There is no question as to the fact that a deer will not get into the road without warning.

It is unfortunate that many times deer race into moving automobiles and it can not be avoided. It is an accident when a deer is struck by a car but it's not an accident when the person involved pulls away from the scene and leaves the animal in the road.

Many local Game Wardens are alarmed at the number of deer who are killed on roads in Bucks County these days but still a more shocking figure is the number who just race from the scene.

# Tennent High Halts Bristol Eleven, 9-6

Have you seen? No kidding, are you sure?

Yes, it's true. William Tennent High School has finally defeated Bristol High School in varsity football and it couldn't have come at a finer time.

It took 12 long years to do it but Saturday the Panthers of coach Jim Dixon were victorious in a 19-6 triumph over the Warriors of Bristol.

The Panthers not only made history by beating Bristol but they made it a real place to play with Neshaminy, Morrisville and Pottsville in the Lower Bucks County League.

Tennent's bulky forwards could hardly believe that they had defeated Bristol after the game and just walked down from the field. That atmosphere vanished quickly when it was learned that Ne-

shaminy had upset Morrisville and also applied to pass defense in football occasionally. Saturday Neshaminy's Tommy George (left) had the right idea but Morrisville's Jeff Foster hurried the pass too high for George to figure in stopping it. The ball went right over the head of Mor-

risville's Phillips (11) and fell incomplete. Neshaminy's Rich Simon (8) is shown in front of George. The Redskins upset Morrisville, 6-2, to remain in the fight for the EBL title. (Courier-Times Sports Photo by Ron Brown)

First down. Second down. Third down. Fourth down. Delhaas nipped Council Rock in a grid thriller, 19-16.

The two teams were fighting to keep out of the cellar—but those two fans who watched the Delhaas-Council Rock fracas Saturday at Newtown saw a pair of teams battling every inch of the way as if everything in the world was on the line.

It was a case of which team met the most breaks that decided the winner. Delhaas, captain led by two black kicks and a punter to score a 19-16 victory over the Indians in a Lower Bucks League game.

It was the first league victory of the season for the Tigers who only last week tied with Bristol, 13-13. For Council Rock, it was their third straight defeat.

The first straight period Council Rock's last league win was a 19-16 triumph over William Tennent on Thanksgiving Day 1956. The last season of coaching by "Sag" Sagula.

Short Hauls The three Delhaas touchdowns were on short hauls through the line by blocking punter Dom Delhaas. The first two were on short hauls through the line by blocking punter Dom Delhaas.

Blocked Kicks Beagle had trouble in getting off his kicks in the first season. He was blocked by Al Yeager and McClint on the 25-yard line. Dom Delhaas made his way off tackle for six yards and Gber-

son had his 13-yard scamper. In two more plunges, Dom Delhaas scored on Saturday afternoon. The second Delhaas touchdown was scored in practically the same manner. After the touch down kick, Council Rock rushed to gain and Beagle went back to kick but Barry Turk rushed in and blocked the kick as the 20-yard line. Dom Delhaas worked off the line to the one from where Dom Delhaas did over the line converted to a field goal.

Bill Sweeney helped in the third touchdown as he recovered the same manner.
