Neshaminy Plasters Morrisville 27-7

Three TD Passes Thrown by Faunce; Cameron Scores 1

Rising to The Occasion

Lanky Stan Covington, flashy Neshaminy end, is touchdown-bound above after snagging a pass from Errol Faunce. The aerial covered 11 yards and Covington covered another 14 with a few of his long strides to boost Neshaminy's lead to 13-0 at halftime. This touchdown came in the second quarter.

If there was anyone in the crowd of more than 4000 in Langhorne last night who had doubts about the greatness of the Neshaminy team then the doubts must be gone by now.

The Redskins played a great game to completely overwhelm a Morrisville team that had been regarded as the best bet to stop them. It was their 24th victory in the last 25 games and the fifth win of the season without a defeat.

Errol Faunce threw three touchdown passes and Don Cameron ran for another as Neshaminy won the game 27-7.

The only Morrisville score came in the fourth quarter when the game was all but over. It was set up by a 77 yard pass play from Ed Allison to Arvie Powell. The TD came on a four yard heave from Allison to Fran Terry.

Cheering

That, however, was the only time during the cold night that the Morrisville fans got a chance to warm up by clapping and cheering. The game already had been bagged by Neshaminy and the TD just saved face for the Bulldogs by averting a shutout.

Principal credit for banding the Bulldogs their first defeat of the season was due Faunce who was throwing strikes all night and doing some good running. Using Don Cameron as a decoy he hit end Monty Ahlum for two and one went to the other end, Stan Covington.

He got good protection from his line which outcharged the Morrisville forward wall all evening. Faunce's touchdown heaves went 31, 12 and 11 yards.

Heroes

There were plenty of other heroes for Neshaminy also. Shorty Moronese displayed both good inside and outside running. Ned Moyer threw a couple of fine passes on special plays. Covington made some brilliant catches including two interceptions. There was a spectacular catch and run by Bill Barrett and some hard line play by tackle Charles Koch.

Neshaminy drove 90 yards for its first touchdown. Midway in the first quarter Faunce went 24 yards and Cameron for ten and then the two teamed up with Faunce hitting Cameron for 26 yards to put the ball on Morrisville's 31.

Then Ahlum ran away from one defender down the right sideline and Faunce put the ball right in his hands. Moronese converted.

Four Plays

The second touchdown came near the end of the second quarter and it took just four plays after Neshaminy took the ball on its own 47 yard line. This time Faunce heaved 25 yards to Covington.

On the third touchdown the script was changed just a bit. This time running plays did the work. Moronese got 24 yards near the beginning of the third quarter and then Faunce went 18.

Cameron, who had been drawing most of the Morrisville defenders while his teammate ends were catching the passes, got into the scoring column when he carried the drive by going 12 yards skirting left end and driving over the goal line inches inside the line.

Up In the Air

It was back to the old passing script for the fourth and last touchdown which came as the third quarter ended. It was Ahlum again who caught the nine yard pass tossed by Faunce.

This made the score 27-0 and it looked like it might go even higher in the fourth quarter. After Neshaminy kicked off Coach Harry Franks inserted his sub but as soon as Morrisville began to move against them he pulled them out.

A great pass play from Allison to Powell for 77 yards set up Morrisville's TD. Powell took the 77 yard pass and made a hard run through several Neshaminy players before they pulled him to earth on the Neshaminy five yard line. Three plays later Allison threw to Terry for the TD and the only bright spot of the night for Morrisville.

Twice

Until the long pass Morrisville had only twice been in Neshaminy territory. The runners couldn't dent the Redskins' line and the passes were being intercepted. Morrisville only completed three out of nine while Neshaminy was hitting on nine in 15 attempts.

The yardage gains how much Neshaminy was the superior team. Neshaminy gained a net of 154 yards rushing while Morrisville could get only 48.

Neshaminy backers in the overflow crowd of 4000 which wit nessed the Redskins' 27-7 win over Morrisville last night rise to their feet as Don Cameron hit the end zone on a 12-yard scamper in the third period.

Three Famous Offenhausers To Race Here

The first of the three famous Traylor Offenhauser's today filed an entry for the revival of AAA Big Car sprint auto races at Lanzhorne, Pa. Speedway, Sunday, October 31. The driver assigned to the first Traylor Offenhauser is Charlie Musselman of Collegeville, Pa., one of the most recent great stars of the roaring road.

Musselman was a winner of the AAA feature race September 5 at Flemington, N. J. fair, and is in hopes of triumphing at Lanzhorne world's fastest circular mile dirt course.

Mike Nazaruk, the number one entrant of Belmore, L. I., will be coming direct to the Lanzhorne event with a recent win under his belt, which he garnished at Williams Grove, Pa., on Sunday, October 17. Nazaruk will be driving the same machine that he won the Grove race with, namely the Ted Nyquist Offenhauser from Reading, Pa. This same machine won the feature race at Allentown, Pa. fair on September 25, while being driven by the great American-Greek driver from Chicago, Danny Kladis.

Ted Nyquist stated today that he is having the car completely renovated, and the car will be first class racing condition with hopes of winning the 5-mile feature at Lanzhorne on the 31st.

The bill-o-fare will include time trials, three 6-mile elimination races, a 5-mile consolation race, climaxed with a gruelling 25-mile feature sweepstakes. Time trials will start promptly at 1 p. m. and the first heat race at 2:30.

Maryland Upset By Miami, 9 to 7

The Miami Fla. Hurricanes touched off what could become a wild weekend of upsets and remained high on football's perfect record list today by toppling once-mighty Maryland; the nation's No. 1 team of 1953.

Miami, barred from accepting a post-season bowl bid by an NCAA decree this week, made fairly sure that Maryland won't go either by licking the favored Terrapins, 9-7, at Miami Friday night.

Second-Stringer Hero

Lanky Bob Nolan, an unsung second string end from Wauconda, Ill., was the standout in the Hurricanes' fifth straight victory. He snared a 21-yard scoring pass from quarterback Marion Bonofiglio with only 10 seconds left in the first half, then dumped Maryland halfback Ronnie Walker in the end zone in the third period for a safety that decided the ball game.

Detroit topped Tulsa, 20-18, Houston walloped Villanova, 28-7, Furman defeated Davidson, 19-7, and George Washington and William and Mary played to a 13-13 tie in other games Friday night.

Two of the nation's top teams and two of the country's finest runners come together today in a Big Ten clash at Columbus, Ohio, where Ohio State, ranked fourth by the United Press Board of Coaches, plays host to second-ranked Wisconsin.

Speedy Bobby Watkins, the Big Ten's leading ball carrier, will carry Ohio State's hopes in a game rated even by the odds-makers while Alan Ameche, second leading ball carrier in the league, is Wisconsin's chief offensive threat.

Oklahoma, the nation's No. 1 team, is an overwhelming favorite to preserve its unbeaten slate with a convincing triumph over Kansas State, and Northwestern, also unbeaten, likewise is expected to have little or no difficulty at all with Oregon State.

To Televise Three Games

Variety will be the keynote for television viewers today with three games being televised by the NCAA instead of the customary one.

The Pittsburgh - Northwestern game will be screened from Pittsburgh, the Holy Cross-Boston University at Worcester, Mass., also will be televised as will be the Montana-Brigham Young contest to be played at Provo, Utah.

Other games that will command interest around the country pit fifth ranked Mississippi against eighth-ranked Arkansas; undefeated Minnesota against Michigan, ninth-ranked Army against Columbia and Colorado against Nebraska. Mississippi and Minnesota each are 7-point picks, Colorado is picked by 14 points and Army by 24.

Yale, the Ivy League leader, is a 6-point choice to defeat Colgate and knock the Red Raiders from the perfect record list. Each team has a 4-1 record. On the West Coast, Southern California is favored over California by 7-points.

Elsewhere, Southern Methodist is a heavy choice over Kansas; Illinois is picked over Syracuse; Baylor is tabbed over Texas; Iowa over Indiana, and Georgia Tech over Kentucky.

To Dedicate New School

The new Woodhill Elementary School in Upper Makefield Township will be dedicated tomorrow at 10:30 a.m. John Hollister, member of the school board, will be master of ceremonies.

Following the ceremonies there will be an open house. Teachers will be present in their classrooms and there will be an exhibit of the work done by school children.

D'Amato Still Refuses To Rush Floyd Patterson

NEW YORK — UP — Custer D'Amato, a story-book manager, still refuseS to "rush" light heavyweight contender Floyd Patterson today despite an easy victory in his first Madison Square Garden main event last night over speedy Joe Gunnon of Washington, D. C.

Nineteen-year-old Patterson of Brooklyn, 170½, won a lopsided eight-round decision over the 174-pound former Washington policeman, who was on the deck with a broken nose at the final bell.

Because of Floyd's impressive showing in the nationally televised and broadcast bout, matchmakers at three metropolitan clubs today offered the 1952 Olympic middleweight champion good 10-round bouts for next month.

But the athletic, gray-haired D'Amato rejected them and declared firmly, "Floyd will continue to fight eight-rounders until I'm convinced he's ready for the longer distance. After all, he's only 19. Yes, I could get permission from the commission for 10-rounders now. But we won't rush him."

It was Patterson's 17th victory in 18 professional bouts. He is rated fourth among the world's 175-pound contenders.

Hershey Bears To Meet Buffalo

The Hershey Bears, defending a one-point lead in the American Hockey League standings, attempt to solidify their hold tonight when they meet the Buffalo Bisons on home ice.

The Bears, who've won four out of five games played thus far, lead the Springfield Indians, who meet the Providence Reds at Springfield. Buffalo and Providence are tied for third, two points off the pace.

In another game tonight, the last place Cleveland Barons, Calder Cup champions of last season who've dropped four of five games, entertain the fifth-place Pittsburgh Hornets, who battled the Indians to a 1-1 overtime tie in Friday night's only game.
