter the outcome, you've already made us so proud.

With all our love and support, Mom, Dad, Connor & Trey

Set your goals high
