Johnson Scores Two As Warriors Down Tennent High, 14-0

By SCOTT LEWIS

Although their bag game with Neshaminy is six days away, Bristol High School's football forces had their minds on the Redskins last night.

While the Warriors beat William Tennent, 14-0, before a sparse home throng for their third victory of the season their performance was far from glittering.

It was apparent the Wilson avenue boys were looking ahead more than they were looking back in the air.

Fortunately, for Coach Fred Prinder and the loyal Bristol fans, Bristol's defense didn't seem to be looking for a loose ball. Bristol held up a good game, but the offense was unable to get going.

It was not until the third quarter that the Warriors began to show signs of life. Johnson scored two touchdowns in the fourth quarter to lead the Warriors to a 14-0 victory.

Johnson's touchdowns were the result of a drive that started with a punt by Johnson. Johnson's first touchdown was the result of a drive that started with a punt by Johnson.

Johnson's second touchdown was the result of a drive that started with a punt by Johnson.

In active duty gives Prinder a 112 offensive punch both on the ground and in the air.

Bristol started its first touch-down march early in the first period, taking over on 30 to after a punt exchange. The first play drive was clinched at the end of the second stanza when the upper jaw drove the ball over for 12 yards and the score. Van Wright kicked back to kick the punt off.

But he took the ball and shut only one that was in the air.

63-Yard March

That's what it stood until play in the third period when the Warriors traveled six yards in one Tennent yardage. The time Johnson went off left back for seven yards and Van Wright split the uprights for the conversion.

Bristol got completely dominant after the two line it carried the ball while the Warriors retired 37 yards.

Johnson's two touchdowns were the result of a drive that started with a punt by Johnson.
