'The Boys Did It'

"The boys did it. The boys did it," Nashaminy High School coach John Petercuk reiterated over and over after last night's classic game with Tennent. He gave them full credit for the victory.

A number of fans who left early when Tennent was leading by one point called the Courier-Times office to confirm the final score. They were shocked to learn that Nashaminy pulled it out in the final minute.

George David, of Tennent, completed only four of 14 passes before they were good for 221 yards, and two touchdowns.

It was the best performance of the season for Tennent's Bob Johnson. He ran well and was on the receiving end of all of David's four completions.

Frank Conway proved again how important he is to the Nashaminy defense. Jerry Mladjen, who intercepted the ball for the Redskins on the last play of the game, uses the happenings last in Middletown Township when the white whistle blew.

Indians Pull Upset

Yesterday's afternoon clash wasn't as thrilling as the evening affair, but to the Council Rock Indians it was the most important game in years.

The 19 points scored by Tennent are the most points scored by a league team against Nashaminy since 1951. It is the first time since 1951 that a league opponent has scored more than one touchdown against the Redskins.

Dave Miller, Council Rock coach, is suffering with a cold. After coaching the team to a shutout victory over Bristol, he returned to recuperate. "I was under the weather but I sure feel good now," Miller said. "The Redskins played a wonderful game. They were the answer to the game. He was the big gun. He was the light in our eyes. He was the one who stopped him time and time again. Jackson played a real good game. Beagle was guarded but he peeled off the yards when we needed it."

Van Hart kicked the two extra points for Council Rock. His first kick was from the 23-yard line, following a 45-yard penalty. That's terrible for a high school boy.

Council Rock's assistant coach was also quite elated. "We're real happy here at Council Rock. We should be. It's the first time we've won for a long time."

We hinted in yesterday's predictions to watch the upset by CR, but we admit we just didn't have the guts to pick over the Warriors.

This is a Saturday when they throw away that old form sheet in college football because a bunch of "Friday" rivals are getting toge to answer their grudge wars and, almost incidentally, settle four major conference titles.

Bristol last beat Council Rock in 1954 when the Indians scored a victory in the league. "Sag" Ingalls was the coach at that time.

It was a bad day yesterday afternoon at Bristol Field for the Warriors, who were defeated by the Council Rock 24 yard line.

Council Rock pulled possession on the Bristol 51 yard line in the opening quarter after Frank Tashan intercepted a pass. Six runs and three passes later, Council Rock had a first down on the 29 CR quarter back.

Jack Johnson passed 29 yards to Wally Deane for the first score. Deane caught the pass over his head as he stepped to the goal line. After a 55-yard penalty, Bill Van Hart kicked the extra point.

Tennent scored 15 points on its own 40-yard line with less than two minutes remaining. Council Rock scored Jackson carried the ball 40 yards in four running plays. The second was a 34-yard jaunt and he was brought down on the 20. Van Hart again kicked the extra point.

CR kicked off. Bristol fumbled on its first play from scrimmage and Ed Schneider recovered. The game ended before the next play began.

Bristol surprised by not taking to the air regularly. It didn't complete any of seven losses. The Warriors led the ball on two interceptions and four fumbles.

William Tennent's Bob Johnson (left, picture on left, middle) is now on top of the heap with a 51 mark when Tennent dropped into fourth place with the 4-2 mark. Each team has one game remaining on its schedule. Nashaminy will be seen at Tennent with Council Rock.

Today's Mortville-Pennell game will have an important bearing on the standing as the team will be ranked second, if not first and should a tie game be played, Nashaminy will be the best spot to retain its title. The Redskins have been safe owners of the crown since 1954.

But Nashaminy's lightning struck fast and stunned the Tennent team by going 55 yards on three passes and two line plays to score a touchdown and win 25-19.
